Hurlbut Speaks At ASAE Meeting

Prof. L. W. Hurlbut discussed the non-technical options available to Ag engineers at the ASAE meeting held Wednesday night at 7 o'clock in the Ag Engineering building.

Three Ag engineer seniors, Bill Splinter, Leslie Jochens and Bertrand Somerhalder, spoke briefly of options in mechanical, civil and electrical engineering and engineering mechanics.

Tentative plans for an ASAE convention to be held at K-State in March were discussed. Twenty men indicated they were in favor of such a meeting.

Tennessee

Tennessee ranks as one of the nation's leading industrial states. Agriculture is important; its forests cover many square miles of valuable timber; its mineral products include coal, iron ore, copper, zinc, gold, silver and marble. Chemicals and textiles and their allied products are its two major industrial groups.

YW Party Open To All Students

Square dancing will be featured at a free party open to all University students Tuesday, Feb. 22, at the city YWCA. Other recreation includes ping-pong, swimming and dancing.

The new coed program is known as Jack and Jill night. A good caller is promised for the square dancing, and other plans indicate that the evening will be different than the usual movie-coffee routine. Students who wish to swim are reminded that permits from Student Health are necessary.

Recreation Area

The commonwealth of Massachusetts is a popular recreation area with many fine beaches dotting the shores of its more than 1,000 miles of shoreline.
