### RALLROAD MATTERS.

TWO , BOADS CONSOLIDATED. Beston, November 21.-The stock-holders of the Little Rock & Ft. Smith holders of the Little Rock & Ft. Smith and Mississipp i River & Texas railways have been offen ed the right to purchase the bonds and stock of the latter, to be issued as full paid stock in the Little Rock Junction Railway and Bridge com-pany. The amounts allotten to each company is \$200,000 in bonds and \$200,-600 in atock. A proportionate amount of all stockholders of each company have the right to subscribe for approxi-mately one-twentiscth of the amount of

ANOTHER COMMINATION TRUNK.

PHILADELPHIA, November 21.-It is reliably stated that negatiations are comreliably stated that negatiations are com-pleted by which the faiffale, New York & Philadelphia and the West Shore rail-ways will be made part of the new trunk line, the Buffalo to join Andrew's road at New Castle, thence to Akron; then from that point a railroad sixty-five miles to be built to Shiengo June-tion to jein the Baltimore & Ohio. Here the New England business of the latter road will be delivered for shiengen lattar road will be delivered for shipment over the above named roads. The part of the line to be built will be put under construction at once. All roads will de-vote two per cent of the gross New Eng-land business toward interest on the bonds of the Buffalo, New York & Philadelphia and West Shore roads soon to commence building a road from Broc-ton on the li..e of the former road to Cleveland, there to join the C., C., C. & I., to give the West Shore a south-western outlet. The Buffalo and West Shore to occupy a union depot in the

#### POOL FREIGHT RATES.

CHICAGO, November 21 .-- A joint meeting of the east bound freight commission and representatives of roads running out of St. Louis and Peoria was held here to-day to consider the question of rates to interior points west of the western terminus of the trunk lines. It was decided desirable for the sake of uniformity that St. Louis roads adopt the Middle and Western states classification, instead of that now used and the joint agent of the St. Louis reads was side. At a private trial she went a half telegraphed to that effect.

### DRIFTWOOD.

The Roaring Lake Superior Swallows the Manistee,

DULUTH, Miss., November 21.-The propellor Manistee, with oats and merhandise for Ontonagan, left Duluth on the 10th inst., and was wind bound at Bayfield till Thursday, when she transferred all her passengers to the City of Duluth, which was bound for Houghton,

and cleared for Ontonagon at midnight. Nothing was heard from her till noon today. Last night the tup Maythem picked up a bucket marked "Manistee"

and a part of her pilot house, fertyfive miles northeast of Ontona-gon. It is supposed that the Manistee foundered in the severe storm of Friday morning. The wind is in the northwest and below zero. No further news of her. The tugs, Maythem &

Benton, are now looking for traces of the wreck or crew. It is not possible that the men could live in the small boat and of the Manistee had drifted to the north

shore she would have been seen and reported by the Canadian steamers coast-ing there. The propeller Ontario arrived 2-year-old colt Chester, by Hero of

at port Arthur to-day, but saw nothing of the Manistee. There is no doubt that she is lost with all on board. Captain John McKay, purser; Geo. M. Seaton, steward; F. M. Kilby, first mate-Crane & Odell, of Wellesville, N. Y. Andy Mack, second mate, Harry Smith, first engineer, Pat Cullen, second engineer; John Paine, cook; Ed. Bowden, waiter, with sailors, chamber-maids and deckhands, in all about 25 souls on board. The full list cannot be

given by the Duluth agent.

The Mani tee was 190 feet long, foot beam, 966 tons. She was built in Cleveland in 1866, rebuilt in 1868 and 1881, and owned by Leopold & Austin, Chicago. She has been on lake Super ior since 1872. Captain McKay sailed

The rates on all classes of freight to Ak.on and Ravenna, Ohio, were made the same as to Cleveland and the rate to the latter made one cent higher. It was decided desirable that roadsout of Peoria. Indianapolis, Louisville, Cincinnati and St. Louis meet and adopt the rates out of Chicago. It wes decided that the winter advance in rates out of St. Louis and Peoria go into effect December 1st, instead of November 26. The middle states lumber association classification committee begun a three day's session for the purpose of rearranging rates. THE READING PRESIDENCY.

PHILADELPHIA, November 21.-Franklightweight jockeys are very rare, the lin B. Gowen has issued a circular en-difficulty being to find a boy of light nouncing his intention to resign the presidency of the Reading railroad at the

expiration of his present term. He recommends George Keim, vice-president, as his successor. Military Orders.

A general court martial is appointed to meet at Fort Fred Steele, Wyo., on the 23rd day of November, 1883, or as soon thereafter as practicable, for the trial of Private William E. Brierly, company G. Seventh infantry, and such other prisoners as may be brought before it. Detail for the court: Capts in William I. Reed. Seventh infantry; First Lieutenant Albert Austin, Fourteenth infant y; Second Lieutenant Lewis D. Greene, S. venth infantry; Second Lieutenant George W. McIver, Seventh infantry; Second Lieutenant Altred Hasbrouck, jr., Fourcenth infantry; First Lieutenant Levi F. Burnett, Seventh infantry, judge adhowever, and she will probably be kept vocate.

for experimental purposes. A positive outcross on her would probably gives colt To assist him in carrying out instructions contained in paragraph 1, special orders No. 125, current series from these headquarters, topographical assistants lian courses, and its entire circumference ceed to Fort D. A. Russell, Wyo., and measures one mile and a furlong. Mile report to First Lieutenant Dan. C. King-Mile man, corps of engineers.

Leave of absence for one month, to take effect when his services can spared by his post commander, and with permission to apply for an extension of be wide and spacious. On the turns its one month, is granted Second Lieutenant width will be 50 feet; on the back-stretch A. S. McNutt, 9th infantry. First Lieutenant Dan C. Kingman,

corps of engineers, engineer officer of the department, will proceed to Fort D. A. Russell, Wyo., on business connected with the survey of the reservation of hat post, and on completion thereof will return to his station at these headquar-

DYSPEPSIA

Does not get well of itself; it requires careful, per-

sistent attention and a remedy that will assist nature

to throw off the causes and tone up the digestive organs till they perform their duties willingly. Mrs.
