of the Atomic Energy Commis-  
fellowships in the biological and  
agricultural sciences and Nebras-  
ka chairman of the Abraham Lin-  
coln Friendship Train in 1948.

Swedish Honor

In 1948, the Swedish govern-  
ment knighted him with the  
Order of the North Star, third

highest honor of the nation, for  
contributions in the fields of sci-  
ence and education.

Tom Novak, student choice for  
the award, is being saluted as a  
great athlete as well as a great  
Nebraskan. His spirit and ability  
as a Cornhusker football player  
have won him high praise from  
many people throught the coun-  
try.

Novak's hard, clean play and

excellent sportsmanship have im-  
pressed themselves upon the  
youth and elders of the state  
and nation. In his senior year,  
he was one of the main factors  
in Nebraska's first satisfactory  
football season since the war  
started.

Novak's gridiron ability has  
been recognized many times. He  
was awarded the Pop Warner  
Foundation's "Player's Player of

the Year Award" in Philadelphia  
after the 1949 season. And he  
was placed on the INS '49 All-  
American first team as a defen-  
sive center.

Coach Bill Glassford honored  
Novak by naming him permanent  
captain after the first few Hus-  
ker games. He was also chosen  
on the all-conference team for the  
fourth consecutive year.

Novak's athletic abilities do not

end with football. He was the  
Big Seven's leading hitter and  
home run producer during last  
spring's baseball season.

The two outstanding Nebras-  
kans will receive citations from  
the Daily Nebraskan in the near  
future. The citations are expected  
to become a regular feature of  
the Rag each semester.
