To save any soccer baseball team a long hike, the only gate which opens into the new fields is the one in back of the Sigma Chi house. I'm pretty certain that the Sig Chis will like that. The teams scheduled to play today are:

- Alpha Omicron Pi No. 1
Kappa Alpha Theta No. 1
Kappa Kappa Gamma No. 3
Kappa Alpha Theta No. 3
Kappa Kappa Gamma No. 2
Chi Omega No. 2

The games start exactly at 5:05 p.m. Any late team will be forced to default. By the way, those people who have not turned in their health permits better do so before the games start...

This is a reminder to the representatives. The schedules for soccer baseball and tennis doubles are now posted. If there are any questions about soccer baseball call Jean Thomas...

Any person who wants to brush up on tennis can start coming down to the tennis courts every Thursday night. A faculty sponsor will be there to give any helpful hints.

The Other Six

Oklahoma...

Pittsburgh, perennial football power of the East which is beating back this fall under a new head coach, Lowell 'Red' Dawson, comes to Owen Field Saturday, October 4 to meet Coach Bud Wilkinson's Oklahomans.

The Panthers lost their first seven games under Coach Tom Hamilton last year, then rallied to sweep their last three, trimming Miami's Gator Bowl champions 21-7 in the finale.

And they played ruggedly in the games they lost, scoring four touchdowns on Michigan State, the nation's No. 2 team, and losing a 14-16 thriller to Ohio State.

Dawson, new Pitt mentor, is a canny veteran who has coached all over the country. He assisted Bernie Bierman at Minnesota 1932-35...

Hardy spent a short time at basketball but decided to cut down his practice load. He left Lee moaning and envying football's Ward who had a monopoly on Hardy's time.

Hardy had the No. 1 jump at 22-4 until another football mite, Ron Johnson, hit 22-6% on his final leap. As it was, he wound up second.

With full practice, he could possibly be the No. 1 jumper, says Track Coach Poitts.

And Basketball Coach Bebe Lee thinks Hardy's good varsity material for his sport with an all-state prep record as a member of Sturgis, South Dakota's state championship squad.

It's a difficult task to coax Ward to grant Hardy a reprieve from grid drills. The Buff coach figures he's got a potential triple-threat halfback in the making and wants to develop his passing arm to go along with a 7.9 '51 rushing average, best among the Buffs.

The University of Missouri public relations department has released a table of statistics following the Tiger's 19-10 loss to Maryland. The Tiger records are impressive, even in defeat.

Individual Statistics (one game)

Colorado... Top Colorado's Carroll Hardy as the Big Seven's busiest athlete. Just a sophomore, Hardy's shuffling between three practice fields and appears a good bet for varsity calibre on each.

Two of them he's cinched—as a regular left half on Dan Ward's football squad and a brand-jumper on Frank Poitts' track team.

The pattern is this: Baseball practice, then football. The only time he gets in the broad jump pit is meet time, but apparently that doesn't bother him.

Tiger Passing Threat

TALENTED MISSOURI BACK... Jim Book, who switched from spread fullback to quarterback for the Missouri Tiger last year, is the team's top rushing and passing back. He netted 47 yards rushing and 61 yards passing against Maryland in their season opener. Book led Tiger accounts with 36 points and had the second-best rushing and passing yardage last year.

Frosh Interception

STOLEN B TEAM AERIAL... Ralph Weddle (12), intercepts a B team pass early in the first period of Saturday's fresh-B team game. Weddle returned the interception 20 yards, picking up valuable blocking from teammate Larry Gallion (40). Rex Fischer (61), Bill Hawkins (42) and Franklin Reeves (47) are behind Weddle. An unidentified Nubbins tackler tries in vain to bring down the speedy freshman. (Daily Nebraskan photo by Del Harding.)

NU Gymnasts Begin Work; Frosh Strong Capture AL Flag

"I don't know how far we can go as a team, but in the big one (All-College Meet) they will know we've been there," stated gymnastics Coach Jake Geier.

Workouts for the varsity gymnastics team began Wednesday night with twenty-five men reporting. Back from the team that captured the All-College Invitational Meet in Greeley, Colorado last year are Don Hodge, Dave Brand, Tom Kidd, John Foley, Howard Hall, Dan Yoder, Jerry Peterson, Dick Raebcke, Chuck Sprague, Bert Linn, Ira Epstein, and Danny Fogel.

Nine dual meets are on the schedule and the All-College Meet, which will be held in Boulder, Colorado this year. Exhibitions are scheduled during half times of the basketball games Dec. 17, Jan. 12, Jan. 15, and Feb. 9. Clinics will be held in Beatrice and Hastings during January for high school gymnasts.

Cornhusker Baseballers Work Out... Coach Tony Sharpe's Nebraska baseballers are now holding fall workouts, which are expected to continue for the next few weeks if good weather prevails.

The workouts are held mainly for upperclassmen, who will play varsity ball for the Husker squad this year. A few frosh pitchers, however, have been invited to throw for batting practice.

There are no returning lettermen practicing at the present time, Coach Sharpe reports. Several of the men are now playing football, and will report next spring.

Many of last year's B squad members compose the fall unit. Besides the few frosh hurlers, the workouts are for varsity competitors only. Freshmen pitchers Dick Geier of Lincoln and Bob Burns of Omaha are two good frosh prospects, the baseball mentor said.

The Cornhusker team was second in the Big Seven standings at the completion of the season last year. The Missouri Tigers, who emerged with the championship trophy, went on to capture runner-up position in the national collegiate baseball tournament.

A host of lettermen are expected back this season, although some key men were lost from the team.

One of the more pleasing developments came out of the Maryland game was the splendid punting of veteran Bill Fessler. The two-sport athlete from Kansas City averaged 48.6 yards on five kicks against the Terps.

Missouri's do-all fullback Bill Roweckamp certainly broke into Tiger football in a big way last week-end against Maryland. In addition to his regular offensive fullback duties, the ex-Army gridiron found time to play both offensive and defensive and during the afternoon.

Frosh Ramble Over B Team

By TOM BECKER Sports Staff Writer

The Nebraska freshman squad trounced the "B" team, 32-0, at Memorial Stadium Saturday afternoon.

The Frosh scored early and kept on going. On the fourth play of the game, Rex Fisher set up the first touchdown when he intercepted one of Phil Eyen's wild passes on the Junior Varsity 22.

Bill Hawkins, Bill Coffey and Franklin Reeves moved the ball to the 10 where Leo Scherer scooted around left end for the first TD. Scherer booted the extra point.

On the following kick-off, Charles Chamley fumbled and Fisher recovered on the "B" team 36.

The next play saw Reeves smash off left guard for the score.

Scherer again added the point after touchdown.

At the end of the first quarter, Ralph Weddle blocked Emil Radik's boot on the "B" 16.

On the fourth down, Quarterback Fisher pegged a perfect strike to Weddle in the end-zone. The play covered 12 yards.

Scherer was smeared on his attempt for the extra point.

Near the end of the first half, the Freshmen capitalized on another "B" team fumble.

Tackle Gale Lair pounced on another Chamley bobble.

John Nolan and John Edwards moved the ball to the one where, on fourth down again, Edwards blocked over. Don Trushen's PAT attempt went awry.

In the third quarter, the "B" teamers started to move but got only as far as the mid-field stripe where Radik was forced to punt.

The Frosh picked up three quick first downs but gave up the ball on downs on the "B" 27.

Another fumble in the fourth quarter set up the final score. Tackle Jim Whiteside recovered a miscue on Frosh 47. That was the only time during the game that the junior varsity ventured in freshman territory.

An off-side penalty moved the ball to the "B" 45. On the next play, Halfback Ernest Benjamin scampered off left tackle to rack up the final tally. Fisher was mystled on his try for the extra point.

The Frosh were on another drive from their own 14 when the game ended leaving the ball on the 37.

After just two weeks of practice, Coach Bob Farris whipped up a fleet offense and a rock-hard defense.

Farris had a bevy of good backs and sharp blocking, sure tackling line men. The Freshmen out-gained the more experienced "B" teamers 201 yards to 29 rushing and 40 to 11 passing. It would be hard to pick out
