Four leagues have been set up in the fraternity badminton competition. Each squad will consist of three doubles teams, who will play three matches each. There are 21 teams entered in the four leagues. Only one game was played as the Sig Chis topped Delta Tau Delta by a score of 8 to 1.

In the Interdenominational league, the Presbyterians won out over the Newman club, 9 to 3.

An individual league has been set up in Badminton. Each team consists of two men, who play 3 matches.

Seventeen teams are entered in four leagues. In the only game played Monday, Slezak-Bierdeman beat Hiatt-Hughes by 3 to 0.

Players are asked to keep posted on the time and date of their matches so that a minimum of postponements can be obtained.

Craren to Enter Indoor Nationals

Ed Craren, sophomore Husker diver, will go to Norman, Oklahoma, this weekend to compete in the National Junior Indoor 3-meter Diving championships.

Craren won the Big Seven high board diving championship last weekend. His record is full of titles as he was state diving champion in 1946, Midwest outdoor AAU diving champion in 1947 and Midwest indoor champ in 1948.

NU Gridders Hold Second Spring Drill

Rain and sleet failed to slow William "Biff" Glassford's spring footballers in their drills Tuesday afternoon.

Around 60 grid candidates braved the frigid weather as Coach Glassford held his second spring practice session.

The squad went through a brisk workout which included limbering up exercises, blocking and tackling fundamentals, and running. This will be the order of the day for the next few weeks, according to Coach Glassford.

The linemen were hard at work developing form and drive on the dummies and sleds, with the backs concentrating on starting out of their positions and sprints.

Coach Glassford asked that all men wishing to play football this spring and next fall that were not included on the candidate list see him in his office as soon as possible. He hopes to work in some of those not invited out in this first six week period.

4 Teams Fight For Jack Best IM Supremacy

With seven events left on the Jack Best docket, the Interfraternity supremacy race is turning into a four-way race for top honors. Alpha Tau Omega, Phi Delta Theta, Beta Theta Pi and Sigma Alpha Epsilon lead the field by almost 200 points.

The Beta's held the lead all year until the basketball tourneys and then dropped to third behind the ATOs and the Phi Deltas. With all points added through the basketball season, the ATOs lead with 1272½ points, closely followed by the Phi Deltas with 1265 markers. The Betas have 1190 points and fourth place Sigma Alpha Epsilon has 1115 points. The DUs and the Phi Gams are tied for fifth place with 937½ points.

The seven remaining events on the schedule are Rifle Shooting, Outdoor Track, Softball, Waterbasketball, Badminton, Golf and Tennis doubles. Among the four top teams, the ATOs appear on paper to be ahead in softball and waterbasketball. The Phi Deltas look to be the strongest in the badminton and tennis events, while the rifle shooting favors the Betas. In track and golf the ATOs and Phi Deltas appear to be equally strong.

As is usual in the Jack Best race, the winner will probably be decided in the softball competition.
