

Sandstedt Hurls Huskers To 10-1 Triumph Over KU

Good pitching by Jim Sanstedt, plus some timely hitting and brilliant fielding gave Nebraska the first game of a two-game set with KU, 10-1, on the Husker field Tuesday afternoon.

Big Jim got in three or four tight jams but escaped without damage in every inning except the fifth when two singles, a hit batsman and a walk forced one run across the plate. Third baseman Bill Denker pulled the fielding gem of the game in the second when he stopped a hot grounder behind the hot corner with his bare hand, fell to the ground, and then got up and threw the runner out by half a step at first.

Denker Slaps Double.

Husker power got the home team off to a two run lead in the first frame. Denker slapped a long double to the left center field fence and Bob Grogan walked. Then Wes Maser grounded a ball past the third sacker scoring two.

In the bottom of the fourth they scored two more when Maser singled and Cerv doubled. Both scored when the third base-

man threw past the catcher trying to cut down Maser at the plate.

After the only Jayhawk run, Nebraska plated another in the fifth as Hobe Hayes drew a free pass, stole second, took third on an overthrow and scored on Denker's grounder.

Ends Scoring.

Nebraska ended the scoring in the seventh with a five run splurge. Blatchford opened it up with a single and Sandstedt sacrificed him to second. Don Hays' single scored Blatchford. Hobe Hays singled and Denker walked to fill the sacks. After Grogan forced Don Hays at the plate, Maser singled into center to score Bob Hays and Denker.

Bob Cerv blasted a long triple to deep left center to score the

last two counts. Meet Again Today. The two teams will meet again today at 3 p. m. on the home field. Elroy "Lefty" Gloystein is expected to start for Tony Sharpe's Huskers.

Special Golf Tourney Next On IM Slate

Nebraska's golf experts will have a chance to show their talents when the Intramural golf specialties tournament gets underway May 13 and May 15.

Driving for distance and pitching for accuracy are the events to be featured by the tourney. Any man in school is eligible except members of the varsity golf squad and golf letter men.

Three shots will be allowed in the golf driving contest. Each shot must stay within a marked fairway boundary to count. Places will be determined by the total distance made by the number of shots scored. Each contestant in the pitching contest will be allowed five shots.

An official Intramural medal will be awarded to the winner of each of the two events. A team trophy will be given to the organization whose best four men rank highest in the two combined events.
