Stevens Sets Mile Record; Garners Weekly Award

By JAN SACK
Staff Sports Writer

After running the fastest mile ever in Big Eight competition, the first words from Ray Stevens were "I feel great."

For his 4:04.9 performance, Stevens is given the Daily Nebraskan Star of the Week Award.

Skip, as he is known to his friends, said "I felt just wonderful because I beat them all."

During the race, the quarter times were called out and Skip said he knew it was going to be a fast mile. In fact his final quarter was :59.5 as timed by Coach Frank Sevigne.

Skip gives Bob Griffith of Colorado credit for the fast time. "He set the pace because neither Jerry McFadden (Missouri) or I would and Pat McNeal (Kansas State) couldn't."

Stevens, McFadden, McNeal and Griffith all ran close together during most of the race. McNeal faded slightly on the backstretch and the other three battled it out. On the final curve Stevens grabbed the edge and kept ahead of the other two.

The Nebraska star finished five-tenths of a second ahead of McFadden and a good six feet in front of the Missouri entry.

The best mile time before this was 4:11.3 run as a sophomore against Barrie Almond of Houston. Since that time, Skip has been running fairly consistent at 4:12 or 4:13. Now that he has dipped down to 4:04.9, he hopes this will be his new consistent mile time.

championship mile is remembered with somewhat of a smile. "I ran an all-out 880 in 2:05" Skip said.

"During the outdoor season I got all enthused about running during the Kansas and Drake Relays, especially Drake. They're big time meets," he said.

The first competitive mile Stevens ran during the outdoor season was against Colorado. Then he ran the mile against Missouri before set-

From here it is to the National Track Federation Meet in Houston, Tex., on June 7-8 and then to the NCAA in Albuquerque, N.M. on June 14-15.

Strike Outs Independent Softball Titlist

The Strike Outs, proving that their previous 12 to 0 whitewashing of defending All-University softball champion Play Boys was no fluke, beat the Play Boys again, by the score of 11 to 1, to take the independent softball championship.

Their win entitles them to play Kiesselbach for the all-University championship of 1963. Kiesselbach, the Burr-Selleck champion, reached the finals with a hard-fought 11 to 9 victory over Cornhusker Co-op, the fraternity champion.

Phi Psis Win All-University Badminton

Phi Kappa Psi outdistanced Dental College for the 1963 All-University badminton championships.

Steve North and Mike Stacey of the Phi Psi team won the All-University doubles championship closely followed by Dick Dobbin and Gerald McCool of Dental College.

Tony Mok of MacLean House won the All-University singles championship. Dobbin was second.

Does a man really take unfair advantage of women when he uses Mennen Skin Bracer?

All depends on why he uses it.

Most men simply think Mennen Skin Bracer is the best after-shave lotion around. Because it cools rather than burns. Because it helps heal shaving nicks and scrapes. Because it helps prevent blemishes.

So who can blame them if Bracer's crisp, long-lasting aroma just happens to affect women so remarkably?

Of course, some men may use Mennen Skin Bracer because of this effect.

How intelligent!
