

Fraternity-A League All-Stars

Two members of the fraternity champions, Phi Delta Theta, a member of the runner-up team, Delta Tau Delta, and one player each from Delta Upsilon, and Alpha Tau Omega make up the first squad on the Fraternity-A League all-star team.

Phi Delta's Terry Healy and Eric Olson were consistently the one-two punch for the Phi Delta's. They finished with a league mark of 11-1 in League 2-A and downed the Delta's in the final round of the fraternity championships, 47-34. The Phi Delta's went on to lose a close 47-45 heartbreaker to the eventual champions, Chemists, in the finals.

Bob Cook, the Delta's big center, rated a top spot on the first five for his top play for the season. The Delta's copped the League 1-A cup, squeezing past Delta Upsilon by one-half a game.

Delta Upsilon's top guard Bill Krommenhock, paced the DU's to a second place finish behind the Delta's. He was their top playmaker and scorer.

Rounding out the first five is the Alpha Tau Omega's Rod Schroeder. Like Krommenhock, Schroeder was the main spark of the ATO's attack. The Taus finished with an 8-4 mark and third place in the

League 1-A competition. Lyle Martin and Clarence Cook were close voters on the first squad and drew top berths on the second five. Martin, a little guard, was one of the top players on the Beta Theta Pi five. Martin teamed with center Cal Johnson to give the Beta's a fine inside-outside scoring punch. The Beta's finished in a tie for second place with the ATO's in League 2.A.

Cook was the big scorer for the Cornhusker Co-op quintet. The Co-ops finished in the top spot in fashionable 11-0 mark and advanced all the way to the quarter-finals of the tournament.

Bob Brown of Alpha Tau Omega, Gene Welch of Phi Kappa Psi and George Hirschback of Delta Upsilon round out the second five. Brown, a member of last year's all-star quintet, was one of a host

of fine players on the ATO five. Hirschback was a potent scorer along with Krommenhock and Bill Edwards.

Hirschback was the top point-getter on the Phi Psi five. He led his team to a second place tie with the Beta's in the League 2-A class. Because of the closeness of the voting, a third team was employed. On this third crew was John Beideck of the Delta's, Cal Johnson of the Beta's, Bill Edwards of the DU's, Dick Cottrell of the Phi Delta's and Arly Waldo of Alpha Gamma Rho.

Following the Fraternity-A selections will be the combination of the Fraternity C League and Independent circuits. The climax of the balloting will be the Intramural League all-star team. This will be made up of four teams and honorable mentions.

Paces Husker Batsmen: Long Ball Hitter Don Brown Winner Of First Spring Award

Don Brown, hard hitting Husker third baseman, is this week's Star of the Week.

Brown returned to Lincoln carrying a .488 batting average which includes three doubles, one home run and five runs batted in. His steady fielding and all around hustle was consistent throughout the trip.

In the opener against Tulsa, Brown doubled twice and scored his team's only run. The Huskers were held to four hits with the winning tally crossing the plate in the top of the ninth inning.

bat and was the only bright note in an otherwise dismal two-day affair.

Brown next swung his big bat against the Rice Owls. While the Huskers were in the process of splitting two games, the slugging third sacker gathered four hits in nine trips to the plate including a home run and handled his hot corner duties in an unquestionable manner.

Although overshadowed by teammate Norm Coufal in the Baylor series, Brown managed to bang out three singles and drive in three runs.

The Husker letterman was coach Tony Sharpe's big sticker all last season and looks like the boy to carry the load again this year. His ability to hit the long ball and to deliver in the clutch has made him a fine asset to the Husker nine.

Other members of the diamond squad who looked good during the season's first campaign were catcher Jim Kane, infielders Coufal and Jim Kubacki, outfielder Don Erway and pitchers Charley Ziegenbein and Willie Greenlaw.

Brown will return to action on April 20 when Nebraska plays host to Kansas State.

Opener Near: Nebraska Thinclads Set To Go

Eight lettermen return to the fold as the Nebraska track team prepares for its opening meet the 14th of April at Norman.

The affair will be a triangular with Oklahoma and Colorado the other two teams competing.

The Huskers finished the outdoor track season last year with a record of one win and four losses a last-place standing in the Big 7 during the dual season and fell to meet.

Heading the list of returning monogram winners are middle-distance man, Bob Anderson, miler Hugh Osmera and sprint-man Charles Gibson. Each has won two letters.

Other returnees include weightman Ken Reiners and Leonard Rosen, broad-jumper and hurdler Jon McWilliams, distance-man Lee Carter and high-jumper Merle Brestle.

On the indoor schedule, the Huskers won only one affair. This was a 91-13 triumph over South Dakota.

They met both OU and the Buffs on the indoor oval. They lost to the Sooners, 66-38 and to CU, 60-44.

Following the triangular, the Nebraskans will trek to the Kansas Relays. They then journey to Des Moines, Iowa for the Drake Relays. From there they visit Ames, Iowa for a triangular with the Cyclones and Colorado and move over to Manhattan for a duel with the Kansas State Wildcats.

They close their track season at Manhattan the 18-19 of May with the Big Seven Meet.

Last year the Kansas Jayhawks won the conference track crown. They were followed by Oklahoma, Missouri, Iowa State, K-State, CU, and Nebraska.

After a disastrous Southern swing which saw the Nebraska golfers lose two dual matches and finish last in the Southwest Tournament at Houston, Texas, the Husker linksmen are guests of Omaha University this Friday in Omaha.

Next November the AAU and the International Olympic Committee, which is headed by a man close to Wes Santee's heart, namely Avery Brundage, will probably still be capturing the headlines.

The rulers of the amateur world will in all probability change their tactics from that of depriving young athletes of their amateur standing to glorifying the holding of the 16th Olympic Games in Melbourne, Australia.

Everyone is eagerly awaiting the Russians to back their statement that they will run us into the ground.

It is presumed that the XVI Olympiad will be the most quarrelsome session in the history of the games.

Another problem confronting the hosts is how the Japanese athletes will be received in Melbourne.

There is still an air of bad feeling between the Aussies and Japanese which stems from World War II.

Despite all official pressure to keep recriminations out of the Olympics, there is much concern over this feeling.

A new rule exists that can only serve to hamper the press.

This rule states that all interviews must be held in public reception rooms and only after permission has been obtained from the head of the delegation of which the athlete is a member.

The Housing situation for fans is another problem. The available hotel rooms have already been reserved by New Zealanders and Sydneysites, but housing with Australian families though available will be limited.

The lovers of night life will find Melbourne quite boring.

Milk bars replace pubs at sundown and floor shows are about as tame as amateur night at the local church.

The big question that is being asked not only by Americans but by everyone who has an interest in this event is who will represent the United States.

The question of professionalism in the Olympic Games seems to be the major issue at the moment.

Only time will tell. Come what may, the 1956 Olympic Games should prove to be the most controversial in history.
