

Husker Cindermen to Face KU in First Outdoor Dual

Kansas University will provide the opposition as Nebraska opens its home outdoor track seasons Wednesday afternoon. The first running event is scheduled to start at 3 p. m.

Nebraskans are favored because of a better balanced squad, but the Jayhawks will send several top individual stars after blue ribbons. Two top races appear to be in the 880 and two-mile events.

Pat Bowers, sensational Kansas half-miler formerly from Drake, will attempt to break one of the oldest marks on record, the 880 mark set by Glenn Cunningham in 1933. Bowers was Big Seven indoor champion at Kansas City, and expected to go great guns this spring.

Coach Weir will probably counter with Jim Martin and Harold Kopf, and may use quarter-mile Loyal Hurlburt or miler Bill Mountford.

The two-mile will give Esref "the Turk" Aydin a second shot at Kansas' ace Hal Karnes. Karnes was Big Seven indoor champion, while the Turk finished fourth. Karnes will attempt to double the mile and two-mile, but Coach Weir has decided to withhold Aydin from the four-lap event.

Hopes of a new record in the vault were dimmed by the injury to Leonard Kehl. Kehl sprained his ankle against Colorado Saturday and his actions may be limited. He has been over the 11-year-old record on several occasions.

The quarter-mile record may also go by the boards in the meeting between Husker Loyal Hurlburt and Kansas' Schutzel. The

present record of 49.5 seconds is held by former Nebraskan Robert Simmons.

Jim McConnell will compete in five events in Wednesday's meet. Big Jim will be warming up for the Kansas Relays decathlon. He will be entered in the various events as a test for the Kansas meet, Coach Weir said. McConnell is listed for the shot, javelin, discus, pole vault and, possibly, the mile.

The meet will also offer the first opportunity for Nebraska's sprint trio of Meginnis, Hutton and Thompson to show their wares against Big Seven opposition outdoors this spring.

Chief worry of Coach Weir is the lack of strength in the weights. Dick Pederit in the shot will be the Husker's only hope for a first. In the javelin, the Jayhawks will have the record holder, Bob Drumm.

Glassford to Hold Final Scrimmage

Coach Bill Glassford will send his Husker griders thru their final spring football scrimmage today at 4 p. m. on the freshman field.

Wednesday's scrimmage will be a game scrimmage similar to the one last Saturday. Coach Glassford is still worried about the play of the team as a whole in fundamentals such as blocking and pass defense.

Colorado Nine To Tackle NU This Weekend

Nebraska's defending conference champions will attempt to get back on the diamond victory trail this weekend as they travel west for a two-game series with the Colorado Buffaloes. On their southern trip the Husker nine won two out of five starts from their more seasoned opponents, who had the advantage of more workouts and games. The Husker's opener against Baylor was the 13th game for the Texans.

Coach Tony Sharpe has scheduled a non-conference game with Denver University next Monday in Denver following the Colorado series. Sharpe is also look-

ing for a pitcher to replace Jack Heimsing, who hurt his arm on the recent southern jaunt.

COLORADO came in fourth last year in the conference title race, but have a better team than their last year's standing indicates. The Buffaloes played only ten Big 7 games last year, winning four.

In the first Colorado game last year, the star Buffalo hitter, second baseman Bill Ley, broke his ankle and was out for the series. He is back this year and will probably be the main power at the plate for Colorado along with third baseman Fanning, who was a nemesis for the Huskers last year.

THE FIRST home games for the Nebraska nine will be April 22 and 23, when the Huskers will entertain the Kansas State Wildcats in a two-game series. All home games will start at 3 p. m. except for Saturdays, which will begin at 2 p. m.
