ALL GOING ON WELL.

WASHINGTON, August 9.—This morning's bulletin of the president's condition was not so generally satisfactory as had been expected, but the physicians give full assurance that all is going on well.

TEMPERATURE GRADUALLY DECLINING.

When the physicians arrived this morning they found the pulse was beating firmly and evenly. The temperature was higher than it has been at any morning examination since the relapse, but the physicians say they are not disappointed.

DR. HAMILTON CONFIDENT.

The president's slow improvement to-day was far from satisfactory to the general mind, but when it became known that Dr. Agnew had gone home and Dr. Hamilton was not expected to return until Thursday a more favorable impression spread abroad.

NO MORE CUTTING NECESSARY.

Others who have been visiting the sick-room say that he looks better in many ways and shows improvement. A favorable flow of pus without the use of the drainage tube is cited by the physicians as an evidence of the probability that no more cutting will be necessary except in finding the ball.

SECRETARY BLAINE ILL.

WASHINGTON, August 9. Secretary Blaine's leaving the city has been hastened by his being affected by malaria. He will start for Maine to-morrow unless the president should be worse.

TUESDAY'S BULLETINS.

EXECUTIVE MANSION, August 9.—8:30 a. m.—Notwithstanding the effects of yesterday's operation the president slept the greater part of the night without the use of any medicine.

LINCOLN LETTER.

Three Escaped Convicts Sentenced to the Penitentiary.—A Pleasing Marriage Ceremony.

LINCOLN, August 9.—The three convicts who escaped from the penitentiary last night, were sentenced to the penitentiary for horse stealing and grand larceny. The guard must have been asleep, as the convicts escaped by scaling the walls with the ladder which had been used in laying the kiln, and up to the present writing have not been heard from.

DR. ISH DEAD. He Passed Away Shortly Before Noon Yesterday.

The List of Old Settlers Thinning Out.

At 11:30 o'clock yesterday Dr. James K. Ish, the well known senior member of the drug firm of Ish & McMahon, passed peacefully away from earth at his residence, 2512 Leavenworth street.

Four weeks ago last Sunday Dr. Ish left on a pleasure trip to Minnesota. After reaching St. Paul he went to Duluth, then down to Detroit, over to Canada, finally closing that portion of his trip by returning to St. Paul. It was his intention then to make a fishing tour of the neighboring lakes, and he laid out a plan for so doing when he was suddenly taken down with a summer complaint.

Dr. Ish was a Virginian by birth and settled in Omaha as early as 1856. He entered at once into the drug business and remained in it up to the time of his death. About a year ago last June he associated with him in the wholesale business a young man named Lawrence McMahon, who came here from Chicago, Iowa. Since that time the firm has been known as Ish & McMahon.

A happy event took place yesterday morning, being the occasion of the marriage of our friend Thomas Benton and the estimable daughter of Mr. John McManily. The wedding was private, there being outside of the relatives only a few intimate friends. Mr. Benton has been for some time employed in the state auditor's office as bookkeeper, and is very popular at the state house and among the young people of Lincoln. Miss Fannie McManily, the bride, is a graduate of our university and has endeared herself by her many accomplishments and her kindness to all with whom she has acquaintance.

They were married at 6:30 a. m. at the residence of the bride's parents by the Rev. Lewis Gregory and left immediately via the O. & N. Y. and U. P. R. R. for Salt Lake City and will visit Colorado on their return trip. We extend our congratulations to the truly happy pair.

The Ladies' Land League. Last evening the Ladies' land league held another interesting and enthusiastic meeting in the rooms of the Union Catholic Library association to make the necessary preliminary arrangements for the forthcoming picnic to be held on the 20th inst. Miss Sarah Brennan presided. It was decided that Mrs. Peter Flanagan's name be added to the committee for the first ward. The president announced that Charles Macdonald and Charles Hanley could act upon the committees to-day to instruct them regard to arrangements for the picnic. The ladies are selling tickets in great number and there is every probability that the picnic would be a big success. The meeting adjourned until four o'clock next Sunday afternoon.
