What's back of that name for YOU?

Back of the name Western Electric are 130,000 men and women who help make your Bell Telephone service the world's best—at the lowest possible cost.

Where are they? What do they do?

They're in factories in 18 cities, making vast amounts of telephone equipment designed by their teammates at Bell Telephone Laboratories:

They're all over the map, buying all kinds of Bell System supplies from other manufacturers.

They're at 29 distributing houses, filling orders from Bell Telephone companies for apparatus and supplies.

More than 31,000 of them are in mobile crews installing intricate central office switchboards and equipment.

In doing this huge job—one of the most complex in industry—Western Electric people are contributing daily to the efficiency and economy of your Bell Telephone service:
