Call on Bemis. -250 houses and lots. Bemis's agency. -Don't fail to drink Saxe's cream soda. -Bemis' real estate boom. First page. -A. W. Nason, Dentist, Jacob's block. -Bemis' new map of Omaha, 25 cents. -Natural Mineral Water on draught at Kuhn's drug store. -For first Commercial Job Printing, all at THE BEE Job rooms. -The Lion continues to roar for Moore's Harness and Saddlery. -200 farms and 500,000 acres of land Bemis, agent. -Prescriptions a specialty, Opera House Pharmacy, 211 S. 15th Street. -Fresh supply of imported Key West and Domestic Cigars at Saxe's. -The cornice of Strang's building was being put in place yesterday. -Cholera infantum is causing a number of deaths among children at present. -Thomas Swift was out yesterday with several sprinklers laying the dust on Douglas street. -Dress Goods are going fast at Atkinson & Co.'s. Low prices will tell. Remember we have Bunting in all colors. -Safes, machinery, and all kinds of heavy hauling done by Brisco & Co., the safe men. -Any one having work for a type writer can be accommodated by telephoning THE BEE office. -City Jailor McClure's pet badger attracts a number of visitors to police headquarters. The badger seems to realize that he is a curiosity and it is only on occasions that he will permit himself to be seen. -There has been quite a sudden change in the weather during the past two days. The thermometer at the signal service office indicated yesterday at 5:45 a. m. 74 degrees, at 9:45 a. m. and 1:45 p. m. 91. -Five cases of intoxication passed under the official eye of Judge Bencke yesterday. Four went to jail. An example was made of one who had been up before the court three times on the same charge. He was sent to jail for twenty days. -William A. Brown brought a coyote into THE BEE office yesterday. The animal created quite a sensation. Mr. Brown caught it a year ago and has it well trained and under complete subjugation. It makes a novel kind of a pet. It is death on dogs and a cur cannot approach it without leaving well demoralized. -Several important improvements are being made in Williams' store whereby the Fifteenth street entrance to the public library will be done away with. The entrance hereafter will be from the Douglas street side. This is more convenient and patrons of the library now stand less chance of breaking their necks on dark nights. -A Herdic coach is on exhibition at Stephenson's stables. This style of street conveyance is something entirely new, and is very convenient for the purposes for which it is designed. It is understood that Mr. Stephenson will start a line of these coaches in Omaha if he determines it can be made successful. He will start with six or eight coaches, and add to them as traffic increases. PERSONALS. -Geo. P. Bemis and wife went east yesterday. -W. H. Burns, of the U. P. went to Sid. ney yesterday. -J. B. and Dick Kitcher went to St. Joe last evening. -D. G. Hull, of Lincoln, Neb., arrived in Omaha yesterday morning. -Vincent S. Stone, of Orwego, N. Y., is among the guests at the Withnell. -J. Neal Perkins, a Syracuse, N. Y., lawyer, is staying at the Withnell. -Mrs. P. G. Inlah and child arrived from Holyoke, Mass., yesterday. -A. E. Simpson, left Omaha yesterday on a pleasure trip to Chicago. -Rev. J. W. Taylor and lady left last evening for New York, over the Wabash route. -Mr. McMurray, of the U. P. law department, started yesterday for Laramie, Wyo., on business. -George H. Morrison and lady and W. H. Joy, all of Indianapolis, are registered at the Withnell. -Frank Riley, who has been sojourning in Utah and Wyoming for some time past, reached home yesterday afternoon. -Miss Sallie Ponsford went west to Carbon, Wyoming, to-day on a pleasure trip. She will be absent about two weeks. -P. C. Backus and family left for the east yesterday. They will spend a month in New York, Boston and other eastern cities. -W. L. Hance, for the past eleven years a conductor on the Hannibal & St. Joe road, has been spending a few days in the city, the guests of his sister, Mrs. L. McCoy. -Mrs. Lizzie Smith, of Carbon, Wyo., a relative of Mrs. Jack Morrow, lately deceased, who has been in Omaha since Mrs. Morrow's burial, left for home yesterday. -Capt. N. S. Scott, city engineer of Lincoln, is in the city. He has accepted a position in the engineering department of the Union Pacific railroad, and left yesterday for his work on the Omaha, Niobrara and Black Hills railroad.

BIG BUSINESS.

Done By Council at the Meeting Last Night. Monthly Appropriations and Other Important Matters. Mr. Dunham Hits Straight From the Shoulder. A regular meeting of the city council was held last evening. There were in attendance Messrs. Baker, Corby, Dellone, Dunham, Hornberger, McGavock, McNamara, O'Keefe, Stull, Herman and President Dailey. Mr. Kaufman was absent. A communication was received from the mayor in regard to some grading done by Duffey Bros. He recommended that nothing be done. In the same connection a letter was read from the city attorney, Gen. Manderson. The work was done in the neighborhood of the excavation in which Miss McGowan fell and sustained injuries. The letter charged that this happened through carelessness of the contractor. He advised that the claim be not paid. The papers were filed. The mayor appointed W. J. Bronch, Chas. J. Coutant and Thos. Gibson appraisers to appraise the damage resulting from the opening of Douglas street between Nineteenth and Twentieth streets. The action was approved. The mayor approved the ordinance to amend the authorizing and procuring of the construction and maintenance of water works. A communication was received from Col. Chase in regard to a careful compilation of the ordinances he had made. It was referred to the committee on printing. City Treasurer Mallett reported that it was almost impossible to get a report of his office ready at the time required by the charter. The matter was referred to the committee on printing. City Marshal Angell was granted a leave of absence for twenty days. A communication was received from a large number of citizens asking that street lamps be placed upon Eighteenth street from Izard to Lake's addition. It was referred to the gas company. A committee from the Millard hotel company asking for the paving of Douglas street was referred to the committee on streets and grades. Harry H. Kirby had a grievance in a double collection of taxes, once in this city and once in the country. It was referred to the committee on finance. Judge Bencke reported \$5 collected in fines by him since his appointment. He paid over into the city treasury \$1,003.26 in fines between June 1st and July 31st. The report was referred to the committee on police. S. Reichenberg was granted two months' time to fix his sidewalk on Charles street. Mr. Hanson was given authority to do some grading on Nineteenth street, near Douglas. The bond of the Omaha Publishing company to faithfully carry out the contract to do the city printing was presented. When the motion was made that it be accepted, Mr. Dunham made a brief statement in regard to the allegations of the editor of a new evening paper. The bond was approved unanimously. The bill of the Omaha Gaslight company for \$903.69 for the months of June and July was referred to the committee on gas. A communication asking for the extension of Covert street from the north side of Harney running north to the north side of Farnham street. The petitioners were willing to waive damages. It was referred to the committee on streets and grades. The bad condition of Twelfth and Pacific streets was referred to in a communication from T. Long, who claimed \$10 for damages done his wagon. It was handed over to the committee on claims. A communication from W. J. Welshans & Co., asking to be allowed to run a water pipe into the alley between Farnham and Douglas streets, was referred to the committee on waterworks, with power to act. A petition was received asking that horse trading be prohibited at the corner of Fourteenth and Douglas streets. The matter was referred to the police committee. Thos. Gibson is willing to remove all dead animals at the rate of \$1 a head for horses or cattle and 50 cents for dogs. The police committee will attend to the matter. City Engineer Rosewater reported that the necessary amount of grading to fill the pond on Fairview street would be this: Fairview street, full width, 3,350 yards; St. Mary's avenue 550; or a total of 1,900 yards. The monthly report of the city physician showed 68 deaths; 16 in the Third; 4 in the Fourth; 4 in the Fifth; 1 in the Sixth; 10 in the hospital and 3 in places not reported. There were 36 births. Councilman Kaufman was excused from council duty, owing to absence from the city. A stagnant pool of water was reported in the rear of lot 3, block 28. The matter was referred to the committee on streets and grades. A report was received from Sixteenth street property holders asking to be allowed to make sewer connection with Main or Jackson street, the work to be done at their expense. The matter was placed in the hands of the sewer committee. Another communication from the same gentlemen asking that the grade

of Sixteenth street between Harney and Jackson be completed was reported to the committee on streets and roads and the city engineer. The bid of Chas. Gardner and Wm. Wallace, to furnish material for sidewalks, was referred to the committee on streets and grades. The city engineer was instructed to report sidewalk not kept in repairs. The matter of landscaping the city treasurer's office was referred to the finance committee. A resolution that the action of the city engineer in regard to the grading of Spruce street in Credit Foncier addition be opposed, was adopted. The city clerk was instructed to advertise for bids for sixty tons of hay for the fire department. The committee on gas was instructed to find out why the street lamps were not lighted on the night of August 1. The city marshal was instructed to enforce the fire limit ordinance. The street commissioner was instructed to repair the bridge east of the U. P. It was decided that the appraisal for the proposed change of grade of Farnham street between Sixteenth and Nineteenth streets be set aside and the mayor be requested to appoint three persons to appraise the cost to be incurred by such a change. The city engineer was instructed to report the cost of grading Nineteenth street between Dodge and Farnham streets, and Twentieth street from Farnham street to St. Mary's avenue. The city clerk was instructed to advertise in the official paper for six days prior to August 8th to the effect that the council will sit as a board of equalization for five days, commencing August 9th. It was ordered that all material purchased or labor performed be upon written order; that the bids rendered shall be read in open council and referred to and no bills unless they go through this routine will be placed in the appropriation list. Mr. Baker presented a resolution to the effect that the street force be withdrawn August 6, and that the commissioner be allowed four teams and eight men. This was amended to extend the time to the 11th instant, which was adopted. The city engineer was instructed to report plans and specifications for supplying Hanson park with water, with the quantity and size of pipe wanted and ornamental fountains required. The city treasurer was instructed to cancel the tax levied against Geo. T. Crandall for 1880. The committee on judiciary recommended that the case of Sophia Lowe against the city be compromised by the payment of \$2,000. The recommendation was adopted. The bills of Geo. Patterson for \$75.95 and \$93.60 were ordered to be paid. The city engineer was instructed to prepare an ordinance providing for the levy of a tax to pay for guttering and curbing of Farnham street between Fifteenth and Eighteenth streets. The contract for guttering and curbing Harney street, Tenth street and Sixteenth street was awarded to Drexel & Mack, they being the lowest bidders. They do the work for \$1.91 per lineal foot on Harney street and \$1.97 for Sixteenth street. Luke McDermott got the contract for grading these streets. The city attorney was instructed to draw up an ordinance creating the office of city scavenger. The committee on public improvements reported that a fountain and necessary work in Hanson park would cost \$975. Action was delayed until the city engineer reported on the matter. The committee on streets and grades recommended the change of grade of Tenth street from a point 422 south of Pierce street, provided property holders waive damages. The ordinance establishing a grade on Farnham street from a point 205 feet west of Jefferson street to the city limits was passed. The grade of Idaho street in Nelson's addition was fixed. The ordinance on abolishing the grade of Davenport street from Twenty-third street west to Twenty-sixth street was passed. The salaries of the paid fireman were raised \$5 per month, beginning August 2. The ordinance making appropriations for the payment of liabilities for the month of July, showing a total of \$14,078, was passed. Mr. McNamara was excused for six weeks. The committee on sidewalks was instructed to purchase 42,000 feet of oak lumber at \$30 per thousand. Council will sit as a board of equalization next week. On Tuesday Messrs. Kaufman and Dellone will sit on Wednesday, Messrs. Dunham and Corby; on Thursday, Messrs. McGavock and Herman; on Friday, Messrs. Stull and Hornberger; and on Saturday Messrs. O'Keefe and Baker. On Saturday at 1 o'clock council will sit in full board to decide matters. Council adjourned for one week. DYING BY INCHES. Very often we see a person suffering from some form of kidney complaint and is gradually dying by inches. This no longer need to be so, for Electric Bitters will positively cure Bright's disease, or any disease of the kidneys or urinary organs. They are especially adapted to this class of diseases, acting directly on the stomach and liver at the same time, and will speedily cure where every other remedy has failed. Sold at fifty cents a bottle, by Ish & McMahon. "BLACK-DRAUGHT" cures dyspepsia, indigestion and heartburn. C. F. Goodman's.

OVER THE WAY.

Occurrences of Interest in Council Bluffs. High Old Time at the Colored Celebration. Personal Paragraphs and General Matters. TIT FOR TAT. A LIVELY DISCUSSION AT THE COLORED CELEBRATION. During the celebration Monday Hon. C. R. Scott in his speech, remarked "that the colored people of this country, since the government gave them their freedom, had not shown themselves men," that, as a class they were indolent; that they were not a productive people, but were shiftless and lazy, and unless they changed their course they would find themselves worse off than they were before they were made free. He charged them finally with selling their votes at every election, from 50 cents to \$2. To the latter declaration a big darkey preacher, Mr. Ricketts, from Omaha, took exception. He said that as a class the negroes in this country had more brains than the whites. He did not know whether the colored people over here sold their votes or not, nor did he care, so long as they put a good price upon them. He declared that they should ask enough to enable them in a few years to purchase a piece of land for themselves. As for the charges preferred by Mr. Scott, he claimed that that gentleman was untair. That he could not have given much attention to the affairs of this country. Christopher Columbus, who discovered America, might have descended from the African race and been just as good a man for all that. Fred Douglas was looked upon to-day as the peer of Henry Clay or any member of the present city council. Every dollar that is now issued from the treasury of the United States bore the imprint of negro superiority. The president believed that the monetary affairs of this great country were not only in the hands of those who sat yesterday before bending their backs to the lash and trying to keep their heels out of the jaws of bloodhounds. RATHER LIVELY. There are unpleasant reports from the colored celebration in Glendale on Monday. The beer, it seems, was a fresh when it reached ground and in unloading one of the kegs burst. A big colored woman from St. Joe, who came to the celebration, brought considerable muscle with her in the shape of a woman by the name of Laura. This lady was standing near and got struck with the flying bung. She supposed she was hit by a colored sister standing near, and struck the innocent woman a stiff blow from the shoulder which landed her against the tree upon which hung the immortal Lincoln's picture. At this moment a woman by the name of Lizzie Pellison jumped from a carriage and struck a man by the name of Anderson, who struck back. The two clinched, when the woman fell and the man fell on top of her. While another dusky individual was trying to separate them a big fisted female was lashing him with a rawhide from the carriage. The policeman at this moment appeared upon the scene and quietness was restored. Anderson was arrested and taken to the police station. He had his examination yesterday morning. One very striking feature of the freedmen's celebration in this city on Monday was a very large picture of the martyred Lincoln, decorated and suspended from a tree. Rev. G. H. Wade (colored), who was invited to invoke God's blessing, refused, remarking that he never yet asked God to bless a dance that was being conducted under the inspiration of "gin and sugar." SPORTSMEN CLUB. "The Council Bluffs sportsmen" met at the board of trade rooms Tuesday evening to transact important business connected with the association. A proposition to fence in Martin's Lake, situated in the south part of the city, for the purpose of stocking the same with fish, was favorably received. The following officers for the ensuing year were chosen: Thos. S. Farnsworth, president; Richard Green, secretary; Chas. Officer, treasurer. The following well known citizens were elected as board of directors: Thos. Officer, W. S. Farnsworth, R. Green, Chas. Officer and A. C. Graham. The club, after transacting other important business, adjourned to meet at the call of the president. TRIANGLER PICNIC. When will the colored fellow citizens get over "that picnic" a white man named J. Murry struck a child that a colored man, named Anderson, claimed to be the father of. Yesterday afternoon Anderson made complaint before Judge Burke, and Officer Stirling was sent with the necessary documents to bring Murry before his honor. As Stirling was leaving the house with Murry in charge he met Anderson in the yard. Murry struck him and knocked him down and was about to do him some bodily injury when Officer Stirling ordered him to desist. But Murry was bound to have revenge and declared he would whip Anderson. Officer Stirling, to settle the affair as easy as possible, drew his repeater and informed Mr.

Murry that if he did not desist instantly that he would fix him so that if he attended the celebration next year he would be obliged to go there on crutches. He desisted at once. THE BLUFFS IN BRIEF. J. T. Stewart and son, of the well known firm of that name, will soon leave the city on an extended business and pleasure trip. District Attorney Coizer, of Dennison, Crawford county, and Hon. John Y. Stone, of Mills county, were present at the city attendance upon a habeas corpus case before Judge Reed yesterday. Judge Abbott issued a warrant on Tuesday evening on complaint of G. W. Corners for the arrest of James Kratzer, who resides in "Big Grove," on a charge of disturbing the peace. The warrant was placed in the hands of Constable Rosecrantz, who repaired to Big Grove and arrested Kratzer and brought him before Judge Abbott who held him in the sum of \$40 to appear on August 5th, to answer the charge. In default of bail he was committed. A writ of attachment was issued out of Justice Frainney's court Tuesday against the goods and chattels of a party who had taken up his bed and departed for Omaha. Constable Rosecrantz, who had the aforesaid writ to enforce, repaired to the dummy train. He found the party with all their personal effects in a wagon. Rosecrantz concluded that all they were taking with them would not exceed \$10, and as the law of the state allowed them to take away \$75 worth he did not interfere with their departure. "Who are the men who wear fashionable dress coats, with cloth enough in the skirts to make bed quilts for winter covering for at least two poor families," is charged in the Nonpariel. This he did not suppose any of our citizens were so extravagant as all that. John Beckley, who went to Colfax Springs for his health, has returned and is looking quite well, although the recent attack of rheumatism compels him to walk with crutches. Maj. Young, uncle of the young brothers, incarcerated in the Minnesota penitentiary for life, having been convicted of being accessories to the crime of murder in killing the cashier of the Northern bank during an attempt to rob the bank, was in this city Tuesday, on route for Missouri. Mr. Young visited Minnesota for the purpose of interceding in the behalf of his three nephews. He failed in his mission. Hwong Tak Kuen, Chinese vice consul of San Francisco, arrived in Council Bluffs Tuesday evening on his way to Washington and other points east. He was interviewed by a reporter of the Nonpariel, and of course speaks English although he has only been in this country three years. Mrs. Charles Shenaden, wife of the photographer, has so far recovered from her recent severe illness as to be able to go out again. Mrs. Shenaden will leave Council Bluffs to-day on a short visit to her sister, Mrs. B. F. Eaton, at Magnolia, Harrison county. Mr. D. Farwell, deputy sheriff of Mills county, was on the streets yesterday. Hon. James G. Day, judge of the supreme court, was in the city yesterday. T. S. Rattle, who makes things rattle for the C. & N. W. railroad company, was in the city yesterday, a guest of General Agent Clark. Fifty-two cars of cattle went east over the "old reliable" route yesterday. Peter Miller is painting the Bloomer school building. Officer Clough arrested a Swede named Anderson yesterday, on complaint of Mr. Jernman, poll tax collector, for refusing to pay his poll tax. The arrest was made under the city ordinance now in force, found on page 154, section 6, which provides "That after due notice to appear and work out a poll tax, in default, the citizen shall be liable to the city in the penal sum of \$2, which sum the city may recover either by a civil proceeding, or on information, by a criminal proceeding as in cases of misdemeanors." This may be all right, but it looks queer to a man up a tree. J. P. Conner, district attorney, called at THE BEE office yesterday. Mr. Conner says a large number of the people in Dennison, where he resides, take THE BEE. Mr. Conner has had charge of the criminal business for the state in the 13th district for only a short time, but has already shown himself to be the right man in the right place. Judge Reed heard the famous Wiley habeas corpus case at the office of the law firm of James & Rylesworth on Pearl street, yesterday afternoon. The facts of the case are these: The man Wiley was arrested in Mills county for burglariously breaking into and entering a railway car and taking merchandise therefrom. He had a hearing before a justice of the peace, and change of venue at the same time claiming that at the same time sons existed for not having the case go to the next nearest justice. The justice, however, sent it to the next nearest justice and the examination was had and Wiley held to appear at the next term of the district court. His attorneys saw a point and advised Wiley instead of giving bail to deliver himself into the hands of the sheriff. They then came to Council Bluffs and obtained the writ that commanded the sheriff to have the body of Wiley before Judge Reed yesterday. After a hearing Judge Reed discharged Wiley, but he was immediately arrested and taken back to Mills county and will probably be bound over to await the action of the grand jury. Any of THE BEE patrons not receiving their paper promptly will please refer the fact to THE BEE office. Somebody is apparently helping themselves to papers that do not belong to them. THE BEE is only 20 cents per week, delivered by carrier. It is put at this low figure so that everybody can get all the news at a nominal price. We had rather give it away at this office than to have it stolen from yards after it has been delivered. Frederick Sparling left last evening for his old home in Madgeburg, Prussia. J. D. Edmondson writes to his

father-in-law that the Isle of Shoals, off the coast of Maine, should be called the Isle of Coals. They are obliged to keep up a fire constantly to keep from freezing. A lady who visited the city on the other side last Saturday says she people over there should either sprinkle the streets or be compelled to furnish visitors with a pair of goggles. Henry DeLong has purchased the old "Babbitt mill" and will at once remove it on to a lot in this city and fit it up for a tenement house. The board of trade met last evening at their rooms on Pear street. REAL ESTATE TRANSFERS. The following real estate transfers were filed in the county recorder's office, as reported by the title, abstract, real estate and loan office of J. W. Squire & Co., Council Bluffs: Hoyt Sherman, receiver, to Josie V. Benjamin, lot 13 in blk. 2, Avoca, - \$50. Geo. W. Bosley to C. S. & A. Lebeck, pt lot 5 blk 16, Walnut. - \$725. L. R. Tuttle to Keystone Manufacturing company, 11 in 75 in sub of Riddle tract. - \$425. J. A. Zoller to Keystone Manufacturing company, 12 in 75 sub of Riddle tract. - \$475. CONTRACT LET. For Building the New Grand Central. The bids for the work on the Grand Central hotel were opened yesterday and the contract awarded to John Volk & Co., of Rock Island. The other bidders for the entire work were Hennessy Bros., of Chicago, and James A. McGonigle, of Leavenworth. Besides these there were several local bidders for patrons of the work. It was decided, however, to let the whole contract to one firm. The money consideration is not stated. J. B. Kitchen was met yesterday and in the course of the conversation said that the building would be under roof by Christmas, so that the interior work might be gone on with during the winter. Further than this he said he could at present give no information. "WINE OF CARDUI" for Ladies only. C. F. Goodman's. SPECIAL NOTICES.
