Two Homecoming Rallies Scheduled

Two Homecoming rallies will generate spirit for the UCLA game this week-end.

A "pre-rally rally" will be held Thursday, and the traditional Homecoming rally will take place Friday night.

After the Friday night rally, the 1949 Pep Queen will be elected by the student body from five Tassel candidates.

At 7:15 Thursday, students will join in the hanging of the Bruin in preparation for the following night's rally. The "pre-rally rally" will take place in front of the Union.

Navy to Present Exhibits Wednesday in Open House

Open house will be held at the Naval Science building Wednesday in honor of Navy Day. The building will be open for public inspection from 1-5 p.m., according to Capt. W. L. Messmer, professor of Naval Science and Tactics.

The purpose of Navy Day, originated by Theodore Roosevelt, is to show the public new developments in naval equipment and other naval advancements. Wednesday's open house will help accomplish this goal in Nebraska.

Equipment Demonstrated

Demonstrations of equipment in the building will be held, and films of naval battles and other action scenes will be shown in one of the basement rooms.

Nebraskans will be given an opportunity to examine the equipment available to NROTC students. These students receive the same fundamental training as cadets of the U.S. Naval Academy at Annapolis.

Nebraska's Navy program includes two groups of cadet officers, those who receive regular Navy scholarships and those

termed as "contract students." These men are all part of the Nebraska's "Little Annapolis."

Future Officers Seen

It is from these groups of cadet officers that some of the United States' future Navy officers will come.

The open house order Wednesday is planned to show Nebraskans the modern equipment and methods used to train these Navy students.

In honor of Navy Day, the color guard at Nebraska's homecoming football game will be NROTC students.

Vesper Speaker Talks on Politics

"Politics: A phase of Christian Stewardship" will be the topic of Harold C. Prichard, all campus vespers speaker.

Prichard is a member of the Nebraska legislature from the First district. He is a graduate of Peru State Teachers College and has a masters degree from the university. During the last was he served as a first lieutenant in the field artillery.

The student's political responsibility in the coming election and other political affairs will be the theme of Prichard's talk.

Vespers will be held at 5 p. m. on Thursday, Oct. 28 in the University Episcopal church.

Campus G.O.P. Club to Stage 'Paul Revere Ride' Monday

All students are invited to attend a "Paul Revere Ride" and an informal party at the Cotner Terrace on Monday, Nov. 1, according to Bob Wenke, committee chairman of the Young Republicans Club. The two events are being sponsored by the Young Republicans Club and the Lancaster County Republicans.

During the "Paul Revere's Ride," the participants will canvass the city urging the citizens to vote and to vote Republican. All students who wish to attend the ride and party are to meet at the

Monson Named For Nat'l Office In H. Ec Club

Gwen Monson, Ag college junior, was named a candidate for national office in the Home Ec club at a four-state province workshop held in Manhattan last week-end. The election will be held in the spring.

One girl is chosen from each of the 16 provinces in the country, and the four national officers are selected from this group at the national convention.

Each of the provinces sponsors the annual workshops to exchange ideas for strengthening local chapters. Sixty members from organizations in Nebraska, Kansas, Missouri and Oklahoma attended the Manhattan meet.

Also attending from Nebraska were: Marilyn Boettger, Lillian Lock, Maria Constantinides, Annette Carnahan and Miss Eleanor Reimers.

Miss Monson is the secretary of the Home Ec club on Ag campus. Club meetings are held every other Thursday at 5 in the Home Ec building social parlors. Council meetings are conducted in the same place on the opposite Thursdays.

corner of 15th and N between 4:00 and 5:00, although students may join the group as late as 6:00.

Wenke said that there will be plenty of time after the ride for the party. There will be entertainment, a dance band, party games, free food and free drinks at the party. Wenke urged students to bring dates to the "ride" and party.

Wenke, along with John Binning, president of the Young Republicans, stressed the importance of a large vote and asked all interested students to attend the two events.

Another 'Balloon Barrage' To Descend Upon Campus

The "balloon barrage" continues on the campus. One hundred more red balloons will fall from the north side of Social Sciences building at 10:55 today.

A number of the balloons released by members of the Homecoming publicity committee will contain coupons entitling holders to free tickets to the Homecoming Dance Saturday. The coupons can be redeemed at the Union office. Cobs and Tassels will decorate the red balloons with slogans such as "Slam the Uclans!" in white paint.

One hundred balloons were dropped from the top story of Love Library last Friday, inaugurating Homecoming festivities. Over 500 students witnessed the event. Those who caught balloons containing coupons saved the \$3 ticket price for the dance.

Members of the publicity committee that planned the balloon drop are Marcia Tepperman, Rex Pettijohn and Neal Baxter.

Seven Skits to Appear In Coll-Agri-Fun Show

Preliminary performances of the skits and curtain acts for Coll-Agri-Fun have been scheduled for Wednesday and Thursday of this week. The annual student talent show will be held on Nov. 6.

Seven skits have been entered in the competition: Farm House, Ag Men's Social, Loomis Hall, Love Hall, Alpha Gamma Rho, Amikitas and Ag Collenes. YM, YW, Home Ec club, Loomis Hall and Ivan Liljegen have submitted entries for the curtain act prize.

The winning skit in the talent show will carry away the circulating plaque for the next year, and the organization's name will be inscribed thereon. Farm House now holds the trophy by virtue of their prize-winning performance last year.

A \$10 prize will be awarded to the curtain act adjudged to be best. This figure is double

the recompense offered in this department last year.

"Performances this year will be based mainly on originality," declares Coll-Agri-Fun manager, Gale Erlewine. "We will also enforce a rigid time limit of five minutes on curtain acts and ten minutes on skits," he added.

Sponsored annually by the Board, the skit night is confined strictly to Ag college organizations. It was originated nearly 20 years ago to encourage originality and talent among Ag students.

Signed and Sealed

At last the Student Council committee on the non-profit bookstore has secured a signed statement from W. C. Harper that steps are being taken to reduce book prices for students. Also, a complete profit and loss statement covering the last 21 months was included in the official report. See page 4 for the full story.

The Homecoming rally Friday will begin at 8:45 with the summoning of ralliers by sounding the Victory bell, and shell fire. After gathering at the Union, ralliers will march down R to 16th and over to Vine. They will then proceed to the practice field west of the Coliseum.

Shells Fired

Throughout the march, shells will continue to be fired.

The 120-piece University band will lead the rally parade dressed in full uniform.

At the practice field, an aerial invitation will be given. Special speakers will also be presented.

Members of the football team are scheduled to appear during the rally.

One of the traditional features of the rally is the presentation of the Pep Queen candidates. The girls, selected by Tassels from their membership, will be introduced for the first time at the Friday night festivities. After the rally, members of Mortar Board will supervise an all-student election of the 1949 Pep Queen from the candidates.

Bruin Burned

Another feature of the Homecoming rally will be the burning of the Bruin effigy. A grand finale will climax the rally.

The Pep Queen will be voted on after the festivities in four Coliseum booths or two Union booths. The polls will be open until 10 p.m. under the direction of Mortar Board members. Students must show ID cards in order to vote.

The candidates' names will be secret until announced at the rally, and the results of the Pep Queen election will not be known until the Homecoming dance Saturday. The 1949 Queen will be presented at that time.

Coeds Offer Both Glamour, Tickets

Now it can be told. The whistlers which adorn the big booth in the Union these days are not beauty queen candidates, or would-be Honorary Colonels, or future Nebraska Sweethearts. Some how the word has gotten around that they're . . . Tassels.

Granted they are a definite improvement over the drab walls of the Union corridor their prime function is not decoration. They are selling tickets for the big Homecoming Dance, at only \$3 per couple. So step right up, the tickets are going fast.
