

FRAN NAGLE... will again direct the vaunted Husker offensive machine in the final home appearance against the Iowa State Cyclones. His ball-handling and passes have given the Huskers a big boost.

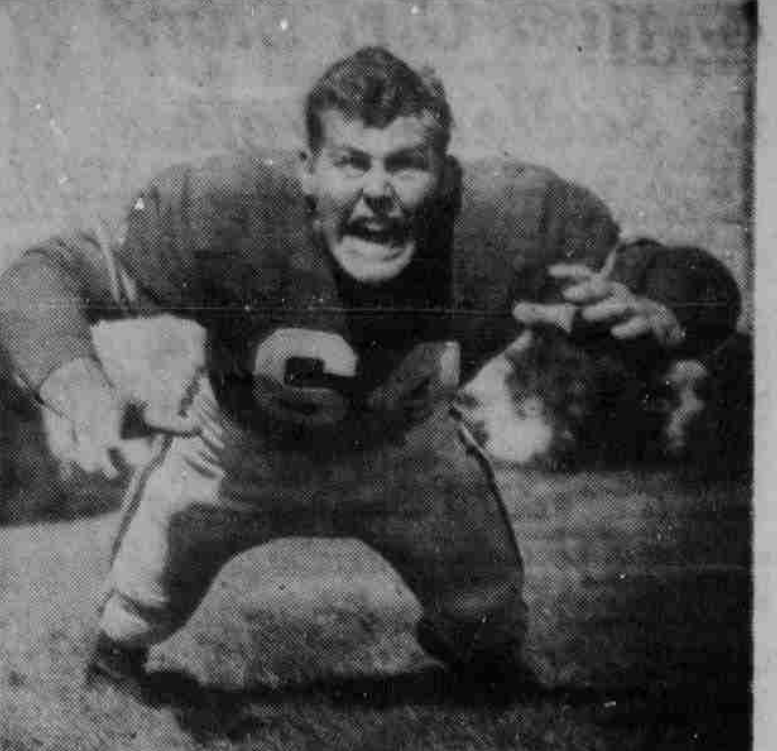

JIM LEVENSKY operated with the first string defensive unit in drills Wednesday after his fine showing against Kansas State.

HYLE THIBAUT... was praised by Husker coaches for fine performance on defense in last Saturday's tussle with K-State.

JIM SOMMERS drew a lot of praise from Coach Glassford for his showing against the Wildcats last Saturday.

CHARLEY TOOGOOD... will see both offensive and defensive duty against Iowa State Saturday. His blocking and tackling have been vicious all year and directly responsible for the Huskers' success in the line.

Huskers Drill Defenders Rank Second in Rushing

It was work, work, work for the Nebraska Cornhuskers Wednesday night as Coach Bill Glassford hurried them along in preparation for the Iowa State Cyclones which invade Lincoln Saturday for the 1950 home finale.

As was expected, the Husker defensive men drew the brunt of the load during the afternoon drill. And pass defense was particularly on the Scarlet agenda. With passing Willy Weeks expected to throw more passes than have ever been seen in Memorial Stadium Saturday, Coach Glassford realizes that his men must overcome this one big weakness.

Punting plays also on tap for the defenders. With a double safety, something new to Husker football this year, the varsity worked on blocking in an effort to spring the punt receiver loose. Ron Clark and Bob Reynolds formed the double safety post. Both men are slated to perform on both offense and defense against the Cyclones as is Charley Toogood at tackle.

The Huskers climbed to second in the nation in the rushing department after last week's performance. The Scarlet offense has now an average of 351.3 yards per game only six yards per game behind first place Arizona State of Tempe. The Huskers replaced Princeton in the number two slot this week. The easterners have a per game average of 345.6 yards.

The Big Seven had three outfits in the top 15 teams of the country in rushing. Kansas ranks as the number five team with an average of 300.8 yards and Oklahoma is the tenth team with an average of 280.6 yards. Nebraska is the number four team in total offense with 438.7 yards ranking behind Arizona State, Princeton, and Loyola of California. In this department, Oklahoma is ninth and Kansas 13th.

Princeton's all-victorious outfit leads the nation in scoring with 31.4 points per game. The Huskers have averaged 30.0 points per contest.

Volleyball Playoffs Begin Tonight; Cosmos Perfect

Regular league play in Intramural volleyball ended last night with only three league champions being crowned before the last day of play.

Cosmopolitan Club clinched the League V title and moved into the playoffs with a perfect 18-0 record and the Lutherans won League IV with a 13-2 record.

Brown Palace and Sigma Alpha Mu reign as League II co-champions with identical records of 15 wins and 3 losses. The Sammas had to defeat the Palaces two out of three in the final match of the season to gain a share of the title. The scores were 15-8, 4-15, and 15-6.

In the battle for third place in League III, Farm House bested Delta Sigma Phi two out of three games, the scores being 15-5, 3-15, and 15-5.

Theta Xi Wins
Still in League III, Theta Xi took the measure of Pioneer House, winning two out of three. The victory gives the Theta Xi's a 6-12 mark, one game above Pioneer House's 5-13 record. Zeta Beta Tau holds down the cellar position with a record of 1 win and 17 losses.

Phi Delta Theta forged into the lead in League I, copping three straight from Alpha Tau Omega by scores of 15-6, 15-8, and 15-9. The ATO's were also defeated two out of three by Sigma Nu, the scores being 15-9, 15-13, and 7-15. The losses dropped the ATO's into a last-place tie with Phi Gamma Delta. The Fijis lost two out of three to Sigma Alpha Epsilon. The scores were 15-9, 13-15, and 15-10. The win upped the Sig Alphas into a third place tie with Sigma Nu. The Sigma Nu's, first last week, ran into an improved Delta Upsilon team, and failed to win a game. The scores were 15-7, 15-2, and 15-2 in favor of the DU's. The victory moved the DU's into second place.

Sig Eps Share
Sigma Phi Epsilon still rides atop League II standings, but finds itself sharing the lead this week with Phi Kappa Psi. The Sig Eps demolished a Beta Theta Pi team, 15-1, 15-6, and 15-6 while the Phi Psi's gained a for-

feit win over Delta Tau Delta. The Deltas dropped two out of three to Beta Sigma Psi and find themselves in a fifth place tie with the Beta's. The scores of the Beta Sig-Delt game were 15-6, 10-15, and 15-0. The Beta Sigs also dropped Sigma Chi two out of three, winning by scores of 14-16, 15-11, and 15-12. The victories enabled the Beta Sigs to remain in third place in league standings.

The Sigma Chi's also dropped three to Alpha Gamma Rho by scores of 15-8, 15-6, and 15-7. Sigma Chi thus inhabits the cellar spot.

Limited Action
League V saw limited action last week, most teams having completed their schedules. However, three games were played, all three affecting the playoff picture.

Cornhusker Coop assured itself of a playoff spot with two victories, both being two out of three wins, one over the Europeans and the other over Nebraska Coop. The scores of the Cornhusker Coop-Europeans match were 14-6, 15-0, and 15-9. Against Nebraska Coop the scores were 15-13, 5-15, and 15-6. The double win boosted Cornhusker Coop into second place in league standings. Europeans remain in sixth place, one game ahead of last place Nebraska Coop.

Presby House saw the most action in League IV, winning two out of three from Methodist House and Newman Club, and losing three to Ag YMCA by forfeit. Presby defeated the Methodists 15-4, 11-15, and 15-4. The scores of the Newman Club game were 15-13, 15-0, and 7-15 in favor of Presby House. The 4-5 record for this week's play left Presby House in fourth place, assuring them of a playoff spot.

Last Place
Methodist House is in last place with a record of four wins and eleven losses. Lutheran Student House picked another victory in play this week, defeating Baptist House two out of three games. The scores were 15-12, 15-3, and 13-15. This gives the Lutherans the League IV title. Baptist is in second place, with Newman Club dropping to third.

Reynolds Holds Third in National Rushing; Near 2nd

Bobby Reynolds continued his hold on the number three position and neared the number two spot among the nation's leading ball carriers in the rushing department this week. His 141 yards against the Kansas State Wildcats last Saturday boosted his season total to 1,151 yards which is only 61 yards behind second place Johnny Bright from Drake.

Wilford White of Arizona State of Tempe is still leading the pack with 1,272 yards, only 121 yards ahead of Bobby.

Reynolds will have a fine chance to move into second place this week, because Bright's season has been completed.

Bright, however, is leading the total offense column which takes both passing and rushing yardage. Bright's total of 2,400 is a new national record eclipsing the old mark set by Frankie Sinkwich of Georgia in 1942.

Rates 12th
Reynolds rates 12th in the total offense in the nation with only 42 yards by passing to add to his rushing total.

Bill Weeks of Iowa State, who will be leading the attack against the Huskers this Saturday, also rates high in national figures. He is fourth in passing and also fourth in total offense.

Back in the rushing department, although Reynolds is pressing for second position, he cannot relax and hope to keep among the top three. Bob Smith, Texas A & M fullback, roared to 297 yards in A & M's victory over Southern Methodist last Saturday. That total boosted his yardage to date to 1,124, only 27 yards behind Reynolds.

Smith's performance is termed the greatest ever performed against a major opponent.

Other Big Seven players to

BOBBY REYNOLDS 1,151 yards

place among the leaders besides Reynolds and Weeks are Wade Stinson and Charlie Hoag of Kansas and Zach Jordan of Colorado. Stinson is fifth and Hoag fifteenth in rushing while Jordan is 19th in total offense.

Chisox Want Boudreau

The Chicago White Sox want ex-Indian Manager Lou Boudreau. The lowly Chisox announced today that they would offer Boudreau a salary of \$45,000 to join the club as a reserve infielder or pinch hitter for 1951.

"If Boudreau consents," said General Manager Frank Lane, "We think he will be worth that much to us next year. If he is waived out of the majors, he will get his unconditional release. But at least, we want to huddle with him and get a chance to offer to pay three-fourths of his Cleveland salary to obtain him."

Under the waiver rule, a veteran of ten years or more cannot take more than a 25 percent cut in salary. Boudreau's reported pay at Cleveland was \$60,000 to \$65,000 yearly.

The Indians have filed for an unconditional waiver on the star shortstop who has a standing offer to join the athletic staff.
