

**TOM NOVAK**, 206 pound center, has been named to captain the Huskers in the game with Minnesota. He will be opposed by Gopher Clayton Tonnemaker, 246 pounds. The two are selected among leading centers in the nation this year. This will be Novak's final appearance against the men from the Northlands.

## Fractured Ankle Benches Godfrey

Nebraska's chances for scoring an upset in Saturday's game with Minnesota, skidded farther downhill Wednesday.

Veteran tackle Jim Godfrey suffered a broken ankle while scrimmaging with the freshmen. Godfrey had recently been under consideration for a starting assignment in the traditional Minnesota-Nebraska clash.

With the loss of Godfrey the line weight of Nebraska as well as the tackle slots are in need of replacements.

Promotions were the thing with Coach Bill Glassford nominating Sophomores Dick Reiger, Rich Yost and Hurdler Ray Magsamen for starting positions following exceptional performances against South Dakota.

Reiger, center on last year's freshman squad, was shifted this year to end where he was impressive in the Coyote game last Saturday. On one occasion one of Reiger's blocks set off Don Bloom for the fourth touchdown.

**Yost for Adduci**  
Nick Adduci, last week's starter, has been replaced by Yost who should add power to the backfield. He displayed plenty of speed on his end runs in the Sodak encounter. Adduci has been in only light workouts because of bruises received in the opening game.

Fleet trackman, Ray Magsamen will team up with Reiger as end of the first offensive unit. Magsamen caught an end zone pass from Del Weigand in the final seconds of the South Dakota game.

Injuries are still hampering Bob Schneider and Ralph Damkroger, last week's starters. Schneider re-injured his back and has been only good for limited action while Damkroger is slowed down by bruises.

**Voils, Minnick—out**  
Only two varsity players will be out for sure, Cecil Voils, Lincoln end, and Don Minnick, Fairbury tackle.

With the weights definitely favoring Minnesota the Husker outfit might well be expected to put up a defensive fight, but according to Glassford the team will be out to win.

Don Bloom, who scored twice against South Dakota, will be in the second string outfit for Nebraska. Groomed for either left

or right half, Bloom was moved to left half this last weekend. At only 149 pounds Bloom could easily find himself the lightest player on the field when the giant Gophers come out on the field.

The 21-pound per man advantage in the first string and the 20-pound advantage in the second string is a hard thing for any team to overcome. However, the Scarlet can be counted on to play with a lineup averaging 195 in the line and 170 in the backfield. The chart:

| First Lineup |     |      |               |
|--------------|-----|------|---------------|
| Nebraska     | Wt. | Pos. | Wt. Minnesota |

## Capacity Crowd To See Minnesota

Business Manager A. J. Lewandowski expects a capacity crowd of 38,000 football fans to witness the 31st Golden Gopher-Cornhusker fray Saturday afternoon in Memorial Stadium.

Lewandowski issued a warning to "come early if you want to see that first kickoff," as the game starts at 2 p.m. "Lew" pointed out that since the Department of Intercollegiate Athletics has taken over the concessions, it is no longer necessary to grab that last second lunch before reaching the stadium.

### Service Better

It was generally agreed between the 27,000 (app.) spectators at the Sodak game last Saturday that the service was much better and that sandwiches, coffee or cold drinks along with popcorn, candy bars and seatbacks, provided all the comforts of "ye old rockin' chair."

Even though Nebraska has won only four games in their series

with the Minnesota "Paul Bunyons," the game still carries national importance. Two newsreel cameras will record the game and

WOW-TV of Omaha will telecast the game direct from the stadium. KMA-TV will photograph the game to be telecast Monday night.
