STOCKS.

Stock market opened firm with advanced prices of 1/16 (1/2) per cent; rise being due chiefly to the more favorable report of the continued improvement of the president. There was a decline in the general list of 1/2 per cent. Kansas and Texas was exceptionally weak and dropped 2 1/2 per cent. Towards 1 o'clock there was a firmer feeling and a rally of 1/2 per cent, but during the afternoon this was lost and prices again generally touched the lowest of the day. Omaha Wholesale Market.

OFFICE OF THE OMAHA BEE. Monday Evening, July 25, 1881. Distribution of goods in the wholesale mercantile trade was fair yesterday. Mail orders were fully equal to the expectations of dealers, and while the volume of transactions was not heavy, it exceeded the usual amount at this season in former years. In dry goods, both cottons and woollens were firm, and the market has an upward tendency. Faro and country produce markets were characterized by no unusual features. Trade in the different branches, though not especially active, moved along well, and transactions aggregated the usual amount.

Prospects for the growing crops in sections, usually marketing at this point, are reported in a favorable condition, and with no serious accidents, a good yield is expected.

Wheat advanced 2 1/2 cents Saturday; rye declined 2; corn declined a fraction; oats, 20 lower than last quotations; barley, nominal and unchanged.

Live stock, still very little doing and unchanged.
