

# Andy Bunten Rallies to Cop IM Tennis Championship

Andy Bunten, Sigma Nu, put on a tremendous finish to outlast Walt Weaver, Phi Delta Theta, in the finals of the intramural tennis singles, 3-6, 6-4, 6-3.

Weaver outclassed Bunten in the first set and played faultlessly until the last set. The blond Lincoln freshman was somewhat hampered by broken strings in his racket but performed well under the handicap until changing rackets.

Sparkling serves and fine net play by Bunten, a sophomore in pre-med from Cheyenne, Wyo., proved to be the margin of victory in the long match.

In semi-final matches, Bunten won 6-3, 6-3, over Jeff Delton, seeded first in his bracket, while Weaver was whipping fellow Phi Delt Tom Brownlee, 6-0, 6-4.

Weaver was seeded second in the other bracket.

Bunten and Weaver, easily the standout players in the meet, also participated in the final doubles match. Weaver and Jim Lyle came out on top in this argument, beating a Sigma Nu team made up of Bunten and Dick Svoboda.

The team scoring was a race between the Phi Delt and Sigma Nu all the way with the Phi Delt clinching the trophy in the semi-finals of doubles play.

This too was a two-fraternity race with two teams from each of the frats entering semi-final matches. The trophy winner was decided when Weaver and Lyle beat Bob Rogers and Bob Hinde, the other Sigma Nu doubles entry.

Both Bunten and Weaver plan to make their bid for the tennis

# Meginnis Moves To Starting Berth

Harry Meginnis, Nebraska's answer to increased speed in the backfield, has been selected to start at fullback in the Missouri-Nebraska game which will be played in Columbia Saturday.

Meginnis 160-pound Big Seven outdoor sprint champ of 1948, worked out at fullback positions Tuesday in scrimmage with a backfield that consisted of Kenny Fischer, quarterback, and Bill Mueller and Ron Clark, halfbacks.

### Mueller To Start

Mueller, who has been sidelined by the flu, will be able to start Saturday.

Another flu victim is Del Wiegand, one of the Cornhusker quarterbacks, who has completed 3 out of 7 tries for a net yardage of 33 yards this year. One of the passes was for a touchdown against South Dakota. Wiegand will definitely not make the Missouri trip.

All the changes in the Husker backfield were brought about by the poor showing by the backs in the last two games. Nebraska's running attack was held to a total of 14 yards against Penn State and Oklahoma.

The backs did slightly better in the Penn State encounter with 10 yards from scrimmage while in the Sooner clash they were allowed but 4 yards from scrimmage.

### Mullen at Tackle

However, the backfield wasn't the only place where changes were made, for the line also suffered some revisions.

Charley Toogood, veteran tackle from North Platte, has a new running mate in the other tackle slot in the person of Bob Mullen, who was moved over from the center spot. The rest of the line has Ralph Damkroger and Dick Regier, ends; Walt Spellman and Art Bauer, guards, and Tom Novak, center.

Holding down the second string

positions Tuesday in scrimmage were Frank Simon and Tracy Busch, ends; Herb Reese and Dick Goeglein, tackles; Mike DiBiase and Rex Hoy, guards; Joe McGill, center; Fran Nagle, quarterback; Don Bloom and Rich Yost, halfbacks, and Nick Adduci, fullback. The Nebraska ends must find the Tiger Split-T to their liking as they will be the ones that will have to slow the Missouri backs down to a slow walk.

With their trigger fast starts, the Missouri backfield of Glorioso, Braznell, Carter and Klein, are a four-touchdown favorite over the Huskers.

### Clark Bright Spot

Bright spot in the Cornhusker camp is the running of Clark, scatback of the Cornhuskers, who has been improving his punting ability. He has kicked 17 times for 623 yards for a 36.6 average per try. Clark also leads all the other Husker backs in the punt return and the kickoff return department.

Mueller continues to be the main driving power in the Husker offense. The stocky halfback has carried the ball 69 times in five games, racking up a total of 279 net yards. He averages a respectable four-yard per try figure.

In all games played it is the Cornhuskers all the way with Nebraska having won 24 games out of a possible 42. Missouri is on the short end with 15 victories and three of the games ended in ties. However, the last Nebraska win was way back in 1944 when the Huskers rolled to a 24-20 win at the expense of the Tigers.
