

Cold Night At Charity Stripe— Jayhawks Topple Nebraska, 71-62

By Bob Samuelson

Nebraska's upstart Cornhuskers couldn't quite pull off a victory last night at Lawrence, Kansas as they took it on the chin by a score of 71-62.

Nebraska was as cold as the weather outside from the free throw line as they hit only ten of twenty-two attempts for a poor 46 per cent mark.

From the field, however, the Ciprian crew pumped in a torrid 45 per cent, garnering twenty-six field goals. Kansas could manage only twenty-five buckets from the floor, but turned in a good night from the foul stripe.

The Jayhawks were twenty-one for thirty-two from the line, and their eleven point bulge there more than made up for the two point deficit from the field.

Nate Branch was the bright star for Nebraska as he had his best night of the year. Branch hit on nine of sixteen attempts from the field and added a pair of free throws for twenty points.

The first half saw Nebraska jump off to an early lead and take command to the tune of a sixteen to eight margin at one time, but that was the biggest lead the Huskers saw all night.

Kansas chopped away at the lead, and with about seven minutes left in the first half, Kansas led for the first time since the opening seconds.

In the last four minutes of the first half, Kansas broke away and built a 38-28 halftime lead.

BOB SAMUELSON—Sports Ed.

Right after the second half gun, Kansas built a fifteen point lead. It was Nebraska this time who chopped away at the lead to come within eight points scant minutes later. It looked as if Nebraska were gaining momentum.

Kansas saw that the comeback never took place and the Jayhawks' lead meandered between eight and twelve points.

With 5:40 remaining in the contest, it looked again like the Huskers were in it. The Scarlet and Cream had cut the gap to eight at 58-50, but then Walt Wesley canned one to put the game out of reach, 60-50.

Grant Simmons was again in double figures. The Omaha Benson product was not as effective in the scoring bracket as he has been in the last few games, but played a fine floor game, and ended up with ten markers.

Coley Webb took only five shots all night, but connected on four of them and added two from the charity stripe for ten points. Fred Hare hit eight points on a mediocre

three for eleven from the field, but had eight rebounds to lead that department. Jerry Spears played another fine floor game for Nebraska.

For Kansas, Wesley again led the scoring. Despite a fine defensive job by the Cornhuskers, Wesley still poured in twenty-one points. Al Lopes was still a Nebraska nemesis as he garnered thirteen points before he fouled out with over ten minutes left in the game. Al Lewis had fifteen and Ron Franz added twelve to round out the double-figure scoring for Kansas.

University Nearing Century of Existence

Feb. 15 will mark the 96th anniversary of the founding of the University.

It was founded in 1869, with Ferguson Hall now standing on the site of the University's first building.

Classics and mathematics were the only available courses of study offered to students at that time.

The charter at that time provided for the education of females apart from males in separate buildings.

Nebraska Swimmers Find Choppy Water On Western Assault

The touring Nebraska swimmers found the waters of their western opponents a little choppy last weekend.

Friday the Husker tankers pushed Wyoming to the final event before going under in the wake of the Cowboy's current winning ways.

Dave Frank, John Burchill, Tom Nickerson, Dick Frank, and Mike Jackson were Nebraska victors before the 400 yard freestyle relay team lost by a touch-out at the close of the day.

On Saturday at Boulder, Colorado, against Colorado and Air Force, the Huskers once again fell victim to a sweeping tide of defeat. Co-captain Tom Chambers reflecting that inability to capture the sprint events, where the team had scored well on Friday, hurt Ne-

braska's chances for a good showing.

Summing up the journey west, Chambers pointed out that the times recorded were disappointing in comparison with earlier meets. Contributing in part to the sluggish performances was a two week lay-off previous to the trip. Also, the freestyle events have been weakened due to the loss of Don Frazier.

Cornhusker fans will have a chance to see the Nebraska swimmers in action as KUON-TV will present a special live broadcast Friday Evening at 7:30.

Bob Zenner, a Lincoln sportscaster, will be on hand at the Nebraska Coliseum pool to comment on the various events as swimmers vie for the all important

points which may lead their teams to victory.

Swimming fans will be able to watch as Burchill tries to break his own 200 yard butterfly NU Coliseum record, set just this year; as Omaha's Jackson tries to beat his own Big 8 breaststroke record; and as Lincoln's Terry Tice tries to dive into first place against the Iowa swimmers.

Other swimming events to be featured on the special two hour Channel 12 broadcast will be the individual medleys, backstroke, and the freestyle events.

Nebraska swimmers should reach their peak in performance for the Iowa State meet and the meets following, and viewers might well expect some records to fall during the contest.

Intramural Cage Tourney Moves Into Second Week

The intramural basketball tourney rambles onward with a flood of game reports clamoring for recognition in the paper.

The Misfits whopped Delta Theta Phi 81-35 by scoring 27 points in both the second and fourth quarters. This surprisingly high point total was achieved by a large number of Misfits in the scoring column, with Ross Rikli's nineteen points leading the way. The best Delta Theta Phi could muster was a ten point effort by Al Peterson.

Beta Theta Pi "B" defeated Kappa Sigma "B" 43-37 for the second time this season. After being down 12 at half, the Beta's made a complete turnaround to open up a five point lead at the end of three quarters and widened the margin by three in the last stanza. "Hot Rod Ivan" Vahle potted 17 points from all angles to lead the Beta scorers. Vahle was backed up by "bubbly" Bob Samuelson (12 points) and Dorn "crowd" Van Cleave (10 points) who not only played like a complete team, but looked like one too. Doug Miller was high for the Kappa Sigs with 12.

Phi Kappa Psi "B" used well balanced scoring to pile up 51 points to only 24 for Phi Delta Theta "B". Bob Churich's 15 points led the Phi Psis as they made the game almost a no contest affair. The Phi Deltas had no one in double figures.

The Hustlers withstood a Golden Boys rally in the fourth quarter for a 42-39 win. The Hustlers were nine points up at the end of the third quarter only to see the Golden Boys have a sudden hot streak. One of the main reasons for the hot streak was Dick Shipperit who finished with game honors of 20 points. The Hustlers duo of Dick Bowers and Bill Bode scored 13 and 12 points respectively to overcome the Golden Boys.

Sigma Phi Epsilon "C" started off strong in each half and made their lead stick over Beta Theta Pi "C" for a 41-35 win. Tom Fromanek provided the only firepower for the Betas with an 18 point total. Jim Adams scored 16 and Harold Smouk 10 to boost the Sig Eps to victory.

Varsity and All-Conference football end Freeman White proved he is agile with the roundball as well as the pig-

skin, as he pumped in 27 points for Burnett in their 58-39 victory over Bessey. Burnett was on top 29-17 at the half, and hammered away in the final two stanzas to win going away. Dick Wassinger was the Bessey-man in double figures with twelve.

The Ag Men 'B' team came up with a four point margin in the last quarter to top Farm House 'B' narrowly by a score of 33-32. The teams were tied at the end of the first half, but Farm House had built up a three point lead at the end of the third period. Bob Schmucker of Ag Men was the game's high scorer with fifteen points. Dick Barnes had fourteen for Farm House and Mick Lund added eleven.

Governor's overcame a two point deficit at the end of the first stanza to click in the remaining three frames and end up on top of Patton 41-33. Governor's John Conklin was high man with fifteen points and he was followed by Dave Oliver with eleven. Patton's Terry Gibson had eleven to top their scoring.

The Phi Kappa Psi 'C' team smothered Sigma Nu 65-22. After leading 23-11 at the end of the first half, the Phi Psi's poured in 42 points the second half. Sigma Nu on the other hand, could manage only eleven. The Phi Psi's balanced scoring saw John Unthank and Charles Scriver fourteen apiece and John McPhail eleven. Kenny Brunk of Sigma Nu had ten for his team's top output.

In games played Monday Sigma Alpha Epsilon "A" edged out Farmhouse "A" 36-33. The game was very close throughout and the biggest lead was the Sig Alphas' five point spread at half. Bill Johnson scored 11 points for the winners and Pete Johnson was high for the losers at 10.

They said it couldn't be done and they were right. I finally missed my first home track meet in four years and I missed listening to the Husker basketball game on the radio for the first time in as long, too.

I, who have braved rain, snow, Nebraska wind, and hour exams to watch the Huskers run was finally felled by a childhood nemesis, bronchitis. While I sat literally fuming under a steam tent rigged by my faithful mother, the Scarlet and Cream ran away from Wyoming and ISU. And while I lay breathing in the Vick's scented vapors, the basketball Huskers won another road game.

Truly a frustrating weekend for the sports minded coed. The basketball win, the fourth in the last five tries was more than satisfying. Grant Simmons continues to improve and Fred Hare may not be the "bad guy" after all. For those of you who will be around next year, keep your eye on those two along with Willie Campbell.

All Saturday night I wondered how the Dave Crook—Steve Carson battle came out in the 440-yard-dash but learned Sunday morning that Iowa State's :48.4 quarter miler passed up the race and decided to try his hand at the 600. The race was evidently too long for him as Husker captain Dick Strand soundly trounced him.

This next weekend will see the running Huskers travel to Kansas City for the annual Big Eight Indoor Track championships. The Huskers may have a shot at the crown they won two years ago although the loss of Peter Scott seriously hurt the distance corps. It will be a weekend of great performances and I would urge anyone slightly interested in track to go. I'll see you there!

Plans Mass Meeting

The East Campus Union is holding its Spring Mass Meeting Tuesday at East Campus. A free chili feed and hootenanny by the Rho Men will be featured. All members and those interested in becoming an East Campus Union worker are invited.

Ford Motor Company is:

responsibility

Stephen Jaeger
B.S.A., Univ. of Pittsburgh

A key dimension of any job is the responsibility involved. Graduates who join Ford Motor Company find the opportunity to accept responsibility early in their careers. The earlier the better. However, we know the transition from the academic world to the business world requires training. Scholastic achievements must be complemented by a solid understanding of the practical, day-to-day aspects of the business. That is the most direct route to accomplishment.

Stephen Jaeger, of the Ford Division's Milwaukee District Sales Office, is a good example of how it works. His first assignment, in January, 1963, was in the Administrative Department where he had the opportunity to become familiar with procedures and communications between dealerships and the District Office. In four months he moved ahead to the Sales Planning and Analysis Department as an analyst. He studied dealerships in terms of sales history, market penetration and potentials, and model mix. This information was then incorporated into master plans for the District. In March, 1964, he was promoted to Zone Manager—working directly with 19 dealers as a consultant on all phases of their complex operations. This involves such areas as sales, finance, advertising, customer relations and business management. Responsible job? You bet it is—especially for a man not yet 25 years old. Over one million dollars in retail sales, annually, are involved in just one dealership Steve contacts. As a growth company in a growth industry, Ford Motor Company offers an exceptionally wide spectrum of job opportunities. The chances are good that openings exist in your field of interest. See our representative when he visits your campus. We are looking for men who want responsibility—and will be ready for it when it comes.

Coming: March 11, 1965
