Not long were they left to wonder in Gould.
A being soon came they had heard much about, True Sania Class' soil and thistory all any.
Be isoked like the picture * secovery day.
He drove up a team that looked very queer.
True a team of grasshoppers instead of reindeer.
He rode in a shell instead of a sleigh.
But he took them on hourd and drove them away.
He showed them all over his wondorful ream.
And factorize making goods tor women and men.
Furthers were working on hate great and mail.
To Bunce's they said they were sending them all, trig fingle, the torse alakar, told there at once.
A Hour Gloves we are sanding to Bunce.
Santa showed them suppenders and mans, things more. who paint and women who paint chifinding they had "something" on the hooks, began to haul in. They hauled in fifteen feet of it and began to get puzzled. But they went on for ten feet more, and then their best was full of it. So they passed up the head end to the yawl they were lying by, and paid it out like a hawser. The men on board tied the fish around the foremast and aff aggin, and at last, with a flop, the creature came to an end. It meatured six'y five feet, and resembled nothing more dreadful than "a silver cable." What was it! There is a good deal of feeling among the farming community in this part of Iowa over alleged outrages at the hands of pate 1 right men. The trouble seems to owientation and the source at the factore to an end. It meatured feeling among the farming community in this part of Iowa over alleged outrages at the hands of pate 1 right men. The the amount of the proposal!. THOMAS M. NICHOL, PAINTING AND PAPER MANCING HENLY A. KOSTE 15,1412 Dodge Street. I for his wild and children was hooks, began to haul in. They hauled na.
