

Husker Trackmen Bump Missouri; End Drouth

The Nebraska track team broke a victory drouth of seven years when they defeated the University of Missouri in a dual meet Saturday, 59 1/2 to 49 1/2.

The meet produced no new meet records, although some very fine times were clipped off by members of both squads. The Tigers took seven first places to Nebraska's five. It was the Cornhusker depth that truly paid off for Coach Ed Weir.

The highlight of the meet was the thrilling two mile run. Coach Weir "nicked Clayton Scott at the last minute" to run in the race after Scott had taken the mile run.

Bengal Robert Fox was the boy who was supposed to have walked, or rather run off with the event, however Scott put on a dazzling

finish and lost by inches. The fans sighed with disappointment as the loudspeaker proclaimed Fox the winner.

The Cornhusker cindermen were credited with the only clean-sweep of the night in any event when they took all three places in the broad jump. Irv Thode leaped 23 feet 1 1/2 inches to win the event. Glenn Beerline nipped out teammate Hoppy McCue for second place.

Something that is not often seen in a track meet is a dead heat, but spectators saw exactly that in the 60 yard dash. Harold Carter of Mizzou and Bobby Fairchild of Nebraska both made a desperate lunge for the tape and officials

were unable to pick the winner. The winning time was 06.3 seconds.

Brian Hendrickson outdistanced his opposition in the 440 yard dash. Hendrickson clipped off a 51.9 timing and was a good 15 yards in front of second place winner, Larry Steinrauf.

Bill Fessler of Missouri nipped Don Bekker of Nebraska for 60 yard high hurdle blue ribbon honors. Fessler covered the route in 07.5, only one-tenth of a second off of the meet record.

Perhaps the most improved Cornhusker showing of the evening came in the shot put. Paul "Cherub" Grimm "got made" and heaved the sphere 49 feet 3 inches. Tom Stoup took a valuable second place spot by throwing it 44 feet 2 inches.

Paul Niewald took the pole vault honors by jumping 12 feet 6 1/2 inches. His attempt at 13 feet 2 inches was not quite good enough on three tries.

Bob Gordon, perhaps the top-seeded high jumper in the Big Seven conference this year, took the high jump honors by clearing 6 feet 3 3/4 inches.

Clayton Hall sped to a good timing in the 880 yard run as he staved off a finishing kick by Husker Dale Schnackel to win in 1:58.4 seconds.

The Tigers took the mile relay event, but by the time the final event rolled around, there was no question, at least from the mathematical vantage point, that the Huskers were victorious.

The Missourians took the event with a 3:31.1 timing. Members of the winning team were: Bob Messengale, John Boucher, Steinrauf and Fessler.

The Huskers led from the opening event and only several times in the meet did the Tigers threaten to overcome a thin lead. The next Husker dual meet will be with Oklahoma.

"Like father like son."
How much truth is there in this old adage?
Bob Considine, International News Service writer, did some research on the subject two years ago and discovered that it contains little validity as far as the sports world is concerned.

Here at Nebraska, there are five athletes now competing whose fathers wore the iron "N" during their college days.

Cliff Dale, who was a stellar guard on the football team last fall, has plenty of athletic tradition in his family. His father lettered in both football and wrestling in 1917, '18 and '19. However, Cliff confines his sports activities to the gridiron.

Another Husker who is carrying on in the footsteps of his father is Clark Smaha Jr., guard on Harry Good's basketball team. Clark's dad starred on Nebraska cage teams during 1924, '25 and '26. During his senior year, he was team captain and the leading scorer.

Another chip off the old block is Ted James Jr., who is a defensive end. His dad was an all-conference center on the Nebraska powerhouse teams of 1926, '27 and '28.

These three men are the only athletes playing on varsity teams whose fathers lettered at Nebraska.

However, Jerry Lee Jr., an end on Ike Hanscom's frosh team, has a name to live up to during the next three years. His dad, now football and track coach at Grand Island, was the spark of the wrestling teams back in 1930, '31 and '32.

The fifth athlete whose dad lettered is Hi Prucka, also a frosh grinder. The senior Prucka earned Nebraska monograms in the pigskin sport in 1928, '29 and '30.

The most famous brother combination in Nebraska sports, the Hopp trio, have illustrious records in Huskerland.

The youngest Hopp, Harry, played halfback under "Biff" Jones in 1938, '39 and '40. Harry was a member of the Rose Bowl squad.

Next in line, was Wally, who played fullback in the middle forties.

The current Hopp, Cliff, plays linebacker for Bill Glassford's footballers after playing a year at Georgia. Cliff also covorts in the outfield on the baseball diamond.

Speaking of baseball, another brother, Johnny, who didn't participate in Nebraska sports, plays first base for the world champion Yankees.

Who will ever forget Tom Novak?
Trainwreck Tom lettered in football in 1947, '48, '49, and '50; and baseball in 1948, '49, and '50.

Tom's younger brother, Ray, played some fine football last fall for Bill Glassford and shows promise on the diamond as pitcher

Trainwreck Tom

ATHLETIC HEREDITY? ... Tom Novak, Husker football and baseball great of 1947-49, is older brother of Ray, who is making headlines with the present grid and diamond squads. Could it be that it runs in the family? Banks and Becker investigate the possibility.

Colorado Wrestling Team Depends On Small Men

The little guys will carry most of the weight for the 1952 University of Colorado wrestling team.

That's the word from Coach Ray Jenkins who tabs the 157-lb. class on down strongest for the coming season.

That doesn't mean Jenkins will forget all about 177 where defending Big Seven champion Maynard Skinner holds forth. In fact, Skinner rates a good bet to win his second straight league title and nail down a place in the March nationals.

It's just that Jenkins has four of his top six returning lettermen anchored down in spots at 157 or below. And the only class below that mark not decorated by a veteran could develop into one of the surprises on the squad. That's at 130 where freshman Linn Long of Boulder could be the top newcomer. Only other class with newcomers as top candidates is 167, headed by freshman Pete Van Schaack, Illinois state champ last year, and Royal Smith of Denver, a former Colorado state prep

place-winner.

The four veterans below 157 check in this way: 122—George Artemis, Golden; 137—Paul Newville, Newton, a Kansas; 147—Bill RFrench, Denver; 157—Will Lynch, Denver.

Lynch last year was sidelined at the conference meet by injury after compiling the best dual mark of any Buff. He won nine, lost one and tied another for 35 points, tops among the Buffs and No. 2 in the conference tabulations.

Artemis was the Big Seven

Sooner Swimmers Led By Thatcher

Less than two weeks away from their first meet, the Oklahoma AAU indoor at Bartlesville, Oklahoma's swimmers are busily practicing at the men's pool.

Sprinter Bill Stovall has done 23 seconds in the 50 and 52.5 in the 100. Stan Shechter, freshman, is doing 23.5 and 53.5.

The Sooners have their greatest team strength of all time at 220 and 440 yards with Graham Johnston, 20-year-old freshman and Jack Hudack, 18-year-old freshman.

Captain Bob Thatcher, Big Seven champ, Bill Sloger and Jim McKinney, 17-year-old geology freshman, are working hard in the breast stroke. Oklahoma lacks experience in the back stroke where Clarke Mitchell, transplanted diver, and Johnny Green, 17-year-old Oklahoma City freshman, are working.

Don Strausbaugh, senior, looks improved on the low board. He will be supported by two freshmen, Dave Glander, National Junior AAU indoor high board champ and son of the Sooner coach, and Earl Hallium, sophomore.

runner-up to Oklahoma's conference champ and NCAA runner-up Bill Borders. He is Colorado's only other league place-winner back beside Skinner.

The Buffs open their eight dual meet schedule Saturday at Golden against Colorado Mines. The meet is the 23rd between the two schools. Colorado has won 20, lost two and tied one. Mines hasn't won from the Buffs since 1921 with Colorado winning 19 straight.

Sigma Chi's Win IM Cinder Meet

BY MARSHALL KUSHNER
Sports Editor

The Sigma Chi's walked off with the intramural track honors in the fraternity division to replace Sigma Phi Epsilon as intramural champions. The Vine street boys scored 80 1/2 points to top the second place Phi Delta Theta team, which scored 75 1/2.

Phi Heidelberg was without question the power behind the Sigma Chi punch. Heidelberg scored first in the 60 yard low hurdles, the one lap run and the 440 yard dash. He also copped second places in his pet event, the high jump and the broad jump. Heidelberg scored 35 1/2 points and took the individual track honors of the meet.

The Spikes took the unaffiliated division honors by amassing 108 1/2 points. The mens dorm took second place with 42 points. Hoppy McCue was the big man for the Spikes as he scored 29 points for second place individual honors.

Phi Delta Theta for the only new meet record in the fraternity division, as their one mile relay team clipped off a 3:51.4 clocking. Members of the record-breaking team are: Jack Anderson, Keith Glorfield, Don Wahl and Charles Hunley.

No less than eight new independent records were set. Bobby Fairchild set two records when he ran the 60 yard dash in 06.5 and sped to a 29.1 timing in the one lap run.

Hoppy McCue also picked up two records. He pole vaulted 10 feet 6 inches for a new record and broad jumped 20 feet 10 1/2 inches for the other mark. The latter mark is two feet under the mark McCue set in the Nebraska track meet with Iowa State.

Gaylord Smith set one record and shared another in this year's meet. He recorded a 7.6 clocking in the 60 yard low hurdles and tied with Dan Lindquist for the 60 yard high hurdles mark of 8.0. Smith ran for the Spikes and Lindquist for the Lutheran student association.

The Spikes scored two records in the one mile relay and 4 lap relay events. Blake Cathro, McCue, Fairchild and Jim Hurley covered the mile course in 3:44.4 and Fairchild, Smith, McCue and Hurley went the 4 lap route in 1:54.0.

Denver Hits Game NU Swim Team

Sparked by their freshmen ace, Don Brown, Denver University earned a slim 48-45 nod over the Huskers Friday at the Coliseum. The meet was Nebraska's first home engagement.

The Huskers led after the first four events of the day, but were unable to overcome the heavy scoring which Denver piled on in the diving and 100-yard free style events. The Scarlet succeeded in outpointing D.U. in the 220-yard free style, 200-yard breast stroke, 200-yard backstroke and 400-yard free style relay.

Brown was high scorer of the day, turning in first place efforts in the 150-yard individual medley, the 100-yard free style and the 400-yard free style.

Both teams were able to come out on top in one of the relay events. Denver won the 300-yard medley and Nebraska took the 400-yard free style relay.

No new records were posted for the meet.

Coach Hollie Lepley's team swam at Ames Saturday in a dual meet between the Huskers and the Cyclones of Iowa State. The Cyclones were Big Seven champs last year.

Nebraska's next home engagement will be a triangle meet with Colorado and Kansas on Friday, Feb. 8.

The coldest place in the world is at the mouth of the Lena river in northern Siberia.

FORBISH SETS NEW IC4A RECORD ENTERS SUBSCRIPTION TO TIME ON BOOKSTORE MACHINE IN 31.7 SECONDS

Ned Forbish, crack pinballer, juke box and slot machine maestro set a new flat track record in the bookstore last Thursday, as he negotiated the four steps required to enter a subscription to TIME on the bookstore's automatic vending machine without getting winded.

In his record breaking performance, Forbish used his famous 1923 "two-bit piece" which previously had enabled him to hit seven successive jackpots at Las Vegas last summer.

Off the mark poorly, Forbish gave little indication that his subscription order would set a new IC4A standard. At the first turn, depositing the required four quarters, Forbish was clocked in 13.5, slow time due to a reluctance to part with the dough. Pacing himself nicely, Forbish finished step

#2 in good time—filling in his name and address on the order form with the pencil provided at 30 seconds on the nose.

Going into the third step in ordering TIME, Forbish sprinted. His clocking for pressing the delivery button was a neat 0.5. From then on Forbish breezed to his record by knocking off difficult step #4—grabbing his receipt—in the amazing time of 1.2 seconds.

Besides the accolades that came to him as the new bookstore record-holder, Forbish received 4 months of TIME for only \$1.00, the lowest rate ever offered any college student anywhere.

We invite you to take a crack at the new vending machine and to try TIME at this special student rate—4 months for only \$1.00.
