

# Kansas State Next Frosh Football Foe

Coach Pop Klein's Frosh grid squad will take the field against the Kansas State Freshmen Thursday afternoon at 2:15 in Memorial stadium.

Students who wish to see the game need only to present activity tickets at the stadium gates for admission.

The K-State Freshmen hold a 25-19 victory over a tough KU squad which beat Missouri several weeks ago. If comparative scores mean anything Nebraska's Freshmen will have a rough time against the junior Wildcats, according to the Frosh mentor.

Klein's team holds a victory over Iowa State's freshmen.

The Freshman coach indicated he may start Frank Simon, Burchard and Cecil Voils, Lincoln, ends; Ted Britt, North Platte, and Vir-girl Adle, North Platte, tackles; Alfred Blackett, Omaha, and John Dean, Hastings, guards; Dick Regier, San Luis Obispo, Calif., center.

John Murphy, Glenwood, Ia.; Rich Yost, Omaha; Joe Ponceigo, Chicago, Ill.; Nick Adduci, Chicago, Ill. may be in the starting backfield.

Ron Clark, Ravenna, and Tom Hopkins, Weeping Water, two of Klein's scatbacks, will probably see plenty of action against the K-Staters.

## Varsity Outscores Freshman Team

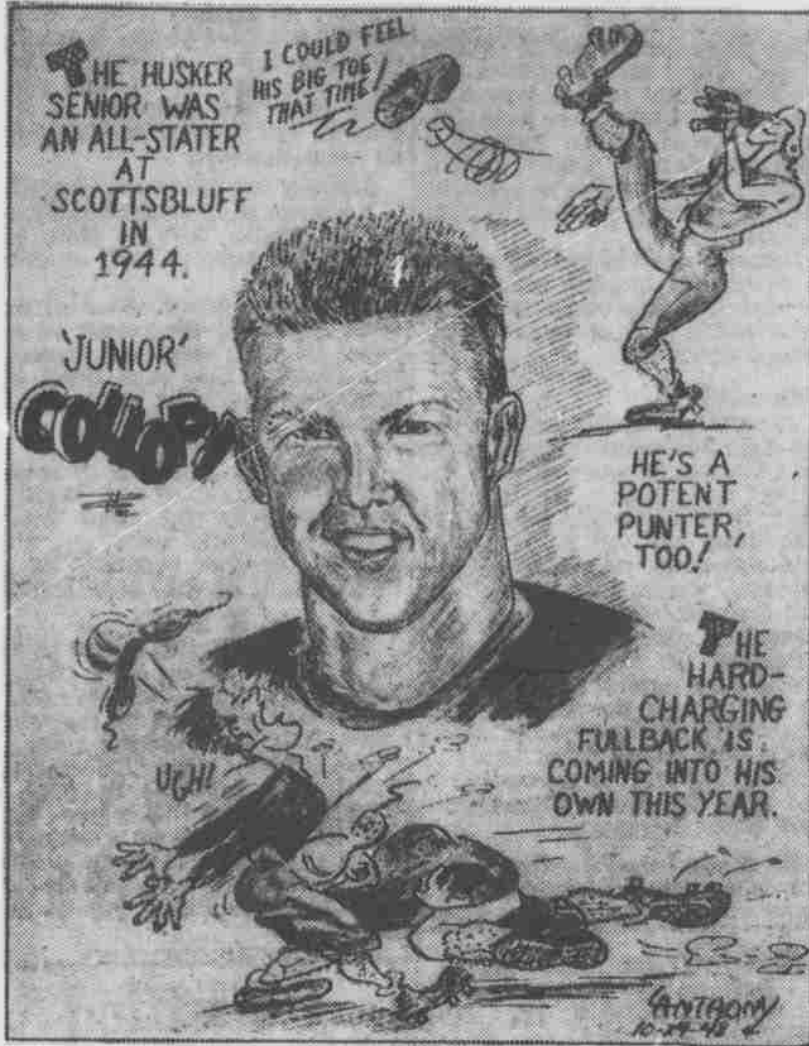

Coach Patsy Clark's charges braved cold weather as they prepared for their weekender with Bud Wilkinson's Oklahoma Sooners.

The Husker grid tutor sent Don Strasheim, Art Bauer, Don Schneider and Bill Moomey into the varsity backfield and the players poured it on against Pop Klein's frosh squad in scrimmage.

Little Don Strasheim was the driving power behind the varsity offense as he completely baffled the freshman defense to score one touchdown and aid in another. The Kimball athlete got away for the longest gains of the hour long practice.

Don Schneider was another power in the varsity offense scoring the other touchdown. Both boys put a damper on any touchdown ideas the frosh had.

## UN Cagers Set For Heavy Toil

With the opening game only three weeks away, cage Coach Harry Good will send his charges through intensified scrimmage sessions this week.

In an attempt to improve control of the boards, main weakness of last year's team, Coach Good is planning to move one of his tall centers to a forward post. The plan will have the big boy at an offensive forward slot and have him fall back to a guard spot on defense.

Gaining board strength will necessitate the sacrifice of speed, both in use of the fast break and in setting up a defense. If the idea works out, the Huskers will de-emphasize the fast break and concentrate on a set-type offense. Bob Pierce and Joe Malecek are being used in the proposed shift at the present.

Action pictures of the squad will be taken Wednesday. These

are to be used by the publicity office.

The A and B squads following the first week of scrimmage.

"A" squad: Darrell Brandenburg, Henry Cech, Bob Cerv, Rod Cox, Bob Gates, Ray Jussell, Anton Lawry, Joe Malecek, Bob Pierce, Claude Retherford, Dick Schleiger, Paul Shields, Dick Srb, Larry Walsh and Bus Whitehead.

"B" squad: Bob Allen, Ken Anderson, Doyle Busskohl, Bill Cronin, Don Finstrom, Jack Cady, Bob Gaston, Bob Good, Dave Graef, Ray Lucht, Bill Hladik, Melvin Schneider, Jesse Sell, James Walsh and Rex Welborn.

### Freshman Postal Meet

Time trials for the Freshman telegraphic conference meet will be run Tuesday and Wednesday. All freshmen who are planning to go to the two-mile route are encouraged to make their try on one of these two days.

The five best marks will be sent to Big Seven chieftain Reeves Peters to be compared with the frosh performances of other conference schools.

# IM Tank Preliminaries See New 220 Record

The Intramural Swimming Championships got underway Monday evening at the Coliseum pool.

Preliminary tests in the 50-yard freestyle, 100-yard breast-stroke and 220 yard freestyle featured the opening day program. In the 50-yard freestyle event, Horstman of Sigma Phi Epsilon paced the qualifiers for Wednesday's semi-finals with a :27.2 performance. Other qualifiers in the 50-yard event were Eldon Able (Ind.); Don Eicher (SAE); Tom Morrow (SX); Paul Blumer (Phi Delt); Bill Schla-bitza (Phi Delt); Hazen Rice (DU); Don Smith (ATO); Ed

Schaumberg (Beta); G. Johnson (Delt); Chuck Hemmingson (DU); George Andreeson (Ind.) and Bob Mitchell (Ind.)

A new record was set in the 220-yard freestyle when Paul Goetz, Independent, splashed his way to a 2:34.9 mark in the long race. This erases Marvin Grimm's record of 2:37 set in the 1946 tourney. Tuesday's card will be made up of preliminary rounds in the 100-yard backstroke, 100-yard freestyle and the 75-yard individual medley relay. Starting time is 5:00 p.m.

Due to the intramural touch football playoff games Wednesday afternoon, the semifinals in the swim tourney will start at 8:00 p.m. Wednesday night.

## Sooners Grab Favorite's Role In Big 7 Action

BIG SEVEN STANDINGS		
	W	L
Kansas	3	0
Oklahoma	3	0
Missouri	2	1
Colorado	2	2
Nebraska	2	2
Iowa State	2	4
Kansas State	0	5

Nebraska's Cornhuskers, fresh from their second conference win, travel to Norman, Oklahoma, this Saturday to engage the mighty Sooners in the week's top conference game.

Last Saturday the Oklahomans smacked a favored Missouri Tiger eleven, 41-7, to gain the role as the favored team in the loop.

Nebraska displayed their scoring punch for the first time when they rapped hapless Kansas State, 32-0 at Lincoln. The Scarlet crew hopes to catch the Sooners "down" after their Mizzou triumph and an upset wouldn't be out of the question. Last year Oklahoma slipped past the Huskers, 14-13, in which was supposed to be a romp.

Other conference activity finds Kansas, idle last week, traveling to Manhattan to meet their traditional foe, K-State. Missouri plays host to an unpredictable Colorado squad at Columbia. The Buffs jolted Utah State, 28-14 last week and could be troublesome to the Tigers.

Iowa State draws the unhappy assignment of trying to stop the rampaging Michigan State machine at Ames this Saturday. The Cyclones were lucky to grab a 2-0 win over a fighting Drake eleven last week while the Spartans from Michigan waltzed to a 47-0 win over Marquette at Lansing.
