Pre-meet scoring as seen by The Daily Nebraskan gives the Huskers a slight 7-12 of a point edge over Tom Bott's Tigers but

anything can happen and prob-ably will. The biggest IF in the dope sheet is Missouri's Bob Schuster. Schuster placed second in the quarter-mile and third in the 60

yard dash in last winter's league meet but has been sidelined with a pulled muscle since the Missouri-Notre Dame dual meet.

Schuster did not compete against the Cornhuskers or against Kansas last week but should be able to go in the indoor carnival he could play hob with the dope sheet and Nebraska's chances for a second title.

Another stumbling block is the host of sophomores competing this year. Charles Colman and Jerry Meader, Oklahoma quar-ter-milers, Byron Clark, Chuck Schrank and Harold Carter of Missouri, Herd Semper of Kansas and Lae Moore of Nebraha and Lee Moore of Nebraska are among those first year men picked to place. Lack of com-

petitive experience, especially on the Kansas City boards, may spell trouble. The 60 yard dash and high and low hurdles could decide the meet. The possibility of pulled muscles, false starts, bad starts

or hitting hurdles is never out of the picture. Nebraska should score heavily in both hurdle races with sea-soned timber-toppers Bob Berk-shire, Ray Magsamen and Bill Moomey and sophomores Wendy

Cole, Don Bedker and Bruce Engle, Always, however, the IF. The meet should be a two-team

race between Missouri and Ne-braska with Kansas and Oklahoma fighting it out for third. Kansas State and Colorado have individual performers but are short on team depth and Iowa State will be lucky to score. The Nebraska team will leave

for Kansas City by bus early Friday morning. Weir will name his 22-man traveling squad later in the week.

Spring Football Practice Begins, Workouts Heavy

BY BOB BANKS.

The familiar crys of "block that man" and "snag that pass" will soon ring out over Cornhuskerland again. February 27, finds spring football practice going full steam ahead.

Head Coach Bill Glassford will be starting his second year of spring football practice for Nebraska.

Glassford's fondest dream is that "the 12th man in the lineup," the unpredictable Nebraska weather, will be on his side this year.

Last year's drills were greatly hampered by the damp ground. However, the squad can get in a lot of good licks on the indoor practice quarters which were completed in time for the spring practice session if the weather gives too much argument.

Coach Glassford wants to weed the squad out in the next six weeks and get them into condi-tion for the training period at Curtis next August.

He wants to find out exactly who will make the trip to Curtis. BY JO SCHROYER Of the twenty-seven teams Last year he took along several men who either weren't of high enough caliber to play college football or else didn't have the that entered the women's in-

Knorr said he had been snowed with requests from Ucbraskans wailing to see the contest, which now shapes up as the title game in the Big Seven Conference race.

Pioneer Co-op captured its fifth basketball win of the year over the weekend by dropping Acacia, 38-16, and thus taking is center Tom Novak. However, a good share of lettermen plus I, it was the sixth loss for Acacia

Bob Karnes, Kansas captain, will be out to break the mile record set by Bob McGuire of Missouri last year and with McGuire and Bill Jacobs in the race a record could be set.

Don Campbell could tie or break his :06.2 60 yard dash record and Bill Carroll may break Leonard Kehl's pole vault record. Kehl set the record at 13-11 last year. Carroll has cleared 14-34 this season.
