

Spellman Boosted To Varsity Team

BY JIM MILLER.

Coach Patsy Clark Monday promoted Walt Spellman, scrappy fullback formerly of Creighton Prep, to the varsity squad. In making the announcement, Coach Clark said that he will shift Spellman from his backfield post to the center position. "Spellman has been looking good in the nightly practice sessions," said Patsy.

The gridders ran against Notre Dame formations executed by the scout squad in Monday evening's drill and worked on signal calling and pass plays.

Confined to Hospital.

Cletus Fischer, Bob Costello and Gerald Ferguson were absent from practice. All are confined in St. Elizabeth's hospital for observation, but the three will probably see some scrimmage duty before Saturday. Kennq Fischer was working out without pads but Coach Clark said that it was doubtful if the St. Edward back would see any action against the Irish. Others working out minus the pads were Herbe Reese, Tom Novak and Charley Toogood.

First String Same.

Lining up with the first squad Monday were Fletcher and

Schneider at ends; Toogood and Goeglein at tackles; Novak and Spellman alternating at center; Wiegand at quarterback; Kirk Lee and Mueller at halfbacks and Collopy at fullback.

Lee to Play Saturday.

Patsy added that Kirk Lee, who injured his leg last week, will be counted on for duty this Saturday.

A two-hour scrimmage session is slated for Tuesday. The varsity team will go against the B team which will use Notre Dame plays.

Cleveland Wins World Series

The Cleveland Indians became the 1948 world champs of baseball Monday with a 4 to 3 victory over the Boston Braves. The win gave Cleveland the deciding fourth win over the Braves in the six game series.

Boston followers hung on until the finish, and were calling for a rally when Stanky walked to represent the tying run in the last of the ninth. Sibby Sisti attempted to sacrifice, but popped to Hegan who doubled Stanky off first. Tommy Holmes then flied to left, ending the inning and the series.

IM Squads Score Wins

Beta Theta Pi continued as a league leader Monday afternoon as they downed Phi Gamma 13-0 on the East Mall. Meanwhile on the West Mall Brown Palace decisioned Farm House 14-0. Kappa Sigma upset Alpha Epsilon 12-6 and Delta Upsilon pushed aside Alpha Sigma Phi 19-0. Theta Xi tripped TKE 7-6 in an overtime period.

Beta's Score on Passes.

The Beta victory came via the airways as both their touchdowns were on pass completion plays. Rolly Emmet accounted for the first touchdown when he snatched a thirty yard pass by Bob Kasmark and went over standing up. Bill Greer brought the ball down out of no where to put the Betas ahead 12-0. John Cullen caught a pass to account for the extra point.

The Betas again threatened twice in the final minutes but failed to move the ball to paydirt.

Kappa Sigs Upset Sig Alphas.

Joe Gutchow was the star in the Kappa Sigma upset of Sigma Alpha Epsilon. Gutchow's first touchdown pass went to Leon Pfeiffer who scored standing up to give the Kappa Sigs a 6-0 lead. His next pass went to Jake Dahlgren who lateraled the ball to Russ Toler who scooted for paydirt and the winning points.

Big Seven Teams Score Upsets in Weekend Wins

BY HAROLD ABRAMSON.
BIG SEVEN STANDINGS.

	w	l	pts.	op.
Kansas	2	0	60	14
Nebraska	1	1	28	34
Colorado	1	1	26	46
Iowa State	1	2	42	39
Missouri	0	0	0	0
Oklahoma	0	0	0	0
Kansas State	0	1	0	20

Big Seven teams had a good weekend as the Missouri Tigers whipped favored Southern Methodist 20-14, Oklahoma upset Texas by the same score and Kansas State ended its long losing streak by defeating Arkansas State 37-6.

In the only conference games Kansas outscored Iowa State 20-7 while Nebraska's Huskers lost to Colorado 19-6.

Kansas on Top.

Colorado's victory left Kansas all alone at the top of the Big Seven standings. Kansas may not stay at the top too long once the Oklahoma and Missouri squads start their loop play.

Kansas State was one of the happiest teams in the loop as the Wildcats broke their 28 game losing streak at the expense of Arkansas State.

The Wildcats don't figure to continue their winning ways this coming weekend as they meet Oklahoma in the Sooners opening Big Seven game. Iowa State and Colorado go against each other Saturday in what should be a very close contest.

Nebraska, Kansas and Missouri

have outside tasks this weekend. The Huskers will play host to Notre Dame while Missouri will send the Tigers against George Sauer's Navy eleven. Kansas has a Friday night engagement with George Washington at Washington D.C.

The Huskers will have to play much better ball if they even hope to keep a low score against Notre Dame.

Means Directs IM Program

Many students on campus are actively participating in intramural sports and recreation without knowing anything about the mechanisms and staff that makes for efficient operation and management.

Louis E. Means is the boss of the organization with the title of staff director. The detailed desk work is handled by Intramural Secretary Mrs. Genevieve Grossman. Both have offices at Intramural headquarters, 102 Sports Arena building.

Hollie Lepley, commissioner of officials for all games, will direct a great deal of the fall and spring programs.

The Agricultural campus is the charge of one Ed Higginbotham who supervises most of the games and tournaments there.

Pat Patterson conducts three intramural events, wrestling, boxing and bait and fly casting tournaments. The latter is a new addition to the roll of special sports contests featured in the I.M.'s.

Bob Slezak is a part-time staff member, as is Dale Bloss, graduate assistant, both acting as field and game supervisors for many events. Warren Emery, another graduate assistant, helps out with intramural programs and special intramural problems and publicity.

The Student Health Service is responsible for giving complete physical check-ups to men participating in the more strenuous sports.

Special rules clinics are going to be held occasionally in order to provide better officiating in the team sports; supervisory help is given by Vernon W. Lapp and Charles E. Miller, physical education staff members.

ARE YOU QUALIFIED FOR

an Officer's Commission

IN ONE OF THESE FOUR CHALLENGING CAREERS?

• Check these distinguished careers with your Adviser or your College Placement Officer:

NURSES IN THE ARMY AND WITH THE AIR FORCE
As commissioned officers.

WOMEN'S ARMY CORPS
Enlisted and commissioned.

WOMEN IN THE AIR FORCE
Enlisted and commissioned.

WOMEN MEDICAL SPECIALISTS
As commissioned officers.

Women like you keep our Army and our Air Force in the best physical condition in the world. Graduate nurses, dietitians, physical and occupational therapists are tremendously important to our Army and Air Force at home or overseas, for it would be impossible to operate efficiently without the helpful care of women skilled in those fields.

As a Medical Department dietitian, you will probably first be assigned to a large station hospital to assist with the hospital food service. There, and everywhere in the Services, you will find rotation of assignments. Physical and occupational therapists will work with the most modern equipment in treating a wide range of patients, gradually helping them regain physical and mental health. Army nurses and flight nurses are trained to handle a great variety of cases, and are given opportunity to specialize according to their interests.

But whatever your specialty, you will have the prestige of a highly respected profession and the excitement which goes with a military career. Wherever you go, your uniform and insignia will be the mark of a noble and rewarding position. You will have the income, privileges, and friendship of officers everywhere. You will be recognized as one of a chosen few in the Army Nurse Corps or the Women's Medical Specialist Corps.
