

Husker Track Team Looking For 3rd Straight At K-State

By Dave Calhoun

Nebraska's track squad will be looking for its third straight victory this afternoon when the Huskers meet Kansas State in dual competition at Manhattan.

The tracksters won their All Sports Day meet against Air Force Academy, dumping the Falcons 98-33.

Although the entire Husker team competed as well as it has all season against the Air Force Academy, better marks will be needed to bring home victories in today's dual meet.

The Cornhuskers defeated Kansas State in an inside dual earlier this season, outscoring the Wildcats 69 2-3-52 1-3.

Saturday the Husker runners were plagued by strong northern winds.

The winds failed to hamper Husker distance man, Joe American Horse, as he broke

Joe Mullins

the two mile tape with a 9:18.2 time to set a new Nebraska record.

American Horse will have his task cut out for him today, as he faces Duane Hol-

man, K-State's leading distance runner.

Javelin Will Be Close

Javelin throwers Al Roots and Howard Nellor will meet their toughest competition of the season in Lowell Renz and Al Hamilton. Hamilton holds the K-State varsity record of 218 feet and Renz placed second in last year's outdoor dual with a throw of 214-6.

Other individual standouts for the K-State squad include; Murry Corbin, a broad jumper who has hit 23 feet; Jerry Hess, a pole vaulter who reached 13-10 in indoor competition this year.

Nebraska will counter with Bob Knaub and Jim Kraft. Knaub sailed 23-9/4 Saturday to win a first in the broad jump, while Kraft soared to 13-6 in the pole vault to gain a blue ribbon in that event.

One of the highlights of the Wildcat squad is the hurdle crew. The K-Staters won the shuttle hurdle race at both the Arkansas and Drake Relays.

Dave Chelesnik, a 165-foot discus thrower, will test Tony

Divis and Al Wellman, who have been approaching this mark. Divis set a new Cornhusker record with a 164-2/4 heave.

Saturday the Huskers will meet Colorado in a home dual. The meet, which will be the last home appearance for the Huskers, will be a tune up for the Conference meet the following week.

Heading the list of Colorado tracksters is Teddy Woods, a speedy sophomore, who defeated Olympic Champion Bobby Morrow in the 220-yard dash in the Texas Relays.

Three other Colorado stars will give the Huskers trouble. Weightmen Bob Crum-packer and Bob Vernon set new varsity records two weeks ago in the Colorado Relays.

Crum-packer won the shot put with a toss of 54-5/4, while Vern-n flipped the discus 166-8/4.

Rounding out the field-strong Buffs is Don Meyers. Meyers picked up a double victory in the Relays, taking the broad jump at 23-8/4 and the pole vault at 12-0.

Inside Intramurals

by dave wohlfarth

The recent probation of these fraternities, Sigma Alpha Epsilon, Sigma Phi Epsilon and Sigma Mu, has indefinitely suspended these houses from Intramural activity.

The Sig Eps were forced to forfeit to Alpha Tau Omega in the Intramural Softball Tourney. The game left the ATO's undefeated in the Fraternity 'A' Tourney and possibly the division champ. Remaining in the consolation bracket are Phi Delta Theta, Phi Kappa Psi, Delta Upsilon and Sigma Chi.

In the Fraternity 'B' division, Pioneer defeated Farm House 5-2 in the single elimination finals. Ag Men, Delta Sigma Pi, Cornhusker, Brown Palace and Farm House have all lost one game.

Manatt downed Smith 6-0 in the Burr-Selleck battle. Kiesselbach, Gooding, Hitchcock and Smith have each suffered one setback.

In independent action the Pathogens clipped the Physicists 6-0 to move into the finals. The loss moved the Physicists into the losers bracket along with the Jr. Dents.

These four teams, Alpha Tau Omega, Pioneer, Manatt and the Pathogens, may be declared division champs if a full double-elimination tourney cannot be completed. These teams are single-elimination champs and may participate in the All-University Tourney.

Today's schedule has three games slated for the Ag field:

Winner Brown Palace-Farm House vs. Smith
Winner Phi Kappa Psi-Delta Upsilon vs. Sigma Chi
Winner Physicist-Jr. Dents vs. Pathogens (finals of Independent Tourney)
