Nebraska Nine Gains Split In Twin Bill Against Baylor

Nebraska's diamond squad served notice on future conference foes that they have full intentions of defending their Big Seven crown by splitting the season opener with the Baylor Bears.

The Huskers took the first game 7-5, but dropped the nightcap to their southern foes by a 4-3 count. The Bears have had an advantage in weather, getting more outdoor work.

The Scarlet nine got off to a roaring start in the first game and was never headed. Home runs by Bob Grogan and Bill Denker paced Nebraska to a four-run first inning. Tom Novak blasted a round-tripper in the second to boost the total to 5-0.

BAYLOR picked up two in the third and one in the fourth but NU came back with single runs in the sixth and seventh to clinch the contest. Jim Sandstedt received credit for the win although he had to retire in favor of Jack Helmsing in the fifth.

The second game was a pitcher's duel between Elroy Gloystein and Jim Blair. Both teams scored lone tallies in the first stanza, and Nebraska added another in the third to gain a 2-1 lead. Baylor put together a long fly and a double steal to tally twice in the last of the fifth for their first lead of the afternoon.

The Huskers fought back to knot the count in the seventh. Gloystein took first on a fielder's

choice, Hegwood was hit by pitcher Blair, and Hays, running for Gloystein scored on a single by Bob Grogan.

Jim Sharp relieved Gloystein in the last of the seventh. After getting the first batsman he walked Jack Redding. Redding stole second and third and raced home on a one-bagger by Chad Sneed with the winning marker.

Horseshoe Play To Start April 20

The intramural horseshoe tournament will open Wednesday, April 20, the intramural office announced today.

The competition will be by teams playing a short round-robin schedule. The winners will off. Teams will be composed of three men each, playing matches of three games. The standings will be based on games won or lost.

Anyone in the University is eligible and alternates may be used, but to remain in consideration for individual awards the contestant must play all matches.

The individual awards will be made by holding a playoff of the top eight entrants. The IM office will keep records of all individual play in order to select the men for the playoffs.

The individual champion will receive the intramural medal. The All-university championship team if independent, will receive medals, or if a fraternity will receive a trophy.

Entries must be in before or on Tuesday, April 12.

Legislators Given Builder Calendar

Nebraska legislators have received souvenir copies of the 1949 Nebraska Calendar.

The University of Nebraska Builders, formerly the Student Foundation, presented 60 copies of the date-book and memorandum to the legislature for the 51 legislators and employees.

The Calendars were published by Builders last fall and were sold to students and alumni for \$1. They include pictures of the campus and University events.

1950 Calendar is now being prepared by Builders, under the direction of Nancy Porter, board member.

IM Department Names Softball Entry Deadline

All organizations desiring to enter softball must turn in their team entries not later than Monday, April 11, intramural director L. E. Means announced Wednesday.

The schedule will open April 20 at 5:00 and 6:30 and continue daily. Sites of the contests have as yet not been determined and will be announced later.

The games will be played under regular rules, except for length which will be six innings unless shortened by mutual agreement before the game starts. Spikes will not be allowed.

The present plan, if enough teams enter, calls for leagues, to be set up in six classifications. The tentative divisions: Interfraternity, Ag College, Independent, Denominational, Inter-Department and Dormitory.

The teams must have at least six men ready to play at game time or the game will be forfeited, and should furnish one competent umpire. They will alternate on the bases and behind the plate.

Trophies will be given to the winning fraternity and denominational teams and medals will be given to the winning independent team.

Quoting from the *Utah Daily Chronicle*—"Miss Genevieve Gert will enact the most difficult characterization of her career tonight as she plays the lead in 'The Virgin.' Please, is this libel per se?"
