

A GOOD WORK.

The Origin and Object of the Y. M. C. A.

General Secretary Howers sends some interesting statistics.

Our old friend George T. Howser, formerly general secretary of the Y. M. C. A. at this city, and now assistant secretary at Chicago, sends us a copy of the 25th annual report, which is quite an interesting document.

Those engaged in the same work in Omaha will appreciate the following statistics of the work in Chicago:

Table with columns: Membership, Rooms used in the work at rail, Gymnasium, average daily attendance, Baths taken, Evening classes, per week, Enrollment of pupils, Lectures, courses, etc. in members' course, Average attendance, Employment found for men and boys, Religious meetings, Average meetings per day, Average attendance per day, Papers, magazines, etc. distributed.

The welfare of young men is the sole object of the Y. M. C. A. To keep them from evil, and win them to be Christian gentlemen, industrious workmen, good citizens, loyal to their homes and church, is the purpose and work of the Young Men's Christian Association.

In 1844 George Williams organized a prayer meeting in London, England, for the young men in the business house where he was employed. This was the first step toward the organization of the Young Men's Christian Association.

The St. Paul & Omaha Ry. has decided upon Wakefield, Dixon Co. on the Norfolk branch as the starting point for its northern spur, and has put a large force to grading there this week.

The children connected with the Industrial school of Trinity cathedral will be at the Cathedral at 2 o'clock p. m. Saturday for their picnic at Hanson park.

The handsome bartender at one of our leading hotels recently received notice that his grand father had remembered him in his will and upon applying to his attorneys for further information found that he had been left the sum of one cent.

On the Fourth of July a package of papers, including an "American Record" memorandum book, and ten contracts for the Omaha District Messenger Co., was lost.

Six traps were arrested on the charge of holding a man up on the night of the Fourth, near Boyd's packing house and robbing him of \$37 and a razor. No money was found on the prisoners and they were given 15 days on bread and water as a punishment.

Judge Anderson, in common with the other Justices of the Peace, has some curious cases lodged before him but the first case in which he was ever called upon to issue a writ of replevin for a "yaller" dog yesterday.

WILFUL MURDER.

Martin Knight Dies at St. Joseph's Hospital.

His Murderer Still at Large.

Martin Knight, the victim of the shooting affair near the U. S. corral Thursday morning, an account of which has already been given, died about 8 o'clock this morning at St. Joseph's hospital, to which he was removed for treatment.

The trouble as usual arose about a woman, a notorious character, with whom Sears was intimate and concerning whom he had been twitted by Knight.

Mr. Winters, who despite his sadly crippled condition, has for years made his own way successfully through life, and who formerly lived here, is in the city looking after some property interests. It is quite a trouble for a man who has to wheel himself about in a little wagon and keep on the move over twenty different states.

W. P. Brewer and family have gone to Minneapolis on a short visit.

Mr. Loomis, with David Bradley & Co., has returned for his eastern business trip.

THE VITAL QUESTION.

Ask the most eminent physician.

Of any ailment, what is the best thing in the world for quieting and allaying all irritation of the nerves and curing all forms of nervous complaints, giving natural, childlike, refreshing sleep always!

Ask any or all of the most eminent physicians: "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention or inability to retain urine, and all the diseases and ailments peculiar to women?"

Ask the same physicians: "What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, neuralgia, fever, ague, etc., and they will tell you: 'Dr. Williams' Pink Pills for Pale People.'"

THE DESERTERS. Eight Military Criminals Still at Large.

Eight military criminals, who escaped from the guard house at Fort Omaha, are still at large. They are Edward J. Murphy, enlisted at Washington; Thomas Fitzgerald, enlisted at Boston; F. Anderson, enlisted at Fort Omaha; Alonzo Barden, enlisted at Cleveland; Franklin Bratton, enlisted at Chicago; William Calhoun, enlisted at Fort Elliott, Texas; George Price, enlisted at Albany, N. Y.; Henry Martin, enlisted at Fort McKinney.

It appears that there were nineteen convicts in all in the guard house, all for desertion, and in order to make their escape there were three guards to overcome.

A Blessing to all Mankind. In those times when our newspapers are flooded with patent medicine advertisements, it is gratifying to know what to procure that will certainly cure you.
