What Do I Wish?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pam can't keep a secret. She'll probably tell us what she wished before the cake is half eaten. Whatever her wish, it will be for a little girl type of thing.

But—what of me? What do I wish for my daughter? Success in a career... happy marriage... children... a beautiful home... a fair share of worldly goods... health... happiness?

I suppose I wish all of these things for Pam, in some measure. But if I had to limit myself to a single wish—I would ask for her a deep and abiding faith. How wonderful it is to have an unshaken belief in God's ways and His works, plus the conviction of His love for us.

Some of us may be limited in our ability to give our children material things, but we need never stint on teaching them spiritual values. Start taking your children to church and church school this Sunday.
