

Fashion Plate

December! The month of twelve weeks' exams, perplexing Christmas gift problems and plans for long awaited vacation. All this fades into obscurity with coeds who are preoccupied with another subject in campus life. Yes, December ushers in NU's formal season.

More than a few feminine coat tails have been flying as their owners hurry towards O street for fittings or a quick shopping spree between classes. Then there are those clever and lucky gals who can make with the needle and thimble and will be modeling original originals. Fortunately, formal gloves are in fashion and will camouflage the damage.

Nothing in a girl's wardrobe is exciting as her formal, and never have designers offered formal attire which was more festive or more feminine. For proof just

peek in at the Military and Charity balls Friday evening.

In that shimmering red taffeta is **Jan Stratton**. There is **Candy Jones** in a rustling pink taffeta with the cuff effect around the low neckline.

Marge Cherny is wearing an unusual white faille strapless gown complemented with powder blue maribou trim.

Gayly reflecting the low lights at the Charity ball is the American Beauty red satin of **Rita Fitzmorris' gown**. A strapless design, it too displays the extreme formality of this season's styles.

Nancy Miller is wearing a dress of unusual design. Green and white tiers of net fall gracefully from a contrasting off shoulder green taffeta bodice.

Beautiful fabrics can be the basis of a beautiful dress as the richness of **Kathy Withey's** red velveteen strapless proves.

Bev Haarman also knows the value of beautiful materials.

Anticipating the Charity Ball is **Lois Brown** (right) wearing a black taffeta accented with light blue maribou around the low neckline and peplum. All ready for the Military ball is **Bev Haarman**, she will display her gown in the grand march.

As I Was Saying...

What with all the functions and counter functions planned, things should really be—functioning this week-end. The campus is going social-social with enough clientele to keep two big events going to-night.

Off to the pomp and ceremony of the Military ball are a goodly number of the stauncher students. To mention a few—**Neva Huttner** and **Irv Veltzer**, **Marilyn Webber** and **Andy Buntin**, **Barb Durland** and **Dick Lau**. A little more excited than the rest are the grand marchers with **Dora Lee Neidenthal** at the head.

Then there are the Charity ballers who will attend Kings with the Christmas spirit in mind. **Jean Wolcott** and **Jack Shirmer**, **Betty Keebler** and **Irv Chesen** are among the many couples will be seen at this gala event.

According to "Table Reservations" at the Grove, **Jack Selzer** will be in attendance here.

Beginning the festivities early will be the ZBT's tonight with their Ball dinner. Candle-light and atmosphere will preside at dinner which will be well attended by **Sonja Pradell** and **Bob Baker**, **Lamar Garon** and **Sandra Lottman**, **Paul Weltehek** and **Betty Levin**.

Idol of the stars **Nori Garon** and cohort **Sandy Finklesstein** will sandwich date this evening. They will escort "Cece" **Cohen** to the counter-counter function at Casey's.

And there will be enough parties left over for amazement Saturday. Starting the list is the SAE Winter formal, their annual event at the Cornhusker. Managing the affair will be social chairman **Ted Gunderson** who will take **Jody Loder**. Dancing to the Music of **Eddie Haddad** and Co. will be **Sally Holmes** and **Jack Campbell**, **Susie Sutton** and **Gene McKenna**, **Marge Arndt** and **Joe Sanchez**. **Lone Oaks** will be the scene of a pre-party formal dinner for many.

If you are lucky enough to penetrate the Iron Curtain Saturday night you will see the Sig Eps going Communist for a one-night invasion only. Da, da—**Dan Loisel** and **Dick Adams** are even now tapping the back yard for a vodka well.

A new steady twosome of comrades that will be attending the Red party are **Dave Chambers** and **Jo Mockett**. The elite of Russian society at the party will be two Siberian salt mine workers: **Pat Thomas** and **Maggie Knappe**, while the Russian ballet will be presented by **Pinkie Byers**. **Tom Brower** will come as the "Vulgar Boatman." Come to the revolution!

Being "Gay" at their "90's" party will be the Farm House boys. Donning a handle-bar mustache, **Stan Lambert** will wheel **Lois Gillett** through the swinging doors—slightly ahead of roommate **Merwin French**.

Considering a "Gay 90's" bathing suit for his costume is **Gene** (second - place - in - the-turkey-race) **Robinson** who will escort **Mary Chase**.
