having in the meantime borrowed fifty cents from a gentleman of this city on the plea he wanted to pay his board bill. On the same evening about 7 o'clock he took the pistol and went to the foot of Fifteenth street and practiced firing at a board, firing ten shots. He then returned to his boarding place, put the pistol by and waited for opportunity. Sunday morning, June 18, he was sitting in Lafayette park and saw the president leave for Christian church, on Vermont avenue, and he at once returned to his room and obtained his pistol, put it in his hip pocket and followed the president to the church. He entered the church but found he could not kill him there without danger of killing someone else.

The Fastest Time on Record Made by Maud S. at Pittsburgh Yesterday.

But for the Track Being Heavy She Would Have Made it in 2:08.

Other Sporting Notes.

National Associated Press.

PITTSBURG, July 14.—St. Julian was brought on the track to-day but was not speeded against time, his manager saying that the horse was not feeling well, but with promises to do some good work before the season is over, though.

Maud S. was exhibited again, wearing about her neck a beautiful wreath of flowers, the gift of the ladies of Pittsburgh. One of her grooms was also presented with a beautiful bouquet and her driver with a handsome basket of flowers. The feat of the queen in reducing her record in the time of much comment. A great many New Yorkers were here and lost considerable money on the trial, betting freely \$100 to \$50 that she would not go it in less than 2:12 or 2:13. The Pittsburgers, who had speeded their own nags over the track and knew its merits, took most of these bets and are in consequence full of pocket. Maud S.'s feat was witnessed by 20,000 people. As she came down to the wire all was expectancy. After one wire she started she came down again. Bair gave the nod to the judges who gave her the word to go, and away she went, two thousand watches timing her. As she passed the first quarter a murmur of disappointment ran through the audience, "She won't do it," "She can't," was heard on every side, but on the straight second quarter she picked up. As she passed the half mile in 1:05 1/2 the audience took heart and cheered heartily, "She does it," "She will," they said. As she struck the three-quarter mile Bair was seen to gently lay the whip across her back and the mare responded nobly, seemingly to fairly fly. She completed the quarter at a 2:07 gait, passing the quarter pole in 1:27. The fact was then almost assured that she would beat her best time, and the enthusiasm was unbounded. As she struck the straight home stretch a calm fell upon the vast crowd and all eyes were fixed upon the noble animal. She came thundering down the stretch in grand style, her speed seeming to scarcely touch. Down she came and passed under the wire in 2:10, the fastest mile ever trotted on earth.

The pent up feeling of the crowd burst forth, and deafening cheers rang the air. Captain Stone's hat went thirty feet in the air as he uttered the exclamation, "By God." As the mare was led back the captain rushed down and placed his arm about her neck, exclaiming, "It is glorious." The track is slow to-day, the fact she would have done it in eight seconds. He then ran over and telegraphed the news to Vanderbilt. She struck, although new, is pronounced on all sides the finest in the country. The first quarter is a slight decline, giving the horse a good send off, then a level quarter, then a slight rise and then a level and straight homestretch. Thus all the horse's muscle is brought into play without fatiguing him. Several horses other than Maud S. have reduced their records during the races. It is claimed by some that her time was less than 2:10. Probably she will go again.

BRIGHTON BEACH RACES. NEW YORK, July 14.—The races at Brighton Beach continued to-day. Weather warm. The first race, mile and a quarter, was won by Topsy, Outcast second. Time, 1:58 1/4. The second and third heats were won by Una K. Aleck Amount second in the second heat. Time, 1:46, 1:48. The fourth race, one mile, was won by Moscow, Luno second. Time 1:47 1/2. Alta B. came in second, but was disqualified for a foul.

Hogville Happenings. NATIONAL ASSOCIATED PRESS. CINCINNATI, July 14.—The temperature this morning is four degrees cooler than yesterday and a fine breeze is blowing. It is believed the fatality and prostrations from the heat will be much less than for the last few days. Seven others were fatally injured.

Three Lightning Bolts. NATIONAL ASSOCIATED PRESS. NEW YORK, July 14.—During a storm yesterday afternoon a thunder-bolt killed Theresa Kelly, aged 12, in Williamsburg, L. I.

During the funeral service in the Evangelical church, Greenville, New Jersey, yesterday of Wolfgang Stoel, a prominent member of the Knights of Pythias, a thunder bolt fell a few feet from the building, and shook it to its foundation. A panic ensued in the church, but no one was hurt.

Another bolt struck the pole of one of the carriages outside the church and knocked the horses down. The horses attached to the other carriages ran away.

THE HOME RUN.

The Democrats Force the Stalwarts to Agree to Their Terms.

A Motion to Adjourn Sine Die Passes by a Majority of One.

Decided to Adjourn. NATIONAL ASSOCIATED PRESS. ALBANY, July 14.—Assembly passed motion to adjourn sine die at three o'clock on Saturday by 62 to 61.

THE JOINT CONVENTION. ALBANY, July 14.—The joint convention met as usual at noon. The ballot for successor to Conkling resulted: Conkling 31, Lapham 71, Woodford 1, Potter 54. Total, 157. The ballot for Platt's successor resulted: Miller 73, Wheeler 12, Fish 7, Daniels 3, Adams 2, Chapman 2, Everts 2, Bliss 1, Starin 1, Kernan 0, total 107.

CORRECTION. The clerk announced an error in the call for short term ballot, and that Conkling's vote was 32 and Lapham 71. The convention adjourned till to-morrow, the democrats and stalwarts voting solidly for adjournment.

ALBANY REMORS. ALBANY, July 14.—The passage by the assembly of the adjournment resolution caused considerable excitement. The democratic threat to leave the joint convention to the republicans had a great deal effect, notwithstanding that the proposition has not received enough votes to enable it to be presented to the stalwarts for formal action.

The stalwarts say there will be neither election or adjournment this week. The half breeds claim that both the democrats say there will be an adjournment whether there is an election or not. A close canvass of the leaders of all factions indicate there will probably be an election of one or both of the half-breeds conference caucus candidates to-morrow or next day, and an adjournment on the latter day. The half breeds have been in conference to-night, and claim that they are assured of Miller's election to-morrow.
