

# KU Blanks Huskers, 31-0

## Cowboys Next NU Opponent

By Hal Brown  
Nebraska is faced with the task of winning one of its final two games to match last year's record, after a dismal 31-0 defeat at Kansas Saturday.

The 31-0 score was the widest losing margin for a Husker team since the final game of the 1958 season when Oklahoma romped to a 40-7 win.

The Huskers must face Oklahoma State Saturday as a Parents' Day feature and then end the season the following week at Oklahoma against Bud Wilkinson's Sooners.

Oklahoma State got its first win in Big Eight play Saturday with a 28-7 win over Kansas State. Nebraska defeated the Wildcats earlier in the season by a 17-7 margin.

Oklahoma State has a 2-5 season record with a 1-3 mark in the conference. Nebraska is 1-4 in the conference and 3-5 overall. The loser of the Husker-Cowboy clash Saturday will be destined to a seventh-place finish in the Big Eight.

Saturday's shutout was the second consecutive Saturday that the Huskers have failed to score as the Nebraska offense sunk to its lowest ebb and the defense was unable to contain the Kansas offense.

Nebraska failed to penetrate further than the Kansas 35-yard line until the final quarter and it took a fumble which Jim Hoge recovered on the Jayhawk 27 to get the Huskers that far into Kansas territory.

The Huskers made only five first downs during the contest with one of them coming via the penalty route. Nebraska's offense was able to gain only 50 yards against the Jayhawks.

The Jayhawks scored Saturday on a one-yard plunge by Doyle Schick, a three-yard run by John Hadl, a two-yard run by Fred Bukaty, a three-yard pass from Hadl to Sam Simpson, and a 31-yard field goal by John Suder. Suder also added the extra point after each of Kansas' four touchdowns.

## Phi Kappa Psi Captures IM Grid Title with 13-12 Victory

By Chip Wood

Phi Kappa Psi won the All-University intramural football championship Friday for the second consecutive year by downing Dental College, 13-12.

Phi Psi quarterback Joe Malone was the difference between the two clubs. Malone passed for both Phi Psi touchdowns and the extra point which proved to be the winning margin.

Neither team scored in the first quarter and the Phi Psi's drew first blood early in the second quarter when Malone terminated a long drive with a pass in the flat to Bob Peshek who ran five yards to score.

Malone's pass for the extra point was blocked by Wes Berry.

The Dental College drove to the Phi Psi seven late in the first half. A pass interference ruling against the Phi Psis on the last play of the half gave the Dents another down. Quarterback Ron Knoll tied the game, 6-6, on an end run.

Early in the third quarter Dental College forged ahead on a pass from Knoll to Jerry Schoettler to make the score 12-6. The touchdown was set up on two long passes of 20 and 30 yards from Knoll to Schoettler.

The Phi Psis roared back in the fourth quarter with Malone engineering a drive to the Dent eight. Ron Svoboda took a pass in the end zone from Malone to tie the game, 12-12.

Malone then passed to Svoboda for the extra point to break the tie and push the Phi Psi's out in front 13-12.

The Dents couldn't penetrate the rugged Phi Psi defense for the remainder of the game.

## Frosh Gridders Nip Iowa State

By Roy Katskee

The Nebraska freshman football team, finding the key to its offense in the fourth quarter, came back from a 6-0 deficit to win, 7-6, over Iowa State's yearlings at Ames, Iowa, Friday.

Chuck Doepke took over the quarterback duties and guided the team 79 yards in the fourth quarter for Nebraska's only touchdown of the day.

Willie Ross, Helena, Ark., halfback, zipped into the end zone from five yards out to give Nebraska the touchdown. Don Heldt, Yutan, then came in to kick the extra point which proved the measure of difference.

The Cyclones dominated the game in the first three quarters. They marched to the Nebraska one-yard line in the opening minutes of the game only to lose the ball on a fumble.

They came back in the second quarter on a 54-yard scoring march when Virg Reitner drove the final six yards to tally. He was stopped on his attempted extra point run.

Ross and Gene Young, Cleveland, O., fullback, did most of the damage to Iowa State.

Ross, the top Husker carrier averaged 4.4 yards on 14 carries for 69 yards, while Young averaged 7.4 yards on only seven attempts. His 22-yard run set up the touchdown in the final period.

Nebraska freshman coach Jack Braley had special praise for the line work of 246-pound Bob Brown, 207-pound Larry Kramer, 213-pound Clarence Osentowski, and 200-pound Lyle Sittler.

The Nebraska line averaging 14-pounds more per man than the Cyclones gave up 79 yards rushing in the first half and held them to a minus two yards in the second.

Telephone engineer Bill Pigott, left, and helicopter pilot plan aerial exploration for microwave tower sites.

## "I ENGINEERED MICROWAVE TOWER LOCATIONS ON MY FIRST ASSIGNMENT"

When Bill Pigott knocked on the door of Pacific Telephone, he had two big assets. One was an electrical engineering degree from Seattle University. The other was a craving to jump right into vital engineering problems.

It was not long before Bill was exploring Washington's rugged Cascade Range in a helicopter to find sites for microwave relay towers—part of a multimillion dollar telephone construction job. Today, it's considerable satisfaction to him to see these towers spanning the mountains, knowing that his planning helped put them there.

Other important assignments followed: engineering maritime radio systems, SAGE systems—figuring engineering costs for Air Force Titan missile bases.

"Our people respect a man's engineering training—you really get a chance to show what you've got on the ball," Bill says. "I was up to my neck in tough engineering problems right from the start."

If you want a job where you put your training to work from the day you hang up your hat—you'll want to visit your Placement Office for literature and additional information.

"Our number one aim is to have in all management jobs the most vital, intelligent, positive and imaginative men we can possibly find."
