The Descon "Piked Out." Deacon Goodfellow came out of his front gate last Sunday morning and skipped blithly forth on his way to church, his mind doubtless filled with thankfulness to the creator for youchsafing his people such a warm, sunshiny Sabbath morning, after the long succession of riproaring, rampant ripspell of weather. As he came of Farnam street, he was paralyzed, as it were, at the scene that flashed | them. before his aged optics. In a recumbent position on the doorstep were two thirteen or fourteen-year-old solons of poor, but noble, houses, industricusly engaged in the consumption of a couple of nickel cigars, vulgarly

The good man paused on his journey and thus spoke unto the tender-yeared smokers: "Why, boys, I'm scared!" And he, that sat on the right hand, answered him, saying: "Then why'n the d-I don't yer pike out?" And the deacon "piked out," muttering some-think about the hard character of the average youth of the present genera-

RAILWAY RACKET.

Extension of the Union Pacific.

Tragic Death of a Wabash Engineer Trains are beginning to make sched-

ule time again and will probably keep it up until their next enemy, the flood, comes. The Rock Island train in yesterday was one of the heavlest that ever arrived at the transfer and was only fifty minutes late. The Northwestern was only two hours late, which nowadays is not worth speaking about and the west-bound U. P. train | ble mother, which will occur on the 15th

TO PUGET'S SOUND. Mr. T. A. Clark, of the engineering corps of the Union Pacific road, leaves to-morrow with a force of assistants. to begin the survey of a proposed Union Pacific extension from Granger, in Wyoming, to Portland, Oregon. This take place on the 20th. It should have line runs from Granger to Bear river, thence through Soda Springs, Idaho, and down Snake river, thence to Portland. The line is about 800 miles in length and will be made ready for the work of constructing at the earliest possible day. Mr. shops, because he is the happy father of Clark, of this city, has charge of the surveying for the first one hundred and fitty miles from Granger. and expects to be engaged until the middle of the summer or longer.
