Bob Harris, of Missouri Valley, bobbed in among his friends here yesterday, as jolly as ever.

L. Tinkler, the Ida Grove banker, and E. A. Bennett, also of that place, were at the Pacific yesterday.

Mr. and Mrs. V. H. Kiffes, of Carthage, Mo., are here on their wedding trip and stopping at the Ogden.

The approaching marriage of Jerry Quinn, conductor on the K. C., to Miss Rogan, of Colorado, is announced.

Assistant Chief Mitchell, of the Omaha fire department, was in the city Saturday, taking in the town under the guidance of Chief Templeton.

Miss Dora Smith, of St. Joe, and her friend, Miss May Nutt, of Boston, daughter of Col. H. C. Nutt, president of the Atlantic & Pacific railway, are in the city visiting, and are the guests of Mrs. Horace Everett; who is an aunt of Miss Smith.

Mrs. W. F. Sapp arrived home yesterday from an extended visit to friends in Ohio. Her sister, Miss Nannie Brown, of Mt. Vernon, O., returned with her for a visit here, and her brother George W. Brown, of Denver, arrived last night for a few days stay here.

Coroner Paul on Saturday met an old friend here, in the form of Silas Leech, who used to keep books for Mr. Paul in this city in 1856. Mr. Leech about that time left here, and went to Scranton, Pa., where he has since kept books for the locomotive works there. His health is giving way by close confinement for so many years, and he has concluded to go to California and engage in some other business there. While on route he stops over here for a few days to greet such old friends as still live here.

C. Sheffield, a railway contractor, who is well known in this part of the country, and who now makes his home in Albuquerque, New Mexico, is spending a few days in the city, greeting the old friends from whom he is now absent three years. Mr. Sheffield is the owner of the town of Kingman, Mohave county, Arizona. He has become interested in a dynamite drill for mining purposes, so arranged that by using dynamite cartridges the drill is given great power by the quick and repeated explosions. He thinks he has a fortune in it, and it certainly is a startling invention. It will be a great thing, indeed, if, instead of dragging an engine up a hill among the mountains, the engine can go from mine to mine with his motor done up in a little box of dynamite cartridges carried in his vest pocket. A great scheme that.

The Merry Hells.

A wedding occurred at St. Joe last Thursday evening, which was not only an important society event there, but also an event which excites much interest here. Dr. J. D. St. C. Hillis, a young man who formerly resided here, and who has many friends in this city. The bride was Miss Virginia Fuller, a young lady whose beauty and accomplishments have made her one of the leaders in St. Joe social circles, and a general favorite. The ceremony was performed by Rev. Dr. Runnie, in accordance with the Episcopal ritual, the service being, however, in the First Presbyterian church, which was crowded with the friends of the young couple.

The attendants of the groom and bride were Charles S. Pease, of Omaha, and Miss Dora Smith, of St. Joe; Charles Bernard and Miss Sanders, of St. Joe; W. F. Sapp, of Council Bluffs, and Cass McDuff, of St. Joe. After the ceremony at the church a reception was given at the residence of the bride's father, which was largely attended. The presents were many, and really excellent, and all the arrangements in over-

all were elaborate, and were carried out with making the event one of the most brilliant in the social history of St. Joe. The newly wedded ones left on the midnight train for Omaha, from which

place they came here Saturday, and are now making a few days stay here as the guests of Mr. and Mrs. A. W. Street, where they are receiving many hearty expressions of congratulation and well wishes from numerous friends here.

NEOLA NOTES.

A Lively Street Scene—Another Wedding to Take Place Soon.

Correspondence of THE BEE. Neola, Iowa, November 2.—Patrick Hanifan, of Weston, was in town to-day with his family, coming from home in a lumber wagon. During his stay among us he got pretty well loaded with "prohibition juice," and in driving around to get his family in the wagon, he tried to create a side show of his own by showing his inability at horsemanship, turning around in front of J. W. Butler's store on a full run. He fell out on the ground, which attracted the attention of the marshal, who at once proceeded to arrest him. They began a running fight, and the marshal not being a heavy enough gun alone, he had to have the assistance of several of the boys, in order to lodge him in the "cooler." On being arraigned before the mayor he pleaded guilty and was fined \$20 and costs, for being allowed to celebrate.

A. J. Porter, the man who lost a span of mules some time ago, is into a marrel with the officers about the reward offered. A man who offers a liberal reward in order to encourage officers, should stand up like a man and pay it when it is earned. Constable Ed. Patterson, of Lewis, Cass county, was in town to-day on official business. A hale fellow well met and to Ed. the latch string is always out. Since the recent double wedding here it is rumored that there is an early day to be more of it. Justice Clark has always a fresh bouquet of orange blossoms on his desk. Come right along. More anon.

THE NEW PASTOR.

Rev. Mr. Bates Delivers His Inaugural Sermon at the Presbyterian Church.

Yesterday morning Rev. A. K. Bates, the newly chosen pastor of the Presbyterian church, entered upon his public duties, and preached two excellent sermons to large and attentive congregations. Yesterday morning he was particularly appropriate to the new position which he enters. He dwelt upon the special call, which he believed a man should receive before entering the ministry, and upon the duty of the minister to please God rather than man. The ideal preacher, as he pictured him, should be a firm believer, and a consistent liver, and should not preach what was merely pleasing to his congregation, but declare plainly the truth, which it seemed his duty to force upon their attention. He also spoke of some of the duties of the church, both individually and collectively, and marked out a course for both pulpits and pews, which will result, if carried out, in the furthering of the good work for which they are banded together. Mr. Bates is a man of pleasing pulpit manner, evidently a clear thinker, and an impressive one with the honesty of his convictions of truth.

CONVINCING.

The proof of the pudding is not in chewing the string, but in having an opportunity to test the article direct. Schreiber & Koch, the druggists, have a free trial bottle of Dr. Bosanko's Cough and Lung Syrup for each and every one who is afflicted with Coughs, Colds, Asthma, Consumption or any Lung Affection. CAUSE OF FAILURE.

Want of confidence accounts for half of the business failures of to-day. Schreiber & Koch, the druggists, are not liable to fall for the want of confidence in Dr. Bosanko's Cough and Lung Syrup, for they give away a bottle free to all who are suffering with Coughs, Colds, Asthma, Consumption and all affections of the Throat and Lungs. SHERIFF'S REPORT.

Under date of May 16, 1883, Mr. Deiah Cook, formerly sheriff of Stoweburg, Mo., writes as follows: "I have been afflicted for over twenty (20) years with a weakness of the kidneys and I have had severe pains in the back and sides, which were brought upon me in the first place by exposure during my stay in California during the early settlement of the gold fields. At times my water troubled me very much, and after trying many different means without receiving any benefit, I was induced to try Hunt's Remedy, although I had such prejudiced against it and all other medicines. I purchased a bottle at Washburn's drug store, here in Stoweburg, and I found that the first bottle relieved all pains in the back and sides, and I have, in my family, used five bottles in all, and have found its medicine of real merit and of great value, and have gladly recommended it to many of my friends and neighbors who universally praise it in high terms. You are at liberty to use my name for the benefit of suffering humanity."

TIMELY ADVICE.

I have been troubled with kidney disease and gravel for a long time with severe pains in my limbs and back, with inflammation of bladder. My sufferings were terrible. I tried several physicians, all to no purpose—I was discouraged, and lost faith in physicians and medicine, when a friend from Malden, who had been cured by Hunt's Remedy of gravel and liver complaint, recommended it to me, and from the first bottle I commenced to improve, and three bottles have entirely cured me, and I heartily thank my friend for his timely advice to use Hunt's Remedy, for all the pains have gone from back, and I am in excellent condition, and I feel that a word from me may be the means of saving some friend that may be suffering as I did, before taking Hunt's Remedy, the best kidney and liver cure.

HORSE RAILROAD MEN.

Having occasion to use a medicine for general debility in my family, I was recommended by a friend to use Hunt's Remedy, as that was being used with great success all over the country. We have used one bottle with marked benefit, and find it just as represented, and a medicine of great value, and I cheerfully add my testimony in praise of Hunt's Remedy.
