Young Republican Activities End With Convention This Week-End

This weekend will mark the climax of Young Republican activities here on the campus. It is the date set for the Young Republican Convention which will be held at the Cornhusker hotel.

Officers for the University of Nebraska Young Republicans were elected Tuesday at the initial organization meeting held at the Lincoln hotel. The following officers were elected: Frank Mattoon, president; Jackie Wightman, Jane McArthur, Dale Bloss, Bruce McMichael, vice presidents. The remaining officers were appointed until the next meeting which is March 31, at 8:00 p. m. in the Lincoln hotel. They are as follows: Lynn Hutton, treasurer; Gladys Grothe, secretary; and William Berquist, publicity director.

Guest Speaker

Guest speaker at this organization meeting was Ralph E. Becker, chairman of the Young Republican National Federation, from Port Chester, New York. Becker is campaigning in Nebraska to enroll young men and women for the 1948 campaign.

At the present time," Becker points out, "young people are confused, worried, apathetic, and even disgusted, and it is during these dark days of mental upset that some political 'Pied

Piper' can sell them a Utopia that does not exist."

The Nebraska Young Republican Convention will be held Sunday, March 21, in the Cornhusker hotel. From 3 to 5 p. m. a reception will be held in the Cornhusker Hotel Ballroom. Important personnel who will be present include: Governor and Mrs. Warren of California, Governor and Mrs. Peterson of Nebraska, Senator Hugh Butler, Senator and Mrs. Wherry, Mr. Ralph Becker of New York, Congressman Karl Stefan, Congressman Carl Curtis, and Lt. Governor and Mrs. Crosby.

Events of the Week

On Monday, March 22, all university students are invited to meet Governor Warren, at 2:30 at the Cornhusker hotel. Mr. Ralph Becker, of New York, who helped formulate the organization for our campus will also be present to talk to young republicans. Anyone interested is encouraged to attend.

Saturday, March 20, a republican sponsored dance will be held at 141 South 12, for all young republicans. Tickets will be \$1 per couple. Those planning to attend the banquet Sunday, March 21, may purchase a ticket for \$2.50 per person, which will also cover the dance admission on Saturday.

Help Wanted . . .

"What's in a name?"

Nothing, when the name is a letter of the alphabet. And that's the cause of our discomfort.

The men's dorms, opened on the campus this year to relieve the housing situation, have been overlooked in the matter of names. While there is certainly nothing more effective for uncertain memories than the letters of the alphabet, it seems that something more expressive and in some way appropriate could be used to designate the newest additions to the university building family.

Just who will suggest the names or what the names will be is an unanswered question. University housing authorities have had the matter under advisement but as yet have been unable to do anything to replace the alphabetical titles.

In fact, they are glad to receive assistance from any source.

With all other buildings officially a part of the university known by some title, it is not proper that the men's dorms should be left behind.

Possibilities for names are numerous, but the biggest headaches encountered by housing authorities, who thus far have been unable to formulate any plan to remedy the deficiency, is the knowledge that when the dormitory unit is complete there will be ten buildings which require names.

And in case some system would be devised, the plan should be capable of providing names for ten different buildings.

Chancellors have been utilized for classroom buildings, and the chief benefactors of the university have already been perpetuated with gifts of their own choice, so some new field of possible names will have to be uncovered.

An open house at the new dormitories is tentatively planned for May, after landscaping has been started. That occasion would be a fitting time to christen the buildings.

The Daily Nebraskan will be glad to receive any suggestions or ideas which might help to give men's dorms A, B and C some title a bit more distinctive.
