

Jespersen Hits 30 Points To Lead Panther's Attack

BY JERRY WARREN.

Norm Jespersen, Iowa State Teachers forward, gave the University of Nebraska cagers a rough battle for 53 minutes last night.

The six-foot four-inch senior scored 30-points, 21 in the first half, and kept the Panthers in the game up until 13 minutes of the second half as the Cornhuskers outlasted the Iowa team, 60-54.

Jespersen missed only two shots from the field before intermission. All of his shots the first half were on one-handed set shots from the left side of the floor.

Duo Score

Jim Ludeman, 6-5 center, and Jespersen scored all but one of the Panther's 32 points in that hectic first half.

The lead changed hands 12 times the first half and the ball game was tied 17 times during the evening.

Baskets by Bob Gates, Bus Whitehead and Joe Malacek gave the Huskers a 7-4 lead with two minutes gone in the game and that was the greatest margin attained by Coach Harry Good's men until they pulled away from the tiring Panthers late in the quarter. Whitehead's hook shots and long tallies by Joe Brown managed to keep the Husker score close to that of Jespersen. The Panther scoring ace averaged more than a point a minute the first 15 minutes. He slowed down in the closing minutes of the first half, however, and only tallied one free throw.

Good changed his defense somewhat in the second half and held the point maker to 9 points.

Whitehead, Brown Good.

Whitehead kept his scoring eye in the second half and wound up as high man for the Huskers with 15 markers, his largest total for the year.

Brown was the main Nebraska threat on defense. He and Joe Malacek kept Jespersen in tab most of the last quarter. The 6-0 Nashville, Tenn., guard also had the distinction of being the first Husker cager to foul out of a ball game this season. He left the game with 38 seconds remaining. Until that time he had not been relieved.

Huskers Rebounding.

The Cornhuskers controlled the majority of rebounds from both boards. Good had his tall platoon in most of the game. This squad included Whitehead, 6-9, at center; Bob Pierce, 6-6½, and Joe Malacek, 6-5, at the forward posts and Brown, 6-0, and Jim Buchanan, 6-0, playing guards. Tony Lawry, game captain, alternated with Malacek.

Buchanan, Whitehead and Pierce spearheaded the attack that left the undermanned Panthers behind in the last seven minutes. Buchanan, sophomore from Fort Wayne, Ind., performed well against the pressing Teacher defense. "Tricks" finished the game with 9 points.
