LOBS AND GAIN. CHAPTER 1. "I was taken sick a year ago With billous fever.;"

"My doctor pronounced me cured, but got sick again, with terrible pains in my back and sides, and I got so bad I Could not move!

I shrunk! From 228 lbs. to 120! I had been doc toring for my liver, but itdid me no good. i did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed re-newed as if by magic, and after using several bottles I am not only as sound as a sovereign but weight more than I did efore. To Hop Bitters I owe my life." Dublin, June 6, '81. R. FITZPATRICK.

CHAPTER 2.

"Malden, Mass., Feb. 1, 1850. Gentlemen-1 suffered with attacks of sick headache." Neuralgia, female trouble, for years in the most terrible and excrutiating man-

No medicine or doctor could give me relief or cure until I used Hop Bitters. "The first bottle

Nearly cured me;"

The second made me as welland strong as when a child.

And I have been so to thisday." My husband was an invalid for twenty

years with a serious Kidney, liver and urinary complaint, "Pronounced by Boston's best physicians-

"Incurable!"

Seven bottles of your bitters cured him and I know of the

be hired at a cheap rate to prove an alibi He verted when he does his utmost to shut out all testimony that bears adversely upon his client's side, and by sophistry and lying explain away what he cannot exclude. By the attorney's oath it was intended to bind the attorney to see that all honest testimony in favor of his client. All honest testimony in favor of his client shall be admitted, and all false testimony excluded, the law in the case fairly stated, a fair jury secured, and kept from all undue influence, and a fair impartial charge given by the judge. Here his whole duty ends so far as the design of the law is concerned. He has no more right in his professional character, to lie, deceive, prevaricate, use sophistry, irriverted when he does his utmost to shut or anything else to save a confederate in That the scheme was successful can

might possibly learn wisdom, but no they must be spared, for they may be wanted again, and so the bitter cup to its dregs is pressed to other lips. Thus all the valuable purposes of government are utterly defeated, and by men who would be shocked to be told that they are desdeceive, prevaricate, use sophistry, irri-tate, slander or abuse witnesses on the stand, than any other man. He is as much bound to be a gentleman there, as in his own, or the witness' parlor. The history of our courts presents a very difstitute of patriotic virtue, and are using ferent view of the law profession of these all their legal learning and acumen for a days, and we have reason to think that fee to thwart public justice, and utterly destroy all that is valuable in governits history for ages has not been very dif-ferent. In an old book of morals we ment, and impose heavy burdens of taxes read "judgment is turned away backupon the community for capturing, hold-ing and trying criminals to increase their security and impudence, and give fat fees to their respectable confederates. Gov-

ward and justice standeth afar off, for truth is fallen in the streets, and equity cannot enter—Isa. 59:14." We unto you lawyers—Luke 11:46. This is the condition of a country when the courts of justice fail to protect the lives and liberties of the people. Cer-tain destruction awaits such a govern-ment sconer or later. There are some ernment ceases to be of any value where it fails to execute wholesome laws, and he is the worst enemy of his country who ment sooner or later. There are some fearful omens of such a doom for our country when we consider the numerous profession

cases of violence unavenged that are re-ported in almost every issue of our daily papers. The public conscience is de-bauched, so that the most flagrant crimes He has the same interest in the peace aud order of society as other men and can not throw off these obligations. His atare committed with impunity in many places. One city claims to have had torney's oath never could have been in-tended to give him the right to forget or sixty-eight murders, and only one capital execution. Murders, and only one capital execution. Murders numbering many thousands of the late slaves in the south are rarely if ever avenged. General Sheridan, when in command in Louisi-ana, counted 4000 in that state in four lay aside his common interest in the wel-fare of society, or that he may cease to be honest, truthful, ingenuous, polite and gentlemanly even in cross-examining witnesses. Every attribute of a gentleman is often lost in the defender of a crimyears, for which no punishment was in-

inal, and sometimes in civil suits. It is most likely to be the case when the evi-dence of the prisoner's guilt is painfully clear, and the defence difficult; then desflicted. Murderers often walk out of our courts in the north unrebuked, and sometimes petted and lionized, with their hands red with innocent blood. Frauds and peculations in high places, and even
