ATTENTION NEEDED...

The arrival of another Pub Board election reminds us of a problem which has been rankling in our mind for a considerable time. The problem is not about the election of the student members of the board of publications, but rather about the duties of the students once they are elected to the board.

An office which could be in a position of responsibility and service has degenerated in the past few years into a political plum to be passed around without much regard for the requirements or demands of the office.

Instead of sitting back save for the two or three meetings of the Pub Board during the year, student members could do a bit of investigating and inspecting of their own so that they would have some idea of the state of affairs on the various campus publications which come under the supervision of the Pub Board.

As long as it is the duty of Pub Board members to have a voice in the selection of the staff members of The Daily Nebraskan, the Cornhusker and Cornshucks, the board members could perform a real service to the school publications and at the same time carry out their own duties to the letter by showing an interest in the publications throughout the year.

Too many student Pub Board members have treated the office as just another activity point when actually they were in a position to exercise initiative with authority.

Faculty members of the Board of Publications are not above similar criticism. Too few professors on the board in recent years have had their only contact with the publications on the day that interviews took place. A stirring of interest in both faculty and student members is needed.

Letterip

To the faculty and students of the University:

We all speak in glittering generalities about world peace. Each person on campus says, "Yes, I want to come to a better understanding of world problems as they affect the individuals of the world." Each person on campus says, "Yes, I would like the opportunity to speak to a student who has a different perspective and different ideas on the solution to world peace."

These goals are highly commendable but what are you doing about them? We had a Brotherhood week on the campus and it was declared "A Farce". There was ample reason to agree with this statement. That week dealt with relations between the Negro and whites. However, brotherhood must extend much further than this.

It must also include the students who have lived in a different culture and country. The students and faculty are being given the chance to cultivate a friendship and understanding with the many interesting foreign students who are attending the University by inviting them to the International Friendship dinner, May 7.

After a stiff six-week exam, an American student spoke to one of the foreign students in his class and commented on the severity of the just past ordeal. The foreign student looked at him in surprise and said, "Do you know that you are the first American student who has spoken to me since I started to school?"

This is an example of the "friendliness" of the Nebraskan student.

Hoping to see YOU and your foreign student guest at the International Friendship dinner, I remain,

Beverly Sievers.

Field House Wins All-University Track Title; ATO Takes Second

Five men combined their talents for the Field House track team to win the 1948 Intramural outdoor track and field championship.

Bill Mountford, Darrell Burney, Earl Elliott, Dick Stansbury and Lowell Neilsen totaled 69 points to cop the all-University crown. Alpha Tau Omega took second, Phi Delta Theta was third and Phi Kappa Psi finished fourth.

In the inter-fraternity championships, Alpha Tau Omega annexed the crown, and Phi Delta Theta finished second. Phi Kappa Psi, Delta Upsilon, Phi Gamma Delta and Sigma Chi finished in that order to round out the first six places.

Eight Records Fall. Records were broken in eight of the ten events in the two-day carnival. The 440-yard relay, sprint medley, shot and broad jump records were cracked Monday.

Delta Upsilon's quartet of Roberts, Ritter, Don Yeastness, Chuck Hemmingsen and Don Finstrom broke the 880 mark Tuesday with a time of 1:37.2. They replaced their own record of 1:39 feet set last year.

Bill Mountford of Red Cloud shattered the 1000-yard run mark when he won the second heat in 2:24.2. The old standard was 2:27 set last year by Lee Chapin. Sandy Crawford, Phi Psi, hit the tape first in the first heat. Points were given to both heats, each counting as a separate event.

Toogood Wins Shot. Charley Toogood, Phi Delt, set a new record in the discus when he hurled the platter 128 feet 6 1/2 inches to better Wayne Sees' 1947 mark of 127 feet 9 inches. Fritz Davis, 1947 state prep discus king, took second for the Phi Delt.

Leonard Kehl of Scottsbluff gave the ATO's a first in the pole vault at 12 feet 6 inches. He bettered the former record height of 11 feet 9 inches set by Jim Myers in 1947.

Tom Milliken, Phi Psi, was the best high jumper of the meet. The Fremont jumper cleared 5 feet 10 inches to nose out Darrell Burney of the Field House.

The all-round individual champion of the 1948 meet will be announced later when the final point tabulations have been made. Results of Tuesday's events.

\$10,000 Granted UN Chem Scientists

A grant of \$10,000 to investigate the possible toxicity of certain chemicals used in cosmetics has been given to the University of Nebraska College of Medicine.

Work will be done by the department of physiology and pharmacology under the direction of Dr. A. R. McIntyre, department chairman.

Dr. Fred L. Humoller will serve as principal adviser in the investigations. The grant came from a cosmetic manufacturer (Toni company.)

Spring Cage Drills
Coach Harry Good announced Monday that spring basketball practice will be held at 7:00 p. m. Monday through Thursday until final week starts. The practices will last until approximately 8:15.
