

Wishnow Advocates Better Understanding of Music

Emanuel Wishnow, regular conductor of the University symphony orchestra, is one of Nebraska's most vigorous champions of orchestral music.

Why, says Professor Wishnow, shouldn't we in Nebraska know and enjoy the literature of the orchestra as much as we do the literature of great contemporary authors?

HE IS NOT content, however, simply to discuss the need. For the orchestra's next concert, at 4 p. m. Sunday, March 13, in the Union ballroom, he has selected Brahms' famed "Symphony No. 1 in C Minor." This will be the first time that the University orchestra has performed a major symphony in its entirety.

In addition to his work in Lincoln, Wishnow has made several trips through the middle west to encourage the current renaissance of string instrument playing in high schools. As guest conductor and soloist at clinics he has urged young musicians to study strings, the heart of the orchestra.

WISHNOW HAS been conductor of the University orchestra since 1941 and head of string department since 1938. During the war he was a member of the string section of the famous Glenn Miller orchestra of the A.E.F. which toured England, France, Holland and Germany.

Born in England, Wishnow lived in Boston and studied violin with Max Stearns. He graduated from the University of Nebraska in 1932 and completed his master of arts degree in 1939 at New York University.

This season he is appearing in

a series of chamber music recitals sponsored by the Joslyn Memorial in Omaha. He is concertmaster of the Lincoln Symphony orchestra and has also been guest concertmaster of the Omaha Symphony.

Peiping Pastor To Address LSA

The Rev. Omar Otterness, who has recently returned from China, will speak to Lutheran students this week. He has been missionary and pastor to students in the universities in Peiping.

Lutheran Students Association members will be especially interested to hear him since he is the brother of their counselor, Alice Otterness. Rev. Otterness spent one year in student work at the University of Illinois before entering the seminary.

Thursday, March 10, at 7:15 p. m. he will speak at Lenten Vespers at the Lutheran Student House, 1440 Q. Friday evening at 8 p. m. he will show movies of China, and lead an informal discussion. Both Friday and Saturday afternoons he will be available for conferences on missions. Sunday, March 13, he will speak at both the city and Ag campus meetings of LSA and his topic will be "Lutheran Student Action."

2500 Students Participate In Wesley House Program

Ed. Note: This is the second in a series of articles on campus religious organizations to be run in The Daily Nebraskan.

From the Soup Sippers club to the Friendly Fridays, Methodist students on the campus find many activities centered around the Wesley Foundation Student House.

With the Rev. Richard W. Nutt directing the program, the 2500 Methodist students on the campus take part in a well rounded social and religious program.

Each Friday night a different social event is planned with skating, hobo and pop corn parties rating as perennial favorites. When regular events are not planned, the Student House

is open for informal get togethers according to Rev. Nutt.

IN ADDITION to the city campus Student House, the Wesley Foundation sponsors a center on the Ag campus. Though the house was donated to the Methodist group, interdenominational use of the house is stressed. Rev. Virgil Anderson is the associate director of the Ag center.

"The Soup Sippers Club" arose when a group of students who brought their lunches to the house decided to pool resources and have a regular lunch prepared by the students themselves in the Student House kitchen.

Reporter Call

Calling all reporters! The Feature department is in need of dozens of reporters to help conduct the "Miss Daily Nebraskan" poll Wednesday afternoon. Any student interested in polling students, even if only for an hour, should see Frank Jacobs in the Daily Nebraskan office any time Wednesday after 12:30 p. m.

How Modern can Jazz get?

Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM" — a Capitol Recording ... and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm", comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite—Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

How Mild can a cigarette be?

SMOKE CAMELS FOR 30 DAYS — and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking—

HOW MILD CAN A CIGARETTE BE? WELL, SKITCH. THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDEST CIGARETTE I'VE EVER SMOKED!

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

It's real harmony when Skitch Henderson and lovely Nancy Reed, his featured vocalist, get together and sing the praises of Camel mildness.

Money-Back Guarantee!
Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you've ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage.
