Finals fun...

Continued from Page 17

There you were wrong,
 But with a little rote soon will be strong.
 Cram, my friend,
 Then regurgitate,

Or I'll pull the hair right off your pate.

Another Bloch beauty recounted the woes of taking a final after too much cramming.

True or False? A or B?

Not one of it makes any sense to me.

Was it Shakespeare or Frost?

Land of the lost?

What does labor have to do with the cost?

My head it is buzzing, My vision is fuzzing, From all of this if and for and becauseing;

My brain is so packed with notes from this class,

I fear I can't tell my head from my patoot.
