Beverly Englebrect, Kappa Delta senior in Arts and Sciences from Hastings, to Roger Johnson, Delta Sigma Phi senior in Business Administration from Omaha.

Sharon Fleischman, Lincoln General School of Nursing freshman

Curriculum:

Twenty-Three Majors Offered in Ag College

Students enrolling in the College of Agriculture next fall will find a choice of 23 majors, rather than the seven general groups of courses offered in the past, according to Dr. Franklin Eldridge, associate director of resident instruction.

Some of the majors are based on a technical science curriculum. The general curriculum is designed to give a broad, general education in a practical phase of agriculture.

The technical science curriculum is planned for students who want to prepare for graduate technical positions in agriculture.

Starting next fall, students will be able to major in the fields of agricultural journalism, agronomy, technical agronomy, conservation.

Animal husbandry (choice of general of technical core curriculum), dairy production management, dairy production technology, dairy products management (general of technical).

Dairy products technology (general or technical), general pathology, poultry husbandry, vocational education, pre-veterinary and agriculture engineering (offered through the College of Engineering).

The general groups of past years include general agriculture, agricultural economics, agricultural extension, agricultural journalism, conservation, technical science and vocational education.

Elections: Ed Weise Named NUCWA President

The University Council on World Affairs elected their officers for the coming year in a regular meeting Thursday night. Ed Weise, senior in Engineering College and a member of Theta Xi fraternity was elected president.

Biff Keyes, freshman in Arts and Sciences and a member of City Campus Religious Council and Kappa Sigma fraternity, was elected vice-president in charge of planning.

Bob Ireland, freshman in Arts and Sciences and a member of AUF and Sigma Chi fraternity, is the new vice-president of public relations.

Diann Morgan, junior in Teachers College and a member of the YWCA, Red Cross and vice-president of Kappa Delta sorority was elected secretary. Fran Eicke, freshman in Teachers College and a member of the YWCA and Alpha Omicron Pi, was elected treasurer.

In addition to the election of officers, NUCWA also discussed plans for the coming year. The questions of membership, finance and faculty relations were brought up.

"I think that the NUCWA can

Registration: Three-Fifths Class Ruling Enforced

The three-fifths rule for scheduling classes will be enforced in registering for classes next semester," Floyd Hoover, director of Registration and Records, announced today.

"With increasing enrollments facing the University, the problem of space is becoming acute. We are rapidly approaching the saturation point in classroom use at the conventional hours.

Adding sections at these hours is becoming less and less possible. Neither can we enlarge sections beyond room capacity. But we do have space at hours which have not been usual for university classes.

We must begin to use them the first semester of next year," Hoover said.

"The three-fifths rule which requires every student to schedule not more than three-fifths of his classes, Monday, Wednesday and Friday mornings is a kind of rationing.

Enforcement of it prevents a fortunate few from grabbing all the morning hours and leaving the rest of the students with awkward and frequently unworkable schedules," Hoover said.

"Each student must assume his share of the responsibility for making classes available to everyone. For a number of full-time students this will mean building work schedules around study schedules and not study schedules around work.

It may mean some inconvenience to other students who like to have their schedules bunched into a few hours of the day. But these are factors which must give way to the interests of the student body," Hoover said.

"We ask, therefore that every student who registers May 21, 22, or 23 observe the three-fifths rule when he sets up his schedule of classes," he continued.

Phi Sigma Iota

The final meeting of Phi Sigma Iota will be Thursday at 7:30 p.m. in the Union Faculty Lounge.

Janet Gordon will represent a paper on "The Dramatic History of Rigoletti" and Carrie West will speak on "The Continuity of Folk Elements in Spanish Music."

and should be one of the strongest organizations on campus," Keyes stated. "It appeals to different types of students than do most of the campus clubs and for those people who are vitally interested in current events and problems, NUCWA is the answer."

Ireland stated that personal contact would be the primary means utilized in soliciting new members along with letters, posters, bulletin boards and other methods.

KUON-TV: Adult Education Group Offers Television Grant

The Fund for Adult Education, headquartered in Pasadena, Calif., has offered the University a \$100,000 grant for use in purchasing television equipment, Chancellor Clifford Hardin announced today.

This brings to \$160,000 the total grants offered this year to the University for educational television purposes. Earlier, John Feizer Foundation of Kalamazoo, Mich., gave the University television equipment estimated in value at \$60,000.

The Fund for Adult Education is an independent organization established by Ford Foundation.

Commenting on the offer, Chancellor Hardin said:

"It is gratifying that Fund for Adult Education should select the University as a recipient of one of its larger grants offered this year. By so doing, the Fund has displayed confidence in our television-programming activities and abilities."

The offer is expected to be submitted in the near future to the University's Board of Regents for its formal acceptance.

The offer stipulates that the \$100,000 be used by the University's educational television station, KUON-TV, for television equipment, principally studio and control-room equipment and a kinescope recorder, Jack G. McBride, station director, said.

Since Nov. 1, 1954, when it began televising on Channel 12,

Six Musicians In NU Band Receive Keys

Six University Band members were announced Tuesday evening as 1956 Band Key recipients for outstanding musicianship and service to the organization.

Announced at the Band's annual banquet were these recipients: Gail Drabota, Ronald Blue, Wendell Friest, Gene Hazen, Dan Grace and Orlan Thomas.

Also revealed were newly elected officers of the Band of Gamma Lambda, honorary band fraternity.

Band officers are: Dan Grace, president; Bob Maag, vice-president; Orlan Thomas, secretary-treasurer; Phil Coffman, publicity; Ron Blue, promotion; Gerry Swanson, and Pat Alvord, ladies' sponsors.

Gamma Lambda officers are: Ron Blue, president Phil Coffman, vice president; Wendell Friest secretary, and Stan Rudeen, treasurer.

Picnic Planned For May 15 At Ag Campus

The sixth annual Ag Campus picnic will be held May 15 on the lower Ag Campus picnic grounds west of Love Hall.

According to Bill De Wulf, chairman the games will begin at 5 p.m. and the picnic supper will be served at 6 p.m.

Tickets at 25 cents each are now on sale at the Ag Union Activities office and at all organized houses on Ag Campus until Saturday.

In case of inclement weather, the events will be held in the College Activities building.

"Going Fast": Theater Tickets Available For 'Mary Of Scotland'

Tickets for "Mary of Scotland" are still available for every night of the performance, but they are "going fast," Mrs. Della Kenney, business manager of the University Theater said.

The play will be given at Howell Memorial Theater, Tuesday through Saturday. Tickets should be reserved as soon as possible or purchased from 12:30 p.m. to 5 p.m. at Temple in order to assure a seat for the presentation.

Josephine Margolin is cast in the lead role as Queen Mary, with Bonna Tebo as Queen Elizabeth, Jack Parris as the Earl of Bothwell and Jerry Carlson as John Knox.

Supporting roles are played by Burdette Palmberg as Maitland, Tony Melia as Lord Darnley, Ted Nittler as the Earl of Moray, Jim Copp as Lord Morton and Tom Adams as Lord Huntley.

"Mary of Scotland" depicts the events which led to the downfall of Mary's rule in Scotland. The play begins with Mary's arrival in Scotland in 1561 and highlights the circumstances which led her to fall prey to her enemies.

Maxwell Anderson's effective tragedy is filled with exciting characters, pagentry and poetic diction.

Miss Margolin is a senior speech major in Teachers College and a member of Nebraska Masquers and Sigma Delta Tau. She received the University Theater acting award in 1955 for her performance as Countess Aurelia in the "Madwoman of Chailot." This year she appeared in the Masquers production of "Pygmalion."

Miss Tebo is a sophomore speech major in Teachers College and is making her initial appearance in a University Theater production.

Parris is a senior speech major in Teachers College and

president of Nebraska Masquers. His most recent University Theater role was that of Sefton in "Stalag 17."

Carlson is a graduate student. He received his undergraduate training at Hastings College. He served as the technical director for the opera "La Boheme" this year.

Cox Reveals More Continue To Graduation

Nearly half the students who enter the University continue in school until their fourth year, compared with only 36 per cent in the 1930's, Henry Cox, director of the University's Bureau of Instructional Research, revealed Friday.

He described the work of the bureau in his past presidential address before the banquet session of the 66th annual meeting of the Nebraska Academy of Sciences.

Cox said a study showed that in 1939 22 per cent of the students obtained a degree in four years, that 10 per cent continued beyond the four-year period, and that 68 per cent withdrew during the period.

"It is to be noted that 19 per cent returned later to continue work in school, five per cent transferred to some other institution, and 44 per cent withdrew without transferring or re-entering."

In comparison, he said, today, nearly one-third graduate in the four-year period, "and that more than 40 per cent may be presumed to earn an undergraduate degree within a reasonable period of

Life Was Unbearable For J. Paul Sheedy* Till Wildroot Cream-Oil Gave Him Confidence. Sheedy's honey kept giving him the cold shoulder. "This is more than I can bear! Why not be a-ice?" he moaned. "What fur?" she demanded. "I'll be a frosty Friday before I date you again. And just in glacier wondering why, take a look at your shaggy hair." This made Sheedy paws and think. So he got Wildroot Cream-Oil and now he's the picture of confidence. His hair is handsome and healthy looking, neat but not greasy. Wildroot contains the heart of Lanolin, Nature's finest hair and scalp conditioner. Take Sheedy's advice. Whether your hair is straight or curly, blonde, red, black or bruin, keep it neat with Wildroot Cream-Oil. In bottles or handy tubes. It's the berries! * of 131 So. Harris Hill Rd., Williamsville, N. Y. Wildroot Cream-Oil gives you confidence
