

HUSKER SPRINTERS FINISH in near dead heat in the 100-yard dash in the Missouri-Nebraska track dual. On the left is Al Thompson who was shaded out of first by teammate Harry Meginnis, third from left. Meginnis took a double victory as he romped to a win in the furlong event.

Top Contenders For Loop Crown Met Last Week

Four top contenders for the Big Seven track championship met in a pair of dual meets Saturday. Lincoln was the scene of a dual between Missouri and Nebraska, while Colorado tangled with Kansas at Lawrence.

The Missouri-NU meet was billed as the prelude of the Big Seven meet here May 20-21, but three other schools rate as dark-horses. Kansas, Colorado and Oklahoma have outside possibilities of an upset win. Their chances have been boosted by Nebraska's loss of sprinter Dick Hutton, and the ailing condition of Tiger distance ace, Bill McGuire.

A COMPARISON of marks in the two duals shows the Lincoln meet having the best performances in eight events with two even. Times in both meets were slowed considerably by poor weather conditions, as is clearly shown in the century performances.

Harry Meginnis won with a 10.3 clocking, and Big Seven indoor dash champion Don Campbell in 10.4. Equally close were their times in the 220, Meginnis with :22 and Campbell :22.1.

Hal Karnes of Kansas turned in the best two-mile mark of the season with a 9:31.2 clocking. Esref Aydin, Nebraska's Flying Turk, took the event with 9:52.2.

Minnesota Drops Cyclones 91-40

The Golden Gophers from Minnesota, 1948 NCAA track champions, set eight new records Saturday as the northern invaders dropped the Iowa State Cyclones, 91 to 40, in a dual track meet. The Cyclones picked up one record as they won the half-mile event.

Gopher record breakers were led by sophomore Byrl Thompson who set two records as he heaved the shot 50 feet and tossed the discus 165 feet. The other outstanding marks set in the dual were a 4:23.5 mile by Bill Schimmel and a two-mile time of 9:38 by Dick Kilty. Lee Hofacre turned in a good time in the low hurdles event with a record time of 23.9 seconds.

Temple of Colorado and Ault of Missouri were only two-tenths of a second apart in the 440, Temple with 49.8, and Ault with 49.6.

MARKS IN the field were generally poor, the best coming in the broad jump, discus, and javelin. Stovall of Missouri jumped 23 feet 1/2 inch, far short of the performances of Kansas State's Herb Hoskins.

Wayne Sees, Nebraska, won the discus with a creditable throw of 142-8. Dick Todd's throw of 197-10 in the javelin bested the 188-4 toss of Husker Dick Piderit, but Piderit has bettered Todd's try in previous competition.

Patton Breaks Existing World Sprint Records

Mel Patton, the University of Southern California's lanky speedster, bettered two world records Saturday in a dual meet against UCLA. Peil-mell Patton copped the furlong event in a new time of 20.2 seconds, shortly after he ran the fastest unofficial 100-yard time in history.

The 220-yard event time will be applied for a new world record, since the wind at the time was 3.3 miles per hour which is over a mile per hour under the limit.

With a 6.5 mile per hour wind at his back, Patton ran the century in a time of 9.1 seconds, which is two-tenths of a second under his own mark set recently. Seven timers caught Patton in the hundred. Two watches had him at 9.0 and five at 9.1.

Patton's record of 9.3 in the hundred was just okayed last week by the International Amateur Athletic federation.

In the Olympics last summer in London, Patton was a disappointing fifth in the century event but regained some prestige when he came back to cop the 200-meter race.

Lincoln to Play Host to State Cinder Meet

Memorial Coliseum will be host to the State High School Track and Field Championships this week end.

Class C and D Field event finals and the 880 finals in all classes will be held Friday, along with preliminaries in the 440, 220, and 100 yard dashes. Finals in the Class A and B field events and remaining track events will be held Saturday morning and afternoon.

Alliance leads the way into the state meet with 23 men, qualified a week ago in their district meet. Top competition is expected from Omaha Tech, Lincoln and Grand Island. Tech and Lincoln will depend on specialists in various events, while the Islanders have a well-balanced entry.

The meet may see two and possibly three state marks broken. In the spotlight will be Friday's half mile featuring Hobe Jones of Lincoln High, Jones bettered Bob Ginn's 880 record last year in outside competition, but failed in the Lincoln finals. He has gone the distance only three times this year, his most creditable effort being at the Beatrice Invitational. There, braving rain and cold weather, Jones came in with a

Horseshoe Finals To Start Tuesday

Playoffs in the horseshoe competition will start Tuesday, May 10, the IM department announced today. Play will start at 6 p. m. Tuesday with the Sig Eps meeting the runnersup in League 1 and Farm House going against the League I champions.

Wednesday at 5 p. m. the DUs and the Phi Psis will meet the winners of these matches and Thursday the finals will be played. Friday the fraternity winner will go against the independent winner for the All-university championship.

The broad jump record of 22 feet 10 1/2 inches, and the high jump mark of 6 feet 2 3/4 inches may fall under the spikes of versatile Irving Thode of Loup City.

Thode has gone 22 feet, 5 1/2 inches in the broad jump and bettered 6 feet 3 inches in the high jump this year. He won both events competing in Class B last season, but is entered in Class C this year.

Other top performances are expected from Bill Black of South Sioux City, and George Witter of St. Joseph's of Atkinson. Black, a sophomore, holds the best mark of the season in the pole vault, having cleared 12 feet 5 1/2 inches. Witter paces the field in the shot with a 51 feet, 7 inch heave.
