

New Life for Lincoln Traction Co. As Ag 'Wheels' Rotate Once More

While some groan, some jump with glee, and stock in the Lincoln Traction company spurts up ten points, Ag college rolls up the curtain on another school year.

And right on stage we find some of the same characters that we left there last spring, plus a few new ones. For the benefit of the latter, this will serve to introduce a few of the "wheels" and what have you.

Trusting that you have all been informed as to the N. U. definition of "Innocent" and

Lillian Lock is president of the Home Ec club, vice president of Ag Exec and Y.W.C.A., and member of Phi U. Lois Thorfinnson is president of Y.W.C.A. and Home Ec editor of the Cornhusker Countryman. She is also a Phi U member and an A. U. F. worker.

On the men's side, Bob Hamilton is president of the Block and Bridle club and Corncobs, active in Tri-K, and Alpha Phi Omega. Frank Loeffel is treasurer of Corncobs, also sees duty in Tri-K, Block and Bridle, Alpha Zeta, and Student Union Board. John Osler is president of the Ag Exec Board in addition to membership in

Also Prexys.

Jumping from the circle of notoriety—extreme, that is—we'll go on to mention the heads of the various clubs on campus. Phi Upsilon Omicron, honorary Home Ed, is headed by Helen Ochser. As Helen is abroad, Phyllis Ross is now acting head. Another Home Ec honorary, Omicron Nu, is presided over by Veora Erwin, while Betty Beckner presides over Amikitas, unaffiliated women's club.

Dale Stauffer reigns over two organizations, Y.M.C.A., and Tri-K, agronomy club. Another repeater is Glenn Claybaugh, who is president of Varsity Dairy and 4-H club.

Baird Rules.

Alpha Zeta, men's scholastic honorary, recognizes Jack Baird as chancellor, while Don Smith handles the gavel at Farmer's Fair Board meetings. Keith Arterburn holds the stick over Ag Men's Social club, unaffiliated men's organization.

These are a few of the Eds and Co-eds who have made the grade at Nebraska, and there are hundreds of students behind the scenes who help them to make Ag Campus a successful going affair. To all you incoming freshman and upperclassmen they represent a challenge, for it is you who will fill their shoes in years to come.

Pershing Rifle Society Meets

Company A-2 of the National Society of Pershing Rifles will hold their first meeting of the year this evening at 500 in the cadet officers' lounge of the Military and Naval Science hall, Company Commander Robert Hahn, announced today.

Pershing Rifles, a military honorary fraternity which draws its membership from the pick of basic R.O.T.C. students was organized on our own campus over 50 years ago. The society now has nearly 40 chapters on college campuses from coast to coast. Its functions are to provide honor guards and color guards for ceremonies, a crack squad for the Military ball, and drill units for regimental competition.

Captain Hahn revealed that future plans and policies for accepting new members are to be discussed in this meeting and all active members will be required to attend.

In the Telephone business ...for 21 years!

"It may seem like a long time to you ... but to me it's just like yesterday that I started.

"Guess that's because it's always been interesting ... always so many phases of the business to learn ... always something different and vital to do.

"Right now I'm one of 125,000 men and women who have been in telephony for 21 years or more. They call us the 'Telephone Pioneers of America.'

"I've seen the telephone industry come a long way—improving methods, developing new means of communications, constantly growing. But in many fields we've hardly scratched the surface; we're still pioneering. The future is full of challenges, and opportunities!"
