## Civil Service Applications Due Nov. 30

Dr. T. J. Thompson, chairman of the committee on occupational placement, yesterday urged all engineering students who wish to apply for Civil Service positions at grade GS-5 through GS-7, to do so today.

All applications must be received in the Eighth Regional Office and Customhouse Building, St. Paul, Minn., before the close of business Wednesday, Nov. 30, 1949.

"The Central Board of Civil Service Examiners, Bureau of Reclamation, Denver Federal Center, Denver, Colo., will issue a new announcement in December, 1949, for Engineering Aid, GS-5 through GS-7, which will require a written examination. Applicants desiring early consideration for employment with the Bureau of Reclamation should file application on or before Nov. 30, 1949, under the examination announcement which is currently open and which does not require a written test."

## IVCF to Hear Lecturer Speak

Bob Finley, boxing champ and world traveler, will speak to the Inter-Varsity Christian Fellowship group Tuesday evening at 6:45 in Union Parlor A. This lecture will follow an IVCF dinner held in this parlor at 6 p. m.

The Tuesday evening meeting is first in a series of three lectures to be given by Finley at the University. On Wednesday evening he will speak in the Foods and Nutrition building at Ag college at 7:30. Thursday evening he will speak in Room 315 of the Union at 7:30 p. m.

career with brother Tommy, another big name in the orchestra business. When a flare-up split them, they both organized their own bands. Through engagements, records and movies, both Dorseys hit the top of the music competition, famous as "JD" and "TD."

Dorsey calls his present outfit "the best band I've ever had working with me." He says it's "the most danceable and most entertaining orchestra that I've ever taken on tour."

## Don't Cry, Joe . . .

One of your big worries about Christmas vacation may be over.

Dr. Rosenlof, as secretary of the Faculty Senate, will recommend to that august group an extension of the Christmas holiday season to Jan. 3 instead of until Jan. 2 as scheduled in the University calendar. For many reasons, we hope the Senate decides to delay the students' return by one day.

1. Monday, Jan. 2, will be a legal holiday since New Year's falls on a Sunday.

2. Students who live far from Lincoln, say over 500 miles, will necessarily have to leave home Saturday, Dec. 31, to get to Lincoln in time for Monday morning classes. Thus they will miss most of a week-end and New Year's Day at home. And, incidentally, few will be able to listen to the bowl games.

3. If classes are to begin Monday, we predict a low attendance rate as far as students are concerned. And of those who do attend, we expect to see a good number of worn-out characters among both the students and the faculty.

We heartily endorse the action to extend Christmas vacation to Jan. 3.

## Livestock Team Wins Second in Chicago Meet

Nebraska's senior livestock judging team placed second in the International Livestock Judging contest in Chicago Saturday.

The team, composed of Gervase Franke, Robert Eggert, Art Strumpler, Donald Popken and Stanley Lambert, placed first in sheep judging, third in horses and fourth in cattle.

Franke, an Ag senior, was third high individual of the contest. He missed first place by only 3 points out of a possible 1,000. He was also fourth high individual in sheep judging.

Other members of the team who ranked high as individuals were Lambert, who was fourth in cattle and Strumpler who placed seventh in hog judging.

Nebraska also won the sheep trophy. This trophy is awarded to the team which places highest in sheep judging for the entire contest.

The students, accompanied by their coach, M. A. Alexander, left Lincoln last Friday and will return home today. Teams from 34 universities participated in the contest, which was won by Purdue.

## M.B.'s Present Sequel to Lyrics

He's really tops  
And we're sure that's what you'll say,  
When the Mortar Boards give you

The great—Jimmy Dorsey.  
At last a sequel to the previous lyrics that have appeared in this paper and on campus in different places, has been devised by its originators, the Mortar Boards.

The past poetic contributions have been designed as mysterious hints. However, the M.B.'s promise that if you hadn't already guessed what the riddle is all about, these few hints have cleared things up.

## Prof. Confesses Red-head Mania

All red-headed students who are interested in the advancement of science should report to Prof. Whitney, 125 Bessey.

As part of a study of human inheritance, Prof. Whitney is interviewing redheads and measuring the thickness of the skin on their hands.

The business is not without compensation, however. Each student may collect 50 cents for contributing an interview.
