

Button Sales Starting

Homecoming Custom Begun

With many traditions fading out on the Nebraska campus, the YWCA is beginning a new one.

Last year marked the first time Homecoming buttons were sold by YWCA coeds, with 1500 buttons sold in less than two weeks.

"We started selling them last year in hopes it would become a tradition," Polly Doering, YWCA Homecoming button chairman said.

The buttons are 15c apiece and may be obtained from YWCA freshmen workers. Red and white, the buttons have "NU Homecoming," and "Go Big Red" written on them. The center features a Corn Cob man holding a football.

Fifteen hundred buttons are available again this year. They are on sale now, and will be sold Friday night around the Homecoming displays, and, if any are left, Saturday morning.

They are being sold by persons out in the state and to Lincoln's men's clubs. Rotary club, Kiwanis Club, Optimists Club and the Lion's Club have all purchased the buttons. A representative from the Extra Point Club also has them for sale.

"We'd like to see people wearing them all Homecoming Week," Miss Doering said. "The buttons are an original design, designed especially for the University of Nebraska," she added.

Red Cross Worker—Mass Meet To Feature Miss Smith

Featured speaker at a mass Red Cross meeting will be Miss Maydell Smith, Director of Junior Red Cross and Educational Relations.

The meeting will be held Oct. 29, 7 p.m., in Union 315. Miss Smith will talk about her work in Red Cross, much of which has been overseas.

She has worked in Korea, Morocco and France, and traveled throughout Europe as well as in Japan. Her work has been concerned largely with recreational activities, but she has also worked in hospitals.

Having been a student at both Denver and Eastern New Mexico Universities, Miss Smith is now taking an extension course at Nebraska.

Also at the mass meeting, Red Cross Board members will be introduced and the duties of the various committees will be explained. All students who are interested in working with the College Unit are urged to attend this meeting.

Red Cross committees include State Hospital, Vets' Hospital, Blind School, Water Safety, Leadership, Membership and Entertainment, First Aid and Publicity.

Others are Orthopedic Hospital, Orphanages, Transportation, Junior Red Cross, Adult Activities, Disaster and Handicrafts and Production.

Tickets are 35 cents. Little sisters may purchase the tickets from their counselors starting November 1, according to Mary Vrba, chairman in charge of the Dessert.

Cornhusker Sales Close Wednesday

Regents to Have Distaff Member?

Elections for the two open University Board of Regents positions are highlighted by the candidacy of Mrs. Margaret Christensen, who if elected will be the first woman Regent.

"I think women deserve a place on the Board of Regents just as women have a place in the University," the woman candidate said.

Shelby Housewife
Mrs. Christensen, Shelby housewife, will run against Dr. B. N. Greenberg, York, incumbent for the fourth district. She is a graduate of the University and has taught at Curtis, Fremont and Lincoln.

Dr. Greenberg has been a Regent of the University since 1953. He is a former president of the group and an honorary Innocent at the University.

In the third district, William Spear, Fremont attorney, is running against Richard Adkins, Osmond banker. Dr. C. Y. Thompson, former Regent from the district, is retiring.

Former Chairman
Spear, 47, is a former state Republican chairman. He graduated from the University and George Washington University law school.

His opponent, Adkins, 38, is a stock raiser and feeder-farmer. He is a former board member of the Nebraska Livestock Feeders Association. He graduated from Grinnell College, Iowa.

The Board of Regents is the governing body of the University. It consists of members elected throughout the state on a non-partisan ballot, one from each of the Supreme Court districts.

J-Classes Join Forces for 'Real Thing'—Election Edition

DICK RAMAGE (left), Bob Martel and Del Hood go over plans for the special election night newspaper which will be produced by the members of three integrated journalism classes.

By Diana Maxwell
The city papers will have an unofficial but strongly determined competitor on election day next week.

A news staff composed of three University journalism classes will be working Wednesday morning edition.

"We will be working on the same deadline as the Lincoln Star city edition so we can stack our paper against theirs," said co-editor Bob Martel.

Editors
Martel shares editorial responsibility with Dick Ramage. Del Hood will serve as afternoon managing editor.

These three are enrolled in News Editing, one of the three classes participating in the election edition.

Other classes are Advanced Reporting and News Photography.

Background work on the election paper began earlier this year when the classes began to compile background material on candidates for city, county, state, congressional and judicial posts.

Actual work will begin on the edition at 8 a.m. Nov. 4. "It will be finished when the pages are locked into place at the campus printers at around 3 a.m. Wednesday," Martel said.

Skiers Ho! Aspen Plan Announced

Limit Set at 175; Nov. 15 is Deadline

The annual ski trip to Aspen, Colorado, between semesters will again be sponsored by the Union.

The deadline for signing up is Nov. 15. Because of the demand for accommodations at Aspen, the group will be limited to 175 students and four chaperons, appointed by the Union.

"The campaign hasn't started yet," said Chairman Roger Evans, "and 75 students have already applied."

The cost of the trip is \$67 for beginners who do not have equipment and \$59 for those who do. For advanced skiers it will be \$69 without equipment and \$61 with equipment.

This price includes transportation, instruction, skis, boots, poles, ski lifts, lodging and insurance. The cost is based on 100 making the trip. If more go and expenses lower, a refund will be made, Evans added.

The train will leave Lincoln Wednesday, January 28, arriving in Glenwood Springs the next day, and will return to Lincoln February 2. A bus will take the group to and from Aspen.

The group will be going through Moffet tunnel and 23 other tunnels in a dome or view car. Once in Colorado, they will have the opportunity to visit Denver and sights in and around Aspen.

Staying in two hotels, the Roaring Fork and the Prince Albert, the group will ski all day Thursday, Friday and Saturday. Instruction will be provided at 9 a.m. Thursday.

Applications and contracts are available at the Union Activities Office.

"It's worth saving your pennies for," said Rev. Rex Knowles who accompanied the group last year. "My wife and I had a wonderful time."

Applications Due

Applications for 1958 Honorary Commandant will be due Saturday, November 1. All women's houses are urged to turn the applications in to Jim Anderson at 1425 R Street. The 1958 Military Ball will be sponsored this year by the Air Force ROTC.

Panhellenic Discusses Auction Ban

In a special Panhellenic meeting Thursday evening, sorority presidents reviewed the possibility of doing away with AUF auction and the feasibility of sending their members out into Lincoln to solicit independent students for AUF.

Formal action on these matters will be taken Monday at the regular Panhellenic Council meeting.

The group also discussed giving to AUF thru one Panhellenic donation.

Each house would collect as much money as it could, raising it in whatever ways they wished, and then give the money to AUF thru a Panhellenic donation. The house donation would include money from alums and corporation boards, if they wished to give.
