

Vogt, Decker, Kennedy, Cederdahl Considered As Possible Replacements For Bob Reynolds

Like Vogt, Novak was considered a fullback candidate. Primarily a passer in high school, he has nevertheless developed into a potential power runner under the tutelage of Hanscom and Glassford.

Thayer has notched himself a place on the Husker varsity, and he could be the grider to replace Reynolds.

During the Curtis training stint, Carodine worked his way into the starting backfield along with

apendicitis operation, Vogt is expected to be going at full speed before long. In spite of his heavy build, Vogt is reported to be plenty fast with a football under his arm.

Likewise, Decker was being groomed for another position as defensive quarterback. Not nearly as large as Reynolds, Decker has nevertheless proved to be a clever, shifty back. In addition to his defensive duties and possible replacement of Reynolds, Decker will also serve as conver-

Reynolds, Bortogna and Adduci. But the general shakeup in personnel caused by Reynolds' injury may force Carodine to take over at left half. It is still believed that Reynolds will be out from four to six weeks, though the cast on his injured shoulder is scheduled to be removed in a few days.

on Sept. 29 against TCU, according to Glassford. Bill Glassford has a problem. And although he has a thorough education, was a great football player and is a good coach, Glassford still cannot solve his problem.

Kennedy, is proving to be a good, steady player who can come through. What he lacked in press clippings to cement his reputation, the Beatrice sophomore has been making up for with solid performances. After dropping 17 pounds at Curtis, Cederdahl has been exhibiting flashes of the running which made him All-State in high school.

Fire Away

BY CORK BIEMOND Sports Staff Columnist

Native Nebraskans are lucky people; they will enjoy one of the finest years in the history of this state for Upland game hunting.

In spite of the high costs of ammunition, it appears from pre-season estimates that there will be in excess of 200,000 hunters in the fields at the start of pheasant season on October 26, 1951.

Many of the gang have been out in the fields sharpening up the old eagle-eye on the doves, season on which started September 1, and continues through Sept. 30.

Latest reports are that these choice morsels are really delicious for an evening repast. Special emphasis is placed on the waterfowl season which precedes the pheasant season by one week, starting October 19 and through December 7th.

However, the northwestern section of the state is enjoying an open season this year on grouse (Sharp Tailed & Prairie Chicken), which the balance of

the state doesn't participate in. Some of the more wolfish students have been laboring under delusions that it is always open season on quail; however, the kind that are winged will be hunted only a short space of twenty-five days in the southeastern part of the state starting November 1st.

A visit to the State Game and Forestation Commission at the State house informs us there will be additional wardens in the field to swoop down upon those unfortunate individuals who would violate the sacred code of the true sportsman by wasting our natural resources or committing other infractions of the regulations which are set up for the benefit of all nimrods, present and future.

Last Saturday morning there were 1200 lucky persons whose numbers were drawn in a ("legal") lottery to obtain a deer license in this state.

Of a total of 7218 licenses applied for, this gave Mr. Average Hunter a 1 in 6.5 chance of shooting a deer this year under Nebraska's rules, assuming of course that he is successful in hitting his deer after first having obtained the legal permit.

Nebraskans are indeed fortunate in their natural resources because even South Dakota, which was once considered the Mecca of pheasant hunters, allows only three birds per day for a short season.

Brian Hendrikson

Freshmen To Play Major Role In Weir's Track Plans

By Marshall Kushner Assistant Sports Editor

All students interested in going out for varsity track have been asked to check out their track equipment tonight in the Fieldhouse between the hours of 7 and 8 p.m.

Interested students are urged to bring their copies of the university physical examinations they received upon entering the school. This will be necessary unless the student can otherwise prove that he is physically fit.

To save wear and tear on equipment manager Floyd Boto-roff, who has been kept extremely busy with the football squad hopefuls are asked to come at the appointed hour.

Coach Weir will be counting heavily on his freshman participants this year, with only nine lettermen returning for competition. Last year, only 4 lettermen returned. However, the fine crop of sophomores bolstered squad depth and strength.

"Squad strength depends upon the new men," said Weir. The fact that squad doesn't appear to have too many blue ribbon winners does not seem to distress the former grid great too much. He points out that many boys lettered last year who did not win a first place.

The record books also show that the University of Nebraska won the Big Seven indoor track meet with only two first places. This is added proof of the importance of second and third

place winners.

Weir failed to comment about the squad's conference chances this early in the season. He did suggest that the freshman conference postal meet might serve as some indication of what's ahead for the cinder season. Oklahoma won the frosh meet in a walk-a-way.

Weir will have 12 freshman numeral winners returning from last year's frosh squad. Freshman flashes this year that will aid the squad potentially are Brian Hendrikson, Hopyy McCue and Bobby Fairchild.

Veteran Umpire, Bill Klem, Dies

William J. "Bill" Klem, baseball's famous "old arbitrator," is dead.

The veteran umpire, who was 77, died of a heart and kidney ailment in Doctor's hospital in suburban Coral Gables Sunday. His wife, Mable, is his only immediate survivor.

She was with him when he died.

Sharpe Team Starts Drills

While the New York Yankees and the Cleveland Indians are hitting their hearts out for the American league sweepstakes, Nebraska baseball coach, Tony Sharpe is allowing no grass to grow under his feet.

Sharpe has extended an invitation to all students interested in baseball to a meeting Wednesday night at 5 p.m. in the Coliseum. The invitations includes upperclassmen and freshman players, since frosh are eligible for varsity competition.

This will be the second fall baseball practice that has been held here at Nebraska. After fall practice, Coach Sharpe plans a few months layoff and then the team will report for indoor drills in the fieldhouse at the beginning of the year.

Lost from last years squad which finished second to Oklahoma in the conference will be John Rego, Bill Fitzgerald and Bill Jensen, who takes over the Lincoln high baseball reins.

An important pair of the varsity battery will be lost to the armed forces this year with Del Kopf, ace Lexington hurler, off to the air force and Bob Loh-

Matmen To Take Physicals; Fifty Frosh Check Out Football Suits

Good News! Wrestling season is here again. Coach Al Partin of the wrestling team is beginning to get the boys ready for another wrestling year.

Craft Shop To Open '51 Season Tonight

The Union craft shop will open Tuesday at 7 p.m. in the basement.

Mrs. Ruth Colman will instruct students in leather work and textile painting. Some of the other crafts taught are gimp braiding, figurine painting, wood burning and simple sheet plastics work.

The shop will be open every Tuesday and Wednesday from 7 until 9 p.m. Twenty-eight meetings are possible before Christmas. Students often use the facilities for manufacturing gifts of belts, gloves, lamps and handbags.

The classes are geared to help both the novice and the experienced craftsman. Classes for beginners may be arranged if the demand is sufficient.

Reynolds Named Treasurer of AUF

Stuart Reynolds has replaced Gene Johnson as treasurer of AUF. Reynolds, former assistant treasurer, was appointed by the AUF executive board. Harland Wieder-span will serve as Reynolds' assistant.

Reynolds is a Corn Cob, alternate cheerleader and a member of Beta Theta Pi.

These preparations include orthopedic physicals and the issuing of equipment. Some of the boys will be given their physicals tomorrow night in the N.U. Field House.

Since Coach Partin is helping head football coach Bill Glassford, the Rev. Alvin J. Norden, of the present time, he will be unable to be with the boys, but he has instructed the wrestlers to start light work outs so they can get into top physical condition for the coming season.

Coach Partin is somewhat pessimistic as he lost some of his top flight team members last year including Herb Reese, Big Seven wrestling champion in the heavy weight division this last year.

Reese won the 175 lb. division for 2 years straight and then won the heavy weight his last year in school.

Harold Gilliland, Big Seven champion in his junior year, was graduated this June with Reese.

Wrestlers like Love Caniglia, and Bobby Russell, who were instrumental to the success of the wrestling team, were graduated from Nebraska along with Reese and Gilliland.

But, as wrestlers go, they also come. Some of the high school wrestlers of the state have come to Nebraska to see what they can do for the team. These boys will need some polishing before they will be ready for Big Seven competition.

Gol Tourney On Saturday

BY DOUG WILCOX Sports Staff Reporter

Charles Miller, physical education director, has requested all intramural team managers to attend a meeting tonight at 7 p.m. in room 101 of the Physical Education building.

Although he believes the field will be ready for use next fall, Higginbotham asserted that the young grass could be ruined this fall if students play on it.

He further said that complete schedules for 1951-52 intramural sports will be out either Tuesday or Wednesday.

Also concerning intramurals, Ed Higginbotham, intramural director, has asked all students to stay off the new practice field just east of the Military and Naval Science building.

Although he believes the field will be ready for use next fall, Higginbotham asserted that the young grass could be ruined this fall if students play on it.

He further said that complete schedules for 1951-52 intramural sports will be out either Tuesday or Wednesday.

Qualifying rounds will be played from 7 to 8 a.m., and Miller emphasizes that all participants must qualify during that time. No late entries will be allowed to compete in the tourney.

Soos Knock Cardinals Out Of Western Playoffs

The Sioux City Soos have taken the Western league pennant-winning Omaha Cardinals right out of the post season playoff picture.

In a 10-3 runaway, the Soos showed the champs that anyone can play baseball. Denver and Sioux City will begin the second half of the playoffs for the Western league Governor's cup.

Campus Interviews on Cigarette Tests

No. 22...THE WOODPECKER

Woodrow almost bit off more than he could chew when he tackled the cigarette tests! But he pecked away 'til he smoked out the truth: Such an important item as mildness can't be tossed off in a fleeting second! A "swift sniff" or a "perfunctory puff" proves practically nothing! He, like millions of smokers, found one test that doesn't leave you up a tree.

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a day-after-day basis. No snap judgments! Once you've enjoyed Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why... After all the Mildness tests... Camel leads all other brands by billions
