## ATTENTION UNL STUDENTS

On March 14 the ASUN elections will once again be taking place. Most of the parties are pretty much the same as last year. Spending an outrageous amount of money on publicity, and stating the same bland and similar platforms.  
There is, however, an alternative. It is the FASHIN party. We feel the only difference between the other candidates' campaigns is the color of their posters. The FASHIN concept is simple. We'll do for ASUN what you want us to do for ASUN. The issues should be decided by the student, and we want you, the student, to make these decisions. Other parents seem to be dictating what they are going to do if elected. It is never mentioned if there will be any direct student input into ASUN.  
FASHIN can change ASUN, guaranteed, but we don't want your help. Your vote March 14 for FASHIN would be greatly appreciated. Isn't it about time we had an ASUN we could all be proud of?

Sincerely,  
FASHIN  
President: Tim Burke  
1st Vice: Michael Casaling  
2nd Vice: Andi Armstrong  
... and the best group of senators ever!
