Tradition will reign Saturday from the time the Ivy Day Queen is presented to the tapping of the last Innocent.

Students have gathered together for the fateful Day every year since 1901, except during war

The long-awaited Ivy Day will start about 9 a.m. with the pre-sentation of the queen and her court. The queen and her maid of honor were chosen earlier in the year by senior women. Mortar Board members selected

approximately 15 attendants from candidates submitted by organized houses. Members of the Ivy Chain complete the group of women students honored in the court

presentation.

With the queen and her court presiding, Ivy Day will move into the Ivy day sing, with organized houses competing for first place. The men's contest is sponsored by Kosmet Klub and the women's by the Associated Women's Students. The winners are presented with a 16-inch traveling cup and
