Continued from Page 11 Some models had short hair, or

Some models had short hair, or long hair; others had a combina-tion of the two, Kinghorn said. Regardless of the cut, most male models had some kind of per-manent in their hair, Henri said. More men can walk unafraid into

More men can walk unafraid into a salon for a permanent, she said. Kinghorn said many men find they can just get a body perm instead of a kinky perm. Kinghorn and Henri said the emphasis now in competitions — as well as in many salons — is the "finish," or the styling after the hair is cut or treated. Polished and sculptured hair styles promp-ted the popularity of Mousses. ted the popularity of Mousses, gels and glazes, Henri said.
