How Modern can 'Jazz' get?

Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM"—a Capitol Recording ... and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm", comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite—Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

How Mild can a cigarette be?

SMOKE CAMELS FOR 30 DAYS
—and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION

due to smoking—

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

HOW MILD CAN A CIGARETTE BE? WELL, SKITCH. THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDEST CIGARETTE I'VE EVER SMOKED!

It's real harmony when Skitch Henderson and lovely Nancy Reed, his featured vocalist, get together and sing the praises of Camel mildness.

Money-Back Guarantee!

Try Camels and test them as you smoke them. If, at any time, you are not convinced that Camels are the mildest cigarette you've ever smoked, return the package with the unused Camels and we will refund its full purchase price, plus postage.
