## Huskers Face Powerful Sooner Team Saturday

The Cornhuskers meet a powerful Oklahoma Sooner aggregation in Norman, Okla., Saturday at 2:30 p. m.

It was this same Sooner team that defeated a favored Missouri eleven, 41-7, last week end with the pupil, Bud Wilkinson, showing the teacher, Don Faurot. Both Wilkinson and Faurot were coaches at Iowa Preflight during the war where Wilkinson learned the split-T formation as employed by Faurot.

### Sooner at Full Strength

The Sooners will be at full strength for the first time in weeks. Injured players who have returned to the squad are Wade Walker and Nute Trotter, tackles, Right End Bobby Goad and Center Pete Tillman. All saw limited service against Missouri.

Coach Patsy Clark's squad will not be at full strength as the Husker mentor had to leave Gerry Moore, Bob Ackerman, and Kenny Fischer home because of injuries.

### Burriss Top Blocker

Oklahoma has one of the best lines in the country but the Husker line has shown steady improvement and is set to surprise Jack Mitchell and his Sooner cohorts.

All-American Paul "Buddy" Burriss who plays guard, is a top blocker in the Sooner line that stands fourth in the nation in rushing with its average of 300 net yards per game.

### Mutt and Jeff Combo

The Sooners have a Mutt and Jeff end combination in lanky Jim Owens and 167-pound Bobby Goad that has done a great job this fall in the pass receiving department. Wade Walker and Homer Paine are also two stellar linemen.

Oklahoma's backfield is smart and fast with Jack Mitchell, who is not only a slashing runner from scrimmage, but probably one of the Big Seven's keenest quarterbacks.

Last year Mitchell led the Big Six in rushing from T-formation quarterback, and in 1946 he led the nation in average yards of punt runbacks. He is the main cog in Coach Bud Wilkinson's split-T offense.

### Won Six Straight

Righthalf George Thomas is another mainstay in the Oklahoma offense. The fleet back leads the Big Seven with 615 net yards rushing.

Wilkinson's squad has won six games in a row, including victories over Texas, defending Sugar Bowl champs, Texas Christian and mighty Missouri, the squad which walloped Doak Walker and company of Southern Methodist.

In the 27 year series with Oklahoma, the Huskers have won 16, lost 8, tied 3.

1932	5	7	1947	13	14
1933	16	0			
1934	8	0			
1935	19	0	Total	262	219

Although the dopsters are making the Sooners 27-point fav-

orites, the game could be a closer struggle than is indicated. The Husker coach, Patsy Clark has made some changes that should give the Scarlet a stronger defense against Jack Mitchell's split-T formation.

The Sooners are known to be lax in their pass defense which leaked for two touchdowns against Santa Clara. On the other side of the ledger, Nebraska has not been too sharp when it comes to pass defense.

The Huskers have nothing to lose in Saturday's encounter while the Big Seven co-champions are pointing for their game with Kansas university and possibly another Big Seven championship—this time for themselves.

## Husker Fans To Hold Rally In Oklahoma

All Nebraskans who will be in Oklahoma for the football game have been invited to attend a meeting of the Nebraska alumni in Oklahoma at the Biltmore hotel in Oklahoma City for a pre-game rally Friday evening.

Coach Patsy Clark will be the main speaker and will introduce members of his staff and representatives of the football squad.

The Oklahoma City Alumni club, sponsor of this meeting of Oklahoma Cornhuskers, will receive its charter from the Nebraska Alumni association at the meeting, Morton Steinhart, president of the association reported.

This charter is one of the three approved by the Association Board of Directors at the last meeting. The other new clubs are at Wichita, Kas., and Norfolk, Va.

West Stadium Photography Laboratory will be headquarters for the **Cosmopolitan Club** pictures which will be taken Friday evening at 5 for the Cornhusker.

The UNESCO conference planning committee will meet this afternoon from 2 to 4 in Room 313 of the Union. Anyone who is interested in working on the UNESCO is invited to attend.

### Intramural Grid Playoffs

After two postponements, the intramural touch football I finals will be played Wednesday evening at 4:30 at Ag College and Peter Pan fields.

Beta Theta Pi and Delta Upsilon will tangle at Ag College to decide first place in the Interfraternity loop and Alpha Tau Omega and Beta Sigma Psi meet at Peter Pan for third position.
