

Intramural Basketball Tournament Begins Today

Game Tonight

Coch Tony Sharpe's Freshman basketball team meets McCook Junior College at 7:30 tonight in the Coliseum.

The young Huskers will be looking for their second win of the season. The NU frosh downed Iowa State freshman 56-53, Saturday in their opener.

Admission is one dollar with students to be admitted for 50 cents. All students and faculty season books will be honored.

The Intramural Basketball Tournament begins today with eight games scheduled in the Fraternity 'A' Championship. Thursday night's schedule in the double-elimination tournament includes more Fraternity 'A' games plus Burr-Selleck

'A' action and Fraternity 'B' team games.

Fraternity 'C' teams vie Friday and Monday. Independent 'A' teams and Burr-Selleck 'B' squads start Tuesday.

Also on tap for this week

and next is the Corn Shucks Tourney. This new tourney includes all teams not qualifying for the regular tourney.

At the conclusion of the separate tourneys, the Fraternity 'A' champs will meet the Burr-Selleck 'A' titlists. The winner will then play the Independent champs for the All-University Intramural Championship.

The Fraternity 'B' winners will tangle with the Burr-Selleck 'B' champs for the All-University 'B' team title.

PEK Leads Roundball Rating

Phi Epsilon Kappa's quint jumps into first place in the pre-tourney Daily Nebraskan IM basketball ratings.

The physical education honorary earns the top spot on the basis of a 24-22 squeaker over the Rag's number two team, a tall and talented Law College five. The two top squads edge

out Kappa Sigma, the top rated fraternity squad. The Kappa Sigs hold third after pasting Phi Kappa Psi, 64-33. The Phi Psis were the number

guns include Rich Kosier, a sharpshooter from the outside, and Roger Brede another footballer who provides rebounding strength.

A tough Alpha Tau Omega outfit moves into the first division at the number five post after beating last year's fraternity champ, Sigma Nu. The Tau's appear certain to give Kappa Sigma their first real test in the fraternity bracket.

Sigma Nu holds onto the seventh spot with a 4-2 mark. The gold and black suffered from an early season loss administered by unrated Theta Xi.

The Phi Psis, unbeaten small house Sigma Alpha Mu, and Beta Theta Pi round out the ratings. The Beta's, led by Bill Kendall and Larry Romjue, earn the tenth spot after beating the Phi Psi's 41-39 in an overtime donnybrook.

Other clubs under consideration include Farmhouse, champion of a weak fraternity 3-A league; Selleck, a dorm team in a similar position in league 7-A and The Losers, a tall but often casual Independent unbeaten.

The results of the Nebraska-Oklahoma State freshman postal track meet, printed in yesterday's Daily Nebraskan, might mean more to the average campus citizen if they are compared to those of our varsity Track Team.

The varsity tracksters, bolstering a season record of 3-1, have handed in some pretty impressive times and distances, namely in the 600-yard and 1,000-yard vents. The man responsible for trimming both of these is Joe Mullins, current captain of the cindermen.

When Mullins came to the University, he was acclaimed as one of the greatest individual track men to hit this campus.

During that same period of time another fleet footed fellow was attending the University. During his college career he posted some of the best times in the sprints that have ever been etched in the record books at Nebraska.

Although Keith Gardner is through competing for Nebraska, he still carries the college banner, running in nation-wide events, such as the Boston AA games two weeks ago.

Each year track coach Frank Sevigne comes up with some of the best track talent in the nation.

This year's freshman team has representatives from eight states, including six boys from Nebraska.

In the NU-OSU postal meet Ernest Gunter, a sprinter from Philadelphia, Pa. opened his college career with an impressive showing.

Gunter picked up three blue ribbons in the 60-yard sprints, ran on the winning mile relay team and finished second in the 440.

In one event Gunter cut the existing conference record by one-tenth of a second. Gunter posted a time of :06.8 in the 60-yard low hurdles, bettering the mark set by Gardner, Bob Derrick of Oklahoma and Charlie Tidwell and Ernie Shelby, both of KU.

Comparing Gunter's time to the best varsity time, turned in by Nebraska in competition this season, it is noted that Ernest's time would have enabled him to win this event in any of the three home contests the Huskers had participated in this season.

The story is the same in the high hurdles, the 60-yard dash and the 440. In each of these events, if Gunter would have been competing for Nebraska's varsity team he would have won the events.

All totaled, using the times entered by Gunter in these four events, he would have set 10 meet records in the three home meets this season. His low hurdle time also ties the Nebraska stadium indoor record.

King his times for comparison with the winning times entered in last week's Colorado dual at Boulder, Gunter would have been able to win the three 60-yard events, but would have been beaten by Colorado's flashy sophomore Teddy Wilson, who won the event with a :48.9 time.

Coach Sevigne sums up Gunter's appearance in the postal as "pretty fabulous."

The mile relay team, comprised of Gunter, Fred Wilke, Jasper Epps, and Bill Kenny are also noteworthy in this comparison.

Although the Husker varsity mile relay team has never participated in competition, the freshmen's time of 3:25.1 would be hard to beat. This time posted by the Husker yearlings also betters the existing records in each of the three home meets, and is only one-tenth of a second over the stadium record set by Kansas State in 1958.

Senator Lauds University Grad

University graduate Carl Hansen was given tribute by Sen. William Proxmire of Wisconsin at a Senate session recently.

Hansen is the superintendent of schools in Washington D.C.

Proxmire said Hansen "handles one of the toughest education jobs in this country and handles it brilliantly."

He also said that "I doubt if there is a city in America which has a more difficult school program than Washington, D.C."
